## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of **Springboard Social Enterprises**  
For the Springboard Social Enterprises Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements**

We have performed an audit of the accompanying financial statements of Springboard Social Enterprises Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

## **INDEPENDENT AUDITORS' REPORT (CONTINUED)**

### **Opinion on the 2023 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the 2023 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Springboard Social Enterprises Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2023 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Springboard Social Enterprises Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **INDEPENDENT AUDITORS' REPORT (CONTINUED)**

### **Auditor's Responsibilities for the Audit of the 2023 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Springboard Social Enterprises Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Springboard Social Enterprises Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### 2023 Supplemental Schedules Required by ERISA

The supplemental schedules of Springboard Social Enterprises Retirement Plan for the plan year of 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## INDEPENDENT AUDITORS' REPORT (CONTINUED)

### Auditor's Report on the 2022 Financial Statements

The 2022 financial statements of Springboard Social Enterprises Retirement Plan were audited by us. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# SPRINGBOARD SOCIAL ENTERPRISES RETIREMENT PLAN

## Notes to Financial Statements

December 31, 2023

---

### 1. Description of Plan

The following description of the Springboard Social Enterprises Retirement Plan is provided for general information purposes only. Participants should refer to the plan agreement and its amendments for a more complete description of the Plan's provisions.

#### *General*

The Springboard Social Enterprises Retirement Plan (the "Plan") is a defined contribution plan that qualifies as a 401(k) plan and was established effective July 1, 2009, by Springboard Nonprofit Consumer Credit Management, Inc. ("Springboard Nonprofit") for the benefit of eligible employees of Springboard Nonprofit. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The Plan was amended and restated effective January 1, 2017, in order to allow employees of Springboard CDFI, a partner organization, to participate in the Plan. The Plan was further amended effective September 1, 2017, to allow employees of Springboard Social Enterprises, a partner organization, to participate in the Plan. The Plan name was changed to Springboard Social Enterprises Retirement Plan effective January 1, 2018, through a new adoption agreement. The new adoption agreement named Springboard Social Enterprises as Plan Sponsor and named Springboard Nonprofit and Springboard CDFI as members of the Plan's service group. Springboard Nonprofit, Springboard CDFI, and Springboard Social Enterprises collectively are referred to as the Organization.

The Plan's trustee is the Chief Executive Officer of Springboard Social Enterprises. The Director of Human Resources of Springboard Social Enterprises is the Plan Administrator and is responsible for all Plan matters including, but not limited to, eligibility, rights to benefits, and interpreting Plan documents. The custodians of the Plan are Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company (collectively, the "Custodian"). The Plan's third-party administrator is The Allocation Company, Inc.

#### *Eligibility*

Under the terms of the Plan, all employees are automatically enrolled in the Plan through salary deferrals starting on the first of the month following 60 days of employment as long as they are at least 18 years of age on that date. Employees are provided the option to opt-out of the Plan if they elect not to participate. Employees become eligible for employer contributions after one year (including completion of 1,000 hours) of employment.

#### 1. Description of Plan (continued)

##### *Participant Contributions*

Each year, participants may contribute up to 100% of their annual compensation, as defined by the Plan. The Plan allows for both pre-tax, as well as post-tax (“Roth”) contributions. Section 401(k) of the Internal Revenue Code (the “Code”) and the Plan limits the amount certain highly compensated individuals may contribute, based on amounts contributed by lower compensated individuals. All participants were limited to a maximum contribution of \$22,500 for 2023 by Section 402(g) of the Code. Individuals age 50 or over by the end of the plan year are allowed to make catch-up contributions of up to \$7,500 in 2023. If a participant’s elective deferrals for the year exceed the maximum allowable for that year, the excess amount will be repaid to the participant as taxable compensation.

##### *Employer Contributions*

The Organization makes safe harbor employer match payments equal to 100% of employee contributions up to 3% of compensation and 50% of employee contributions that range between 3% and 5% of compensation. Safe harbor employer match payments are remitted to the Plan on a quarterly basis. Participants are eligible to receive employer safe harbor contribution upon attaining one year of service and 18 years of age. For the purposes of the Plan, compensation is defined as Code Section 3401 Federal income tax withholding wages (plus elective deferrals) with no exclusions. Safe harbor employer contributions for the year ended December 31, 2023, were \$91,446. The Organization may also make discretionary profit-sharing contributions each year, subject to the provisions of the Plan. There were no discretionary profit-sharing contributions for the year ended December 31, 2023.

##### *Participant Accounts*

Each participant’s account is credited with the participant’s contributions and employer safe harbor contributions, as well as an allocation of (i) the Organization’s profit-sharing employer contributions, if any, (ii) Plan earnings based on investment options selected by each participant, and (iii) administrative expenses (if the Plan Administrator so chooses for the relevant year). All allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account. Each participant allocates his or her contributions among the investment options available in the Plan.

##### *Notes Receivable from Participants*

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 minus the highest outstanding balances of loans in the past 12 months or fifty percent of the present value of their vested account balance in the Plan. The participant may have no more than one loan outstanding at one time. The loans are secured by the balance in the participants' accounts and bear interest at prime plus 1% per annum (3.25% as of December 31, 2023). The interest rate on outstanding loans at December 31, 2023 ranged from 4.25% to 9.5% per annum. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, except for loans for the purchase of a principal residence, which may be repaid within a period of no more than 10 years.

##### *Payment of Benefits*

Distributions from the Plan are made in either lump-sum or installment payments. As of March 8, 2022, participants are entitled to receive distributions upon attaining age 59.5 or as a result of a financial hardship as defined in the Plan. Prior to March 8, 2022 the age was 65. Participants that are terminated as a result of death, disability, or for other reasons are also entitled to distributions.

### Notes to Financial Statements (continued)

December 31, 2023

---

#### 1. Description of Plan (continued)

Upon termination of employment, if a participant's vested account balance (excluding rollovers) does not exceed \$1,000, the account will be distributed to the participant in cash. If the vested account balance is more than \$1,000, but less than \$5,000, the account will be distributed in cash or rolled-over to another retirement account. Participant account balances in excess of \$5,000 require authorization for distribution (subject to applicable federal law).

##### *Forfeitures*

Upon termination of employment, the non-vested portion of the participant's account balance is forfeited at the end of the Plan year. Forfeitures may be used to pay for Plan expenses and reduce employer contributions. During the year ended December 31, 2023, the Plan did not use any forfeitures to pay for Plan administrative expenses, and as of December 31, 2023, forfeited non-vested amounts totaled \$0.

#### 2. Summary of Significant Accounting Policies

##### *Basis of Accounting*

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

##### *Use of Estimates*

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

##### *Investment Valuation and Income Recognition*

Investments are reported at fair value, except for the Plan's fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies utilizing information provided by the Custodian. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

## 2. Summary of Significant Accounting Policies (continued)

### *Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are paid when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023, and 2022. If a participant ceases to make loan repayments and the participant loan is deemed to be in default, the participant loan balance is reduced, and a non-cash distribution benefit is recorded.

### *Contributions*

Participant contributions are recorded by the Plan in the year withheld from participant earnings. Contributions to the Plan by the Organization are recorded in the year in which they become obligations of the Organization.

### *Payments of Benefits*

Benefits are recorded when paid.

### *Administrative Expenses*

Certain expenses of maintaining the Plan, including audit fees and costs of communication with the participants, are paid directly by the Organization and are excluded from these financial statements.

Investment related expenses and fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Administrative expenses amounted to \$24,493 for the year ended December 31, 2023 and were paid from Plan assets.

## 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**SPRINGBOARD SOCIAL ENTERPRISES RETIREMENT PLAN**  
**Notes to Financial Statements (continued)**  
**December 31, 2023**

---

**3. Fair Value Measurements (continued)**

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodology used for assets measured at fair value; there have been no changes in the methodology used at December 31, 2023 and 2022.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by each respective fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. As a result, mutual fund investments are categorized as Level 1 fair value assets.

**4. Administration of Plan Assets**

The Plan's assets are administered under a contract with Empower Trust Company, LLC, the trustee of the Plan. The trustee invests funds received from contributions, investment sales, interest and dividend income and makes distribution payments to participants.

**5. Fully Benefit Responsive Investment Contract**

The Plan holds a traditional investment contract with Great-West Life & Annuity Insurance Company that management believes meets the fully benefit responsive investment contract criteria, and therefore, is reported at contract value in the amount of \$69,130 at December 31, 2023 and \$125,063 at December 31, 2022. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reset quarterly. The average yield earned during the year ended December 31, 2023 and 2022 was 1.45% and 1.20%, respectively.

## **SPRINGBOARD SOCIAL ENTERPRISES RETIREMENT PLAN**

### **Notes to Financial Statements (continued)**

**December 31, 2023**

---

#### **5. Fully Benefit Responsive Investment Contract (continued)**

The contract does not have a maturity date. However, the issuer may terminate the contract without the application of any otherwise required market value adjustment or contract surrender charge. The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Example of such events include the following: (1) the Plan's failure to qualify under Section 401(a) of the Code, or the failure of the trust to be tax-exempt under Section 501(a) of the Code; (2) premature termination of the contracts; (3) Plan termination or merger; (4) bankruptcy of the plan sponsor or other plan sponsor events that significantly affect the Plan's normal operations.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

#### **6. Tax Status**

Effective January 1, 2018, the Organization adopted a volume submitter profit sharing 401(k) Plan as designed by CCH Incorporated, the volume submitter sponsor, who has received an advisory letter from the Internal Revenue Service ("IRS") most recently dated June 30, 2020, which stated that the form of the plan is acceptable for use by employers for the benefit of their employees under section 401 of the Code.

The Plan Sponsor and the Plan's tax counsel believe that the Plan, as currently designed and operated, is in compliance with the applicable provisions of the Code. Therefore, the Plan Sponsor believes that the Plan is qualified, and the related trust is tax exempt. No provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **7. Information Certified by the Plan Custodian**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform auditing procedures with respect to the information certified by the Custodian at December 31, 2023 and 2022, and for the year ended December 31, 2023, except for comparing the information certified by the Custodian to information included in the Plan's financial statements and supplemental schedule. The information certified by the Custodian at December 31, 2023 and 2022 is summarized as follows:

- a. Investments at fair value and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022 and the supplemental schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2023.
- b. Net appreciation in the fair value of investments and interest and dividend income from investments reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.
- c. Interest income on notes receivable from participants reflected on the accompanying Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

#### **8. Plan Termination**

Although it has not expressed intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

#### **9. Risks and Uncertainties**

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the accompanying financial statements.

**10. Party-In-Interest Transactions**

Management believes the following are permitted party-in-interest transactions under applicable ERISA and DOL guidelines, as they are covered by an exemption from “prohibited transaction” provisions: certain plan investments are managed by the Custodian; participant loan activities; certain administrative functions are performed by employees of the Organization (and no such individual receives compensation from the Plan); and the Organization paid for certain expenses incurred by the Plan.

**11. Subsequent Events**

The Plan has evaluated subsequent events through October 7, 2024, the date the financial statements were available to be issued, and no events have occurred that require recognition or disclosure in the accompanying financial statements.
