INDEPENDENT AUDITOR'S REPORT

To the Plan Committee Members and the Plan Administrator of
Bartlit Beck LLP 401(k) Plan and Trust
Chicago, Illinois

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Bartlit Beck LLP 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income and Securities Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Bartlit Beck LLP 401(k) Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Bartlit Beck LLP 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bartlit Beck LLP 401(k) Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than the one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism through the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bartlit Beck LLP 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bartlit Beck LLP 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rule and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Bartlit Beck LLP 401(k) Plan and Trust
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE A--DESCRIPTION OF PLAN

The following description of the Bartlit Beck LLP 401(k) Plan and Trust (the "Plan") provides only general information. Users of the financial statements should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Bartlit Beck LLP (the "Firm"), except union employees, non-resident aliens, leased employees, or temporary and seasonal employees. The Plan is subject to the provisions of the Employee Retirement Income and Security Act of 1974 ("ERISA"). The Plan Committee Members and Plan Administrator are responsible for oversight of the Plan, determining the appropriateness of investment offerings, and monitoring investment performance.

The Plan was originally established January 1, 1994, was subsequently amended and restated January 1, 2016, and amended January 1, 2019. Effective January 1, 2022, the Plan was amended and restated to comply with IRS guidelines (see Note I). An eligible full-time employee will become eligible to participate on the first day of the month coinciding with or next following the employee's hire date with respect to elective deferrals, and after completing not less than 1,000 hours of service during their first twelve months of employment, or any subsequent Plan year, with respect to employer matching and non-elective contributions. An eligible part-time, temporary, or seasonal employee (employees whose regularly scheduled service is less than 1,000 hours) will become eligible to participate after completing not less than 1,000 hours of service with respect to elective deferrals, employer matching and non-elective contributions.

Contributions

Eligible participants may elect to contribute pre-tax deferred compensation and/or Roth deferred compensation to the Plan by means of a salary deferral agreement up to the maximum limit permitted by federal law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Salary deferral contributions are funded proximate to the withholding date. Participants may also contribute amounts representing distributions from other qualified plans in accordance with Plan provisions. Participants may also make in-service distributions solely for the purpose of making an in-plan Roth rollover contribution. Participants direct the investment of their contributions into various investment options offered by the Plan and may elect to change their investment options at any time.

The Firm may, at its discretion, make an annual matching contribution to eligible participants. Additional profit-sharing amounts may also be contributed at the discretion of the Firm's Managing Partner to eligible participants. At December 31, 2023, \$904,851 was authorized as a profit share contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution, if any, and allocations of (a) the Firm's matching and profit-sharing contributions, if any, and (b) Plan earnings or losses; (c) forfeitures of terminated participants' non-vested accounts, if any, and (d) charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant account balances or eligible compensation, as defined in the Plan's provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A--DESCRIPTION OF PLAN-continued

Investment Options

Upon enrollment in the Plan, participants direct their contributions into a variety of investment choices as more fully described in the Plan's literature. Participants may change their investment options at any time in accordance with Plan provisions. During any period in which there is no participant direction on file with the Plan as to the investment of a participant's account, 100 percent of that participant's account will be invested in the investment option designated from time to time by the Plan as the default investment. The Plan currently offers various registered investment companies and money market deposit accounts as investment options for participants.

Vesting

Participants are immediately vested in their contributions and rollover contributions plus actual earnings thereon. Participants who attain the normal retirement age of 65 or who terminate employment due to death or disability are 100 percent vested in their account balances.

Vesting in the Firm's discretionary matching and discretionary profit-sharing contributions, if any, is based on years of credited services as presented below. Participants who attain the normal retirement age of 65 or who terminate employment due to death or disability are still 100 percent vested in their account balances.

<u>Vesting Years of Service</u>	<u>Percentage Vested</u>
Less than 3	0%
3	100%

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. A participant may only have one loan outstanding at any time. The loans are secured by the participant's account balance and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. The interest rates applied to current loans outstanding range from 3.25 percent to 8.25 percent. Principal and interest are typically paid ratably through payroll deductions.

Payment of Benefits

Upon termination of employment due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum amount. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account in a lump-sum distribution.

NOTE A--DESCRIPTION OF PLAN-continued

Payment of Benefits-continued

Participants who have not separated from service may receive an in-service distribution provided the participant has attained age 59 ½. Participants may elect to receive hardship withdrawals prior to termination of employment from their deferral contribution account, as defined in Plan provisions.

Participants may also make in-service distributions solely for the purpose of making an in-plan Roth rollover contribution.

Forfeited Accounts

The Plan provides that the non-vested portion of the Firm's profit sharing or match contributions forfeited by terminated participants shall be applied first to pay Plan administrative expenses and then used to offset any future Firm discretionary contributions. There were no forfeitures used to offset Plan administrative expenses or Firm discretionary contributions to the Plan during the years ended December 31, 2023 and 2022.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan's management to use estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Committee Members and the Plan Administrator determine the Plan's valuation policies utilizing information provided by investment advisors and Charles Schwab Trust Bank (the "Custodian"). See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends, as applicable, are recorded on the ex-dividend date. Interest income is recorded on an accrual basis. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES-continued

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded at December 31, 2023 and 2022. Delinquent notes receivable from participants are reclassified as distributions in accordance with the Plan's provisions.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Firm. Expenses that are paid by the Firm are excluded from these financial statements. Fees related to distribution check reissuances, overnight charges and wire transfers are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation of the fair value of investments.

Subsequent Events

Management has evaluated subsequent events through September 20, 2024, which is the date the financial statements were available to be issued.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Bartlit Beck LLP 401(k) Plan and Trust
NOTES TO FINANCIAL STATEMENTS
December 31, 2023 and 2022

NOTE C--FAIR VALUE MEASUREMENTS-continued

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for Plan assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Level 1 Registered investment companies' value mutual funds at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Quoted prices in active markets for identical assets (Level 1)	Significant other observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Total Fair Value

NOTE D--INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Charles Schwab Trust Bank, the Custodian, as of December 31, 2023 and 2022. Accordingly, as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to such information certified by the Custodian as of December 31, 2023 and 2022 and for the year ended December 31, 2023.

Except for comparing such information as certified by the Custodian to information included in the Plan's financial statements and supplemental schedule, the Plan's independent auditors did not perform any auditing procedures on the certified information.

The following represents a summary of information certified by the Custodian as of December 31, 2023 and 2022 and for the year ended December 31, 2023.

	2023	2022
Cash	\$ 164,792	\$ 37,587
Shares of registered investment companies	83,707,322	68,810,679
Money market deposit accounts	2,037,368	1,920,009
	<u>\$ 85,909,482</u>	<u>\$ 70,768,275</u>

During the year ended December 31, 2023, the Plan's shares of registered investment companies, as certified by the Custodian, (including investments bought, sold and held during each year), appreciated in value by \$11,671,072. Dividends paid on registered investment companies were \$2,574,280 for the year ended December 31, 2023. Interest earned on the money market deposit accounts was \$37,812 for the year ended December 31, 2023.

NOTE E--RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by the Custodian. The Custodian is also the trustee for the Plan and, therefore, these transactions qualify as party in interest transactions.

A third-party administrator (the "Recordkeeper") performs administrative and recordkeeping services for the Plan. Annual advisory fees are paid through participant accounts based on the basis points and total Plan assets.

Certain employees of the Company provide administrative services for the Plan and are not reimbursed by the Plan for their services.

The Plan has a contract with an investment advisory company. Annual advisory fees are paid through participant accounts based on basis points and total Plan assets.

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, the Firm has the right to terminate the Plan and discontinue its contributions at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE G--TAX STATUS

On June 30, 2020, the Internal Revenue Service ("IRS") stated that the prototype plan document, subsequently adopted by the Plan, as then designed, qualified under section 401(k) of the Internal Revenue Code (IRC). The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator and the Plan's legal counsel believe that the Plan is designed and is currently operated in compliance with applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related Trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE H--RISKS AND UNCERTAINTIES

The Plan's assets are invested directly and indirectly in stocks, bonds, and other investments which are purchased or managed by the Custodian. These investments are exposed to various risks, such as interest rate, market, and credit risks. The Plan's assets are also subject to changes in the value of those underlying investments, including the potential for bankruptcy of one or more of the companies in which they are invested.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

The participants who have borrowed from the Plan are all employees of the Firm in the Chicago, Illinois and Denver, Colorado areas, and their ability to repay the loans could be affected by the economic conditions in both the Chicago and Denver metropolitan areas or the economic situation of the Firm itself.

NOTE I--PLAN AMENDMENTS

Effective January 1, 2022, the Plan was amended and restated to comply with the IRS requirement for employers to restate pre-approved Plan documents every six years.
