INDEPENDENT AUDITOR'S REPORT

The Administrator of
AccuReg 401(k) Plan
Mobile, AL

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have audited the financial statements of the AccuReg 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 20, 2023 (liquidated), and 2022 (ongoing), the related statement of changes in net assets available for benefits for the period ended December 20, 2023 (in liquidation), and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from the qualified institution as of December 20, 2023 and December 31, 2022 and for the period ended December 20, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the AccuReg 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Terminating Plan and Liquidation Basis of Accounting

As further discussed in Note 7 to the financial statements, the owners of Database Solutions, the Plan's sponsor, voted on November 10, 2022, to terminate the plan, and management determined liquidation was imminent. As a result, the AccuReg 401(k) Plan changed its basis of accounting from the ongoing basis of accounting to the liquidation basis of accounting used in presenting the 2023 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The Administrator of
AccuReg 401(k) Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

ACCUREG 401 (K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 20, 2023 AND DECEMBER 31, 2022

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Database Solutions II, LLC (the “Company”) AccuReg 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General:

The Plan was a qualified retirement plan covering substantially all employees of the Company who had attained age 21 and reached the entry date, which was the first day of the month coinciding with or the next following date the attainment age of 21 is satisfied. It was subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company approved terminating the plan on November 10, 2022, and the Plan was liquidated during 2023.

Contributions:

Each year, participants could contribute a percentage of their gross annual compensation, subject to certain limitations. The Plan allowed participants to elect to reduce compensation by a specific percentage or dollar amount as a salary deferral. The salary deferral options were pre-tax and after-tax (Roth) contributions. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. The Company could make discretionary matching contributions. The amount of the matching contribution, if any, was determined each year by the Company. Participants directed the investment of contributions into various investment options offered by the Plan. The Plan offered a common/collective trust fund and mutual funds as investment options for participants.

Participant Accounts:

Each participant’s account was credited with the participant’s contributions, any employer contributions and an allocation of Plan earnings, and charged with withdrawals, administrative expenses, and an allocation of Plan losses. Allocations were based on the participant’s account balances and contributions, as defined. Participants could choose to invest their accounts in one or more funds established by the Plan. The benefit to which a participant was entitled was the benefit that could be provided from the participant’s vested account.

Vesting:

Participants were immediately fully vested in their voluntary contributions, employer contributions, and investment earnings.

Notes Receivable from Participants:

Participants could borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans were secured by the balance in the participant’s account and accrued interest at the prime rate plus 1%.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits:

On termination of service, death, disability, or retirement, or upon attainment of age 59½, a participant's distribution from the Plan was made in a lump-sum. A participant could also request a distribution in case of hardship as detailed in the Plan provisions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the liquidation basis of accounting as of and for the year ended December 31, 2023. The financial statements of the Plan are prepared on the accrual basis of accounting as of December 31, 2022.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Notes Receivable from Participants:

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants were reclassified as distributions based upon the terms of the Plan. Interest income on notes receivable from participants was recorded as earned.

Investment Valuation and Income Recognition:

The Plan's investments were stated at fair value. If available, quoted market prices were used to value investments. Investments that had no quoted market price were stated at estimated fair value.

Investment income was recorded as earned. Purchases and sales of investments were accounted for on a trade-date basis. Dividends were recorded on the ex-dividend date. Net appreciation (depreciation) included the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits:

Benefits were recorded when paid.

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements*, defines fair value, establishes a framework for measuring fair value, and requires disclosures about fair value measurements. The guidance establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale or use of an asset.

ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. Three levels of inputs may be used to measure fair value:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a plan’s own assumptions about the assumptions that market participants would use in pricing an asset or liability.

The financial instrument’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for financial instruments measured at fair value:

Common/collective trust fund: Value was derived from the fair value of the underlying securities based on quoted market prices in active or inactive markets.

Mutual funds: Valued at the quoted net asset value (“NAV”) of shares held by the Plan at year end.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following tables present the financial instruments carried at fair value as of December 31, 2022:

	2022			
	Level 1	Level 2	Level 3	Total
Common/collective trust	\$ -	\$ 736,835	\$ -	\$ 736,835
Mutual funds	2,932,740	-	-	2,932,740
	\$ 2,932,740	\$ 736,835	\$ -	\$ 3,669,575

NOTE 5 - INCOME TAX STATUS

The Plan used a plan document sponsored by ADP, which received an opinion letter from the Internal Revenue Service (“IRS”), dated October 6, 2020, which stated that the prototype document satisfies the applicable provisions of the Internal Revenue Code (“IRC”). The plan administrator believes the Plan was designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan’s financial statements.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities were exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could materially affect participants’ account balances, and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PLAN TERMINATION

On November 10, 2022, the Company approved termination of the Plan as a result of the Company being acquired by United Health Group. Company payroll and benefits merged with and into United Health Group subsequent to December 31, 2022.

Upon termination of the Plan, the trustee of the Plan was directed to distribute the remaining assets of the Plan to the eligible participants. Plan participants were given the option to roll over to another qualified plan, take a cash distribution, or set up an IRA. The net assets of the Plan were distributed to participants, in accordance with Plan provisions during the year ended December 20, 2023.
