INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Plan Participants
Bethany Retirement Home, Inc. Tax Deferred Annuity Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bethany Retirement Home, Inc. Tax Deferred Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bethany Retirement Home, Inc. Tax Deferred Annuity Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years ended December 31, 2023 and 2022 stating that the certified investment information, as described in Note G to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bethany Retirement Home, Inc. Tax Deferred Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bethany Retirement Home, Inc. Tax Deferred Annuity Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bethany Retirement Home, Inc. Tax Deferred Annuity Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bethany Retirement Home, Inc. Tax Deferred Annuity Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters--Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year – December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BETHANY RETIREMENT HOME, INC. TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE A: DESCRIPTION OF THE PLAN

The following description of the Bethany Retirement Home, Inc. Tax Deferred Annuity Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 403(b) plan covering substantially all employees of Bethany Retirement Home, Inc. and Bethany Nursing Home and Health Related Facility, Inc. (the Organizations), who work in excess of 20 hours per week. There is no minimum service or age requirement for employee deferrals. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may contribute to the Plan the maximum contribution allowable under the Internal Revenue Code. The Organizations' employer matching contribution formula matches 100% of the first 5% of compensation that a participant contributed to the Plan after completion of two years of service. The employer may also elect to contribute a non-elective employer discretionary contribution. There was no non-elective employer discretionary contribution for the years ended December 31, 2023 and 2022.

Participant accounts

Each participant's account is credited with the participant's contributions, the Organizations' contributions, an allocation of plan earnings, and certain administrative expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their account balances into various investment options offered by the Plan.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon, and the Organizations' contributions.

Notes receivable from participants

Participants may borrow from their funds up to a maximum amount which is equal to the lesser of \$50,000 or 50% of their vested balances. The maximum loan term is five years. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate as of the time of application as determined by the Plan Administrator. Principal and interest are paid through payroll deduction and is credited to the participant's account.

Payments of benefits

Upon termination of service, a participant may elect to leave their funds in the Plan, receive a lump sum amount equal to the value of their account, receive periodic benefits, or roll their funds into another plan. Payments of all vested amounts of \$1,000 or less are made in lump sum payments.

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2023 AND 2022

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements are prepared on the accrual basis of accounting.

Investment valuation and income recognition

The Plan's investments are stated at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when earned. Dividend income is recorded on the ex-dividend date and capital gain distributions are included in dividend income. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

Payment of benefits

Benefits are recorded when paid.

Administrative expenses

The Plan's expenses are paid either by the Plan or the Plan sponsor, as provided by the plan document. Expenses that are paid directly by the Plan sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statements of changes in net assets available for benefits.

Use of estimates in the preparation of financial statements

The preparation of financial statements in conformity with accounting principles general accepted in the United States of America requires the Plan's management make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events

The Plan has conducted an evaluation of potential subsequent events occurring after the date of the statement of net assets available for benefits through July 30, 2024, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2023 AND 2022

NOTE C: FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that is observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 and 2022.

Mutual funds: Valued at the quoted net asset value of units held by the Plan at year end.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

BETHANY RETIREMENT HOME, INC. TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2023 AND 2022

NOTE C: FAIR VALUE MEASUREMENTS, Cont'd

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>December 31, 2023</u>				
Mutual funds	<u>\$ 4,166,793</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,166,793</u>
<u>December 31, 2022</u>				
Mutual funds	<u>\$ 4,173,835</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,173,835</u>

NOTE D: GUARANTEED INTEREST ACCOUNT

The plan invests in a guaranteed investment contract, the Guaranteed Interest Account, with Empower Annuity Insurance Company of America (EAIC). EAIC maintains the contributions in a general investment account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1.1% at December 31, 2023 and 2022. The crediting rate is reviewed on a semi-annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

BETHANY RETIREMENT HOME, INC. TAX DEFERRED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS, Cont'd

DECEMBER 31, 2023 AND 2022

NOTE E: TAX STATUS

The Plan is based upon a prototype contract and is intended to be a tax-sheltered agreement which meets the requirements of the Internal Revenue Code Section 403(b) belonging to an employer that is tax-exempt under Section 501(c)(3) of the Internal Revenue Code. In the opinion of the Plan's trustee and legal counsel, the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, the Plan qualifies for tax-exempt status.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other applicable taxing authorities. The Plan is subject to routine audits by tax jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F: PLAN TERMINATION

Although it has not expressed any intent to do so, the Organizations have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE G: CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments and interest and dividends for the years ended December 31, 2023 and 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the trustees of the plan. Effective August 1, 2022, Great-West Trust Company LLC was renamed as Empower Trust Company, LLC and Great-West Life and Annuity Insurance Company was renamed Empower Annuity Insurance Company of America.

DECEMBER 31, 2023 AND 2022

NOTE H: TRANSACTIONS WITH PARTIES-IN-INTEREST

The plan invests in a guaranteed investment contract, the Guaranteed Interest Account, with Empower Annuity Insurance Company of America, an affiliate of Empower Trust Company, LLC, the trustee of the Plan. In addition, the Plan invests in funds managed by Empower Trust Company of America at December 31, 2023 and 2022. Transactions in such investments qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

As described in Note B, the Plan paid certain expenses related to investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

NOTE I: RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.
