INDEPENDENT AUDITOR'S REPORT

To the Management of
Countryside Rentals, Inc. 401(k) Plan
Bainbridge, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Countryside Rentals, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 11 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2023 are presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COUNTRYSIDE RENTALS, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Countryside Rentals, Inc. (“the Company”) 401(k) Plan (“Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who are age 21 or older and have completed 500 hours of service within their first six months or once they completed one year of service, defined as 1,000 hours. Participants are eligible to receive employer contributions after completing a year of service. The Plan requirements are subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to the maximum percentage allowable not to exceed the limits of Code Sections 401(k), 402(g), 404 and 415 of pretax annual compensation, as defined in the plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company may make discretionary matching and profit-sharing contributions to the Plan. In 2023 and 2022, the Company made a matching contribution equal to 100% of the first 5% of eligible compensation that a participant contributed to the Plan. In addition, each year the Company makes a profit-sharing contribution based on employee classification, as determined by the Company. In 2023 and 2022, the profit-sharing contribution classes received 1.67%, 3.00% or 5.00% of participant eligible compensation. Participants direct the investment of their contributions and Company contributions into one or more investments offered by the Plan.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN (CONT'D)

Participant Accounts

Each participant's account is credited with its proportionate share of employee elective deferrals, the plan sponsor's matching contributions, the plan sponsor's profit-sharing contributions and the Plan's earnings. Forfeitures of non-vested matching contributions are used first to reduce the Plan sponsor's future matching contributions and then profit-sharing contributions. Allocations of discretionary contributions and Plan earnings are based on participants' compensation or account balances, as provided by the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

Vesting

Participants are immediately vested in their contributions plus the actual earnings thereon. Vesting in the Company's matching and Profit-Sharing contribution portion of their accounts plus actual earnings thereon is based upon years of service. Participants are 100% vested after three years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum specified by the plan administrator up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance and bear an interest rate of Prime plus 1%. The notes receivables are secured by the balance in the participant's account. Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Principal and interest is paid ratably through payroll deductions. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent notes receivable are reclassified as distributions based upon the terms of the plan document.

Investment Options

Upon enrollment in the Plan, a participant may direct contributions into the following investment options:

A "pooled separate account" with Lincoln National Life Insurance Company, which includes a selection of various mutual funds.

A guaranteed fund, which is a guaranteed investment contract offered by Lincoln Life Insurance Company.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 1 – DESCRIPTION OF THE PLAN (CONT'D)

Investment Options (Cont'd)

Participants may change their investment choices an unlimited number of times within the separate account. However, certain restrictions apply to the exchange or transfer of amounts in the guaranteed fund.

Payment of Benefits

On termination due to retirement, death or disability, the participant may elect to receive a lump sum payment or elect to receive periodic payments. The lump sum payment would be equal to the full value of their own contributions plus earnings thereon and the vested portion of the Company's matching contributions and earnings thereon. In addition, the Plan includes a provision for employees to make withdrawals from their account under certain "hardship" circumstances. For termination of service due to other reasons, a participant may receive the value of their vested interest as a lump sum distribution.

Excess Contributions

At December 31, 2023 and 2022, amounts payable to participants totaling \$0 and \$5,757, respectively, for contributions in excess of amounts allowed by the IRS are recorded as a liability and are reported as corrective distributions. The Plan distributed the 2022 excess contributions to the applicable participants on March 15, 2023.

Forfeited Accounts

The Plan includes provisions to allow the forfeited balances to be allocated as follows:

- Restoration of participant's forfeitures
- Used to reduce employer contributions
- Used to offset plan administrative expenses

At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$27,170 and \$14,064, respectively. During 2023 and 2022, a total of \$13,332 and \$14,014, in forfeitures were used to reduce the employer matching contribution and profit-sharing contribution, respectively.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

New Accounting Pronouncements

While FASB regularly issues new Accounting Standards Updates (ASUs), the Plan did not apply any new ASUs in 2023.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Trustees determines the plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants totaling \$0 and \$5,757 for contributions in excess of amounts allowed by the IRS are recorded as a liability with the corresponding reduction in 2023 and 2022 contributions, respectively. The Plan distributed the 2022 excess contributions prior to March 15, 2023.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Payment of Benefits

Benefits are recorded when paid.

Administrative Fees

The company absorbs significant costs of plan administration related to legal. Fees related to the administration of notes receivable are included in administrative fees.

Date of Management Review

Subsequent events were evaluated through October 1, 2024, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

COUNTRYSIDE RENTALS, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 3 – FAIR VALUE MEASUREMENTS (CONT'D)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Pooled Separate Accounts: The fair value of mutual funds in pooled separate accounts is determined by each fund's custodian based on the fair value of the underlying securities within the fund, which represent the net asset value of shares held by the plan at year end. The investment in the fund is carried at fair value based on the closing price of the National Association of Securities Dealers Automated Quotations (NASDAQ). Unit values are determined by dividing the fund's net assets at fair value by its units outstanding at the valuation dates.

Based on the above definition, all plan assets have been classified as Level 2 at December 31, 2023 and 2022. There have been no changes in the methodologies used as of December 31, 2023 and 2022.

The plan's policy is to recognize transfers between levels as of the end of reporting period. There were no significant transfers between levels during 2023 and 2022.

NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2006, the Plan entered into a group annuity contract which included guaranteed and separate accounts with Lincoln National Life Insurance Company ("Lincoln"). The group annuity contract offers a guaranteed fund investment option without a guaranteed minimum interest rate. Lincoln maintains the contributions in a separate account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

COUNTRYSIDE RENTALS, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

**NOTE 4 – GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY
(CONT'D)**

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Lincoln, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2023 and 2022 was \$42,941 and \$31,922, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, however there is no minimum interest rate requirement. The average yield based upon earnings and interest rate credited to participants for the guaranteed contract was 2.54% and 1.94% for 2023 and 2022, respectively.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Examples of such events include (1) If the contract owner breaches the contract in some way (failure to pay any charges billed to the contract owner, failure to furnish requested information or other documentation, discovery by the insurance company that the contract owner has misrepresented any material information.) (2) If the plan ceases to meet the requirements of the appropriate Code sections (3), if, after a reasonable amount of time, the account has not grown sufficiently. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 5 – RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Lincoln National Life Insurance Company. Lincoln National Life Insurance Company is the trustee as defined by the Plan. Fees paid by the Plan for the investment and loan management services amounted to \$9,160 for the year ended December 31, 2023.

TAP Consulting is the investment advisor to the Plan. Fees paid by the Plan for investment advisory services amounted to \$32,906 for the year ended December 31, 2023.

Burke and Schindler is the Third Party Administrator for the Plan and provides administrative services for the Plan. Fees paid by the Plan for these administrative services amounted to \$13,723 for the year ended December 31, 2023.

These transactions qualify as party-in-interest transactions. Munninghoff, Lange & Co. is the independent auditor for the Plan.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 7 – PLAN AMENDMENTS

The Plan was restated effective January 1, 2022 to increase the company match to 100% of the first 5% of salary deferrals.

NOTE 8 – TAX STATUS

Effective January 1, 2013, the Plan adopted a volume submitter profit sharing plan with a cash-or-deferred arrangement, which received a favorable opinion letter from the IRS on June 30, 2020, which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving that opinion letter. However, the Company believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTES TO THE FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE 8 – TAX STATUS (CONT'D)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) for any uncertain position that more likely would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

There are no reconciliation items between the statements and the 5500.

NOTE 11 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

NOTE 12 – CORRECTIVE CONTRIBUTIONS

The general rule as interpreted by the Department of Labor and the courts has been that if the employer was able to segregate other payroll-related items from general assets, so too must 401(k) participant contributions be segregated within seven business days. In 2024, the Plan sponsor remitted \$90,851 in delinquent employee deferrals and missed earnings on those amounts.
