To the Plan Administration
ADS 401(k) Plan
1111 Church Road
Aurora, IL 60505

We have audited the financial statements of **ADS 401(K) Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended **December 31, 2023**., and we will issue our report thereon dated **October 3, 2024**. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by **Empower Trust Company, LLC**, the trustee of the Plan, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated **June 20, 2024**. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by **ADS 401(K) Plan** are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during **2023**. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure(s) affecting the financial statements was (were):

The disclosure of Fair Value Measurements in Note 5 to the financial statements. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations, we have relied on the values as certified by **Empower Trust Company, LLC**, the trustee of the Plan, except for comparing such information with the related information included in the Plan's financial statements.

The disclosure of Risks and Uncertainties in Note 6 to the financial statements discuss various risks to investments in securities and volatility in markets.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. You have corrected all such misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Supplementary Information

Our responsibility for the ERISA-required supplemental schedules accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters

Issue: Total gross wages according to the census, did not agree with gross wages per the year-to-date payroll registers. It was discovered that certain post-severance compensation was erroneously omitted from the census. Additionally, certain amounts of this post-severance compensation was eligible 401(k) compensation, as defined by the plan.

Recommendations:

Ensure that all 401(k) deferral elections remain effective in the payroll system until the required timing as defined in the Plan document.

Prior to submitting the census to the third party administer for compliance testing, prepare a reconciliation of Gross Wages, eligible wages, deferrals and loan repayments between the census and final year-end payroll reports.

Consider amending your Plan document to limit the time post-severance compensation is considered eligible compensation.

This information is intended solely for the use of the Plan administrator and management of **ADS 401(K) Plan** and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Philip + Rae & Associates
