REPORT OF INDEPENDENT AUDITORS

Board of Directors / Plan Administrator
The Otis R. Bowen Center for Human Services, Inc.
403(b) Pension Plan
Warsaw, Indiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Otis R. Bowen Center for Human Services, Inc. 403(b) Pension Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Board of Directors / Plan Administrator
The Otis R. Bowen Center for Human Services, Inc.
403(b) Pension Plan
Warsaw, Indiana

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

Board of Directors / Plan Administrator
The Otis R. Bowen Center for Human Services, Inc.
403(b) Pension Plan
Warsaw, Indiana

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Board of Directors / Plan Administrator
The Otis R. Bowen Center for Human Services, Inc.
403(b) Pension Plan
Warsaw, Indiana

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of The Otis R. Bowen Center for Human Services, Inc. 403(b) Pension Plan (the Plan) provides only general information. Participants should refer to the plan documents for a more complete description of the Plan's provisions, which are available from the plan administrator.

General

The Plan is a defined contribution plan covering eligible employees of The Otis R. Bowen Center for Human Services, Inc. (the Plan Sponsor). Employees are eligible to participate in the Plan on the first day of the first payroll period following completion of a valid salary reduction agreement. Participation is voluntary. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions and Funding Policy

Participants may authorize pre-tax deferral contributions for a maximum allowed by regulations. Participants are generally eligible to receive Plan Sponsor matching contributions upon hire. The Plan Sponsor matches participant deferrals up to 4% of a participant's eligible compensation based on the following schedule:

<u>Years of Service</u>	<u>Match Amount</u>
1 - 5	\$0.50 match per \$1.00 contributed
Over 5	\$1.00 match per \$1.00 contributed

Contributions are subject to certain limitations.

Participant Accounts

Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution, allocations of the employer matching contribution and plan earnings (net of certain fund management expenses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

Participants are vested immediately in their contributions plus actual earnings thereon. Effective January 1, 2021, the Plan implemented a vesting schedule for Plan Sponsor matching contributions, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
Over 6	100%

**THE OTIS R. BOWEN CENTER FOR HUMAN
SERVICES, INC. 403(b) PENSION PLAN**

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Plan Sponsor matching contributions prior to January 1, 2021 are 100% vested. An eligible year of service is earned for each year a participant completes 1,000 hours worked in a calendar year.

After termination of employment, the non-vested portion of the participant's account is called a forfeiture and remains in the Plan to reduce Plan Sponsor contributions or pay certain Plan administrative expenses. During 2023, forfeitures of approximately \$7,000 were used to reduce Plan administrative expenses. At December 31, 2023 and 2022, forfeited non-vested accounts totaled approximately \$9,000 and \$2,000, respectively.

Notes Receivable from Participants

Participants may borrow, from their Lincoln National Life Insurance Company fund accounts through the Lincoln Alliance program, a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance, whichever is less. No more than two loans can be outstanding for any participant at any one time. Loan terms shall not exceed 5 years except in the case of the purchase of a primary residence. Loans transacted with Lincoln National Life Insurance Company are secured by the balance in the participant's account.

The loans that are issued by Lincoln National Life Insurance Company through the Lincoln Alliance program bear interest at a fixed rate ranging from 5.25% to 10.50%. Principal and interest are generally paid ratably through payroll deductions or as a lump sum. The individual loan balances range from approximately \$90 to \$48,000 as of December 31, 2023. The loans are generally due through September 2028 except in the case of loans for the purchase of a primary residence, in which the latest loan is due in April 2053.

Plan Loans

Participants may request a loan at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance, whichever is less. No more than two loans can be outstanding for any participant at any one time. Loan terms shall not exceed 5 years except in the case of the purchase of a primary residence. The loan amount is distributed to the participants out of custodian funds. Furthermore, the custodian transfers out of the participants' investment balances (on a pro-rata basis) any amount necessary to equal the total loan balance to the guaranteed investment account to serve as collateral. If the participant defaults on the loan, the custodian will take possession of the collateral backing the loan. If the required loan payments are not made within 90 days after the due date, the total outstanding loan balance will be determined to be in default and deemed a distribution. As these loans are made directly from the custodian to the participant, they are not considered a part of plan assets.

The loans are currently issued bearing interest at a fixed rate of either 4.50% or 7.00%. Funds serving as collateral backing the loans continue to earn interest at a guaranteed rate of 4.50%, resulting in an effective loan interest rate of either 0% or 2.50%, depending on the loan issuance interest rate. Principal and interest are generally paid ratably through monthly or quarterly payroll deductions or as a lump sum. The balances of plan loans were approximately \$36,000 and \$38,000 as of December 31, 2023 and 2022, respectively. The individual loan balances as of December 31, 2023 range from approximately \$70 to \$5,000. As of December 31, 2023, the loans have matured from original maturity dates, but continue to paid.

SERVICES, INC. 403(b) PENSION PLAN**

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Payment of Benefits

In general, upon termination of service participants may elect to receive their vested interest in the form of a lump-sum amount, an account rollover, an annuity or leave their vested interest in the Plan, subject to a certain limitations and conditions as defined by the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See the Fair Value Measurements note for further information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in the fair value of investments includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

**THE OTIS R. BOWEN CENTER FOR HUMAN
SERVICES, INC. 403(b) PENSION PLAN**

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Concentration of Credit Risk

Financial instruments that potentially subject the Plan to concentrations of credit risk are part of the holdings in Plan's investments. Management believes that the custodian maintains the Plan's investments with high quality institutions and attempts to limit the credit exposure to any particular investment.

Notes Receivable from Participants

Notes receivable from participants and custodian loans payable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

The Plan records benefit payments to withdrawing participants when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses. Investment related expenses are included in net change in the fair value of investments.

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements were available to be issued, which is October 2, 2024.

3. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Lincoln National Life Insurance Company, the custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants information reflected on the accompanying statements of net assets available for benefits as of December 31, 2023 and 2022, the schedule of assets at December 31, 2023, and the related investment activity and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2023.

**THE OTIS R. BOWEN CENTER FOR HUMAN
SERVICES, INC. 403(b) PENSION PLAN**

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the hierarchy, the Plan's assets and liabilities measured at fair value on a recurring basis as of December 31, 2023 and 2022 are as follows:

		December 31, 2023			
		Total	Level 1	Level 2	Level 3
Investments					
	Mutual funds	\$ 21,102,207	\$ 21,102,207	\$ -0-	\$ -0-
		December 31, 2022			
		Total	Level 1	Level 2	Level 3
Investments					
	Mutual funds	\$ 17,103,558	\$ 17,103,558	\$ -0-	\$ -0-

SERVICES, INC. 403(b) PENSION PLAN**

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

5. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

The Plan holds investment contracts that are traditional investment contracts. These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for the fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contracts held by the Plan are guaranteed investment contracts. The contract issuers are contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rates are based on a formula established by the contract issuer but may not be less than an established percentage. The crediting rates are reviewed on a quarterly basis for resetting. The contracts cannot be terminated before the scheduled maturity date.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. Examples of such events include the following:

1. The Plan's failure to qualify under Section 401(a) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
2. Premature termination of the contract
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options
5. Bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

**THE OTIS R. BOWEN CENTER FOR HUMAN
SERVICES, INC. 403(b) PENSION PLAN**

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

The average yield for the Lincoln National Group Fixed Account fully benefit-responsive investment contract based on actual earnings and on interest rate credited to participants was 3.14% for 2023. The average yield for the Lincoln Stable Value Account fully benefit-responsive investment contract based on actual earnings and on interest rate credited to participants was 1.98% for 2023.

6. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Plan Sponsor, and certain others. Transactions with parties-in-interest included administrative fees paid to the Plan's custodian, Lincoln National Life Insurance Company, and auditing fees paid to Blue & Co., LLC. Certain expenses of the Plan are paid by the Plan Sponsor. Retirement Plan Concepts and Services, Inc. received fees for administration and recordkeeping services. Additionally, the Plan held party-in-interest investments with Lincoln National Life Insurance Company as of December 31, 2023 and 2022.

The Plan Sponsor provides certain administrative services at no cost to the Plan, including administrative and accounting fees. These expenses qualify as party-in-interest transactions.

Plan loans from the custodian to the participants qualify as party-in-interest transactions.

7. INCOME TAX STATUS

The Internal Revenue Service (IRS) has yet to establish its determination letter program for individual 403(b) plans. Therefore, the Plan has not submitted its plan document to the IRS to obtain an individual determination letter. However, the IRS does require that 403(b) plans conform to the guidelines of preapproved 403(b) plan documents. During 2019, the Plan restated its plan document to conform to the guidelines of a pre-approved 403(b) plan document, which incorporates changes from interim plan amendments that were adopted to reflect revisions in tax and pension law. Furthermore, the Plan Sponsor believes that the Plan was designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits
