Plan Committee Arizona Water Company Retirement and Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Arizona Water Company Retirement and Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 DESCRIPTION OF PLAN

The following description of Arizona Water Company Retirement and Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan 401(k) and profit-sharing plan covering substantially all employees of Arizona Water Company (the Company and Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

An employee may make elective deferrals beginning on the date of hire.

Employees are eligible to receive matching contributions after one year of service or 1,000 service hours. For this purpose, re-hired employees may receive credit for service earned during a period of severance. The entry date is immediate upon meeting all eligibility requirements.

Effective January 1, 2023, employees are eligible to receive matching contributions and post-employer discretionary contributions beginning on the date of hire, eliminating the previous service requirements.

Contributions

Each participant may defer up to 60% of their pretax compensation per payroll period by electing to have the Company contribute the deferral to the participant's 401(k) account instead of paying the deferred amount in cash. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions.

The Company makes matching contributions on behalf of each eligible participant's account equal to fifty percent (50%) of the participant's deferred contributions. Deferral contributions in excess of six percent (6%) of the participant's eligible compensation for the Plan year are not considered for matching. The Company may decide each Plan year whether to make a discretionary employer contribution on behalf of the eligible participants in accordance with the Plan's allocation formula. Beginning 2023, the Company made post-employer discretionary contributions amounting to \$1,220,824.

Effective November 3, 2023, participants may irrevocably designate a portion of the deferral contributions made as Roth 401(k) contributions that are includable in the participant's gross income at the time of deferred.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution, the employer's matching contributions, allocation of the Company's discretionary contribution, and an allocation of net Plan earnings. Allocations of income to participants' accounts are based upon the earnings from the various investments that each participant has elected to invest in, as defined in the Plan. Allocations of the Company's discretionary contributions are based upon an allocation formula, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

Participants are immediately vested in their deferred contributions plus the actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service. A participant is one hundred percent (100%) vested in employer matching contributions after three (3) years of credited service. Participants vest in employer discretionary contributions at a rate of twenty percent (20%) after two (2) years of credited service, forty percent (40%) after three (3) years of credited service, sixty percent (60%) after four (4) years of credited service and one hundred percent (100%) after five (5) years of credited service.

Effective January 1, 2023, vesting for employer matching and employer non-elective contributions will be vested in accordance with the following schedule: A participant is one hundred percent (100%) vested after three (3) years of credited service, sixty-six percent (66%) after two (2) years of credited service, and thirty-three (33%) after one (1) year of credited service.

Notes Receivable from Participants

Notes receivable must be secured by the participant's account, not to exceed the lesser of \$50,000 or 50% of the participant's vested account balance and bear a reasonable interest rate. Upon approval, participants may borrow against vested funds they have on deposit.

Unless the loan is used to acquire or substantially improve the participant's principal residence, these loans must be repaid within five (5) years. For the years ended December 31, 2023 and 2022, the interest rate was prime plus 2%. Principal and interest on the loans are allocated specifically to the participant's account balance along with direct loan fees and are paid ratably through monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or upon attainment of the age of 59 ½, a participant is eligible to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

Additionally, participants may rollover amounts representing distributions from other qualified retirement or profit-sharing plans.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeitures

If a participant terminates his or her employment, all non-vested amounts will be forfeited. Such forfeitures shall be held in the same money market fund as provided by the Plan for investment purposes. These forfeitures will be applied to reduce the contributions of the employer or administrative expenses of the Plan. If a terminated employee becomes reinstated within the allowable period, the forfeiture amount will be credited back to the participant's account.

The changes in the Plan's forfeiture accrued balance for the years ended December 31, 2023 and 2022 are as follows:

	<u>2023</u>	<u>2022</u>
Beginning balance	\$ 6,228	\$ 151
Forfeitures	7,439	36,280
Dividends	71	347
Forfeitures used during the year to reduce employer contributions	<u>(6,028)</u>	<u>(30,550)</u>
Ending balance	<u>\$ 7,710</u>	<u>\$ 6,228</u>

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are participant directed and are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as investments held during the year.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Appreciation (Depreciation) in Fair Value of Investments

Realized and unrealized appreciation (depreciation) in the fair value of investments is calculated based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is recorded in the accompanying Statements of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balance plus accrued but unpaid interest. Related fees are recorded as participant fees and expensed when they occur. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant balance is reduced, and a benefit payment is recorded based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Benefits Paid to Participants

Benefits are recorded when paid.

Operating Expenses

Costs of operating the Plan, including but not limited to set up fees, trustee fees, non-discrimination testing fees, commissions, accounting and auditing fees, and similar charges are absorbed by the Plan Sponsor and are excluded from these financial statements. Administrative fees, however, may be absorbed by the Plan Sponsor or applied against forfeiture amounts (see Note 1).

NOTE 3 INCOME TAX STATUS

The Plan adopted a 401(k) and Profit-Sharing Plan (Prototype Plan) sponsored by Fidelity Management Trust Company (FMTC). The Prototype Plan obtained a favorable Internal Revenue Service (IRS) opinion letter dated March 31, 2008, as well as an updated opinion letter dated March 31, 2014. The opinion letters state that the Prototype Plan is acceptable under applicable sections of the Internal Revenue Code (IRC).

On May 13, 1996, the Plan received a favorable determination letter from the IRS that states that the Plan, as then designed, was in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan Sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. No provision for income taxes has been included in the Plan's financial statements.

NOTE 3 INCOME TAX STATUS (CONTINUED)

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 INVESTMENTS

The Plan's investments are held in mutual funds. Descriptions of the funds' investment objectives are as follows:

Fidelity 500 Index Investment Funds-Investor Class and Premium Class

The objective of these funds is to seek investment results that correspond to the total return (i.e., the combination of capital changes and income) performance of common stocks publicly traded in the United States.

Fidelity Global Ex US Index Fund

The objective of this fund is to seek to provide investment results that correspond to the total return of foreign developed and emerging stock markets.

Fidelity Government Money Market Fund

The objective of this fund is to seek a high current income, preserve capital, and maintain liquidity from money market instruments issued by the U.S. government or its agencies.

Fidelity Mid Cap Index Fund

The objective of this fund is to seek to provide investment results that correspond to the total return of stocks of mid-capitalization United States companies.

Fidelity Blue Chip Growth K Fund

The objective of this fund is to seek long-term capital growth by investing mainly in common stocks of well-known and established (Blue Chip) companies.

Fidelity Contrafund K

The objective of this fund is to seek high capital appreciation.

Fidelity Emerging Markets K

The objective of this fund is to seek capital appreciation by investing at least 80% of assets in securities of issuers in emerging markets and other investments that are tied economically to emerging markets.

Fidelity Growth Company K Fund

The objective of this fund is to seek long-term capital appreciation by investing in common stocks of domestic and foreign issues that have above average growth potential.

NOTE 4 INVESTMENTS (CONTINUED)

Fidelity Low-Priced Stock K Fund

The objective of this fund is to seek long-term capital growth by investing mainly in U.S. and foreign low-priced stocks that may be undervalued, overlooked, or out of favor.

Fidelity Mid-Cap Stock K Fund

The objective of this fund is to increase the value of the investment over the long-term through capital growth.

Fidelity Overseas Class K Fund

The objective of this fund is to seek long-term capital growth.

Fidelity Freedom K Income Fund

The objective of this fund is to invest in a combination of underlying Fidelity equity, fixed income, and short-term funds using a moderate asset allocation strategy designed for investors already in retirement.

Fidelity Freedom Index 2005 to 2065 Fund Institutional Premium Class

The objective of this fund is to seek high total return until its target retirement date. Thereafter, the fund's objective will be to seek high current income and, as a secondary objective, capital appreciation.

Fidelity Small Cap Index Fund

The objective of this fund is to provide investment results that correspond to the total return of stocks of small-capitalization United States companies.

Fidelity Total Bond Fund

The objective of this fund is to seek a high level of current income.

Fidelity US Bond Index Fund

The objective of this fund is to seek to provide investment results that correspond to the aggregate price and interest performance of the debt securities in the Bloomberg Barclays U.S. Aggregate Bond Index.

JPMorgan Small Capital Sustainable Leaders Fund R6

The objective of the fund is to provide long-term capital appreciation by investing in U.S. small cap companies considered leaders in sustainability.

JPMorgan Equity Income Fund Class R6

This fund focuses on high-quality U.S. companies with healthy and sustainable dividends, seeks to provide lower volatility access to stock market growth.

NOTE 4 INVESTMENTS (CONTINUED)

Goldman Sachs Stable Value Collective Trust Fund

The objective of this fund is to seek current income and preserve capital and stability of principal. The Goldman Sachs Trust Company, N.A. serves as the Trustee of the Fund, and in such capacity is responsible for the management, administration, and investment of the Fund.

The above investment options are selected by the Plan Sponsor and are participant-directed. The participants have several investments they can choose from. See the attached Schedule of Assets (Held at End of Year) for a detailed listing of investments.

NOTE 5 FAIR VALUE MEASUREMENT

The Plan has adopted Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*. This framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 5 FAIR VALUE MEASUREMENT (CONTINUED)

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds – These funds are valued at the daily closing price reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust - Common collective trust are valued at fair value using the NAV as provided by the custodian. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets stated at fair value as of December 31, 2023 and 2022:

Investment Category	December 31, 2023			
	Level 1	Level 2	Level 3	Total

NOTE 5 FAIR VALUE MEASUREMENT (CONTINUED)

For the years ended December 31, 2023 and 2022, net appreciation (depreciation) in fair value of investments in registered investment companies (mutual funds) and the investment held in the common collective trust was the following:

	<u>2023</u>	<u>2022</u>
Mutual funds	\$ 7,355,018	\$ (10,569,698)
Common collective trust	<u>64,174</u>	<u>30,028</u>
Net appreciation (depreciation) in fair value of investments	<u>\$ 7,419,192</u>	<u>\$ (10,539,670)</u>

NOTE 6 FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's asset information as of December 31, 2023 and 2022, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by FMTC, the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the Plan's assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments, as reflected in the Statements of Net assets Available for Benefits as of December 31, 2023 and 2022;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2023 and 2022;
- Investment information disclosed in Notes 4 and 5 to the Plan's financial statements; and
- Investments, as reflected in Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023.

NOTE 7 RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds and common collective trust managed by Fidelity Investments Institutional Operations Company (FIIOC). FIIOC is related to Fidelity Workplace Services, LLC (FWS), the Plan record-keeper, and FMTC, the Plan trustee. Therefore, transactions among these entities qualify as party-in-interest transactions that are exempt under ERISA. Fees paid by the Plan to the trustee amounted to \$19,746 and \$13,226 for the years ended December 31, 2023 and 2022, respectively.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their account.

NOTE 9 RISKS AND UNCERTAINTIES

The Plan invests in various mutual funds and a common collective trust. These investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 NEW LAWS AND REGULATIONS

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE Act 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferral was expanded to 403(b) plans. For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods, for plan years beginning after December 31, 2024. The Plan will implement this legislative change and plans to formally execute the required plan amendments reflecting this implementation by the deadline, which is December 31, 2026.

NOTE 11 SUBSEQUENT EVENTS

Management has evaluated events or transactions that occurred subsequent to December 31, 2023 through October 4, 2024, the date the accompanying financial statements were available to be issued, for potential recognition or disclosure in the financial statements and determined that no subsequent events occurred that required disclosure or adjustments to the accompanying financial statements.
