INDEPENDENT AUDITOR'S REPORT

September 26, 2024

To the Plan Administrator of the
24 Seven, LLC 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of 24 Seven, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for at least one year following the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

INDEPENDENT AUDITOR'S REPORT

(Continued)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – December 31, 2022 Financial Statements

Predecessor auditors performed an audit of the December 31, 2022 financial statements of the Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 16, 2023, indicated that (a) the amounts and disclosures in the December 31, 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the December 31, 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the December 31, 2022 supplemental schedule(s), other than the information in the December 31, 2022 supplemental schedule(s) that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the DOL Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the December 31, 2022 supplemental schedule(s) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

24 SEVEN, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. DESCRIPTION OF THE PLAN

The following description of the 24 Seven, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the following companies (collectively, the "Company"):

- 24 Seven, LLC, the Plan sponsor
- 24 Seven Staffing, LLC
- 24 Seven Talent of California, LLC
- 24 Seven Recruiting, LLC
- Sage Consulting Associates, LLC ("Sage")
- Creatis, Inc. ("Creatis")
- Antenna, LLC ("Antenna")
- Simplicity Consulting, LLC ("Simplicity")
- 24 Seven Minnesota, LLC ("Minnesota")

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by the Company. Voya Retirement Insurance and Annuity Company ("Voya") is the custodian and provides record-keeping services for the Plan. From the period January 1, 2022 to November 15, 2023, Reliance Trust Company ("RTC") served as the custodian of certain Plan assets for the Simplicity participants and Transamerica Retirement Solutions, LLC ("TRS") served as the recordkeeper. During November 2023, Plan assets totaling approximately \$8,624,000 were transferred from RTC to Voya.

On January 1, 2019, 24 Seven Staffing, LLC, 24 Seven Talent of California, LLC and 24 Seven Recruiting, LLC, merged into 24 Seven, LLC to form a single company. The Plan was not amended to reflect this merger as there was no effect on the Plan and 24 Seven, LLC remains the Plan sponsor.

On December 30, 2020, Sage Consulting Associates, Inc. 401K Plan & Trust, an affiliated plan, was merged into the Plan.

Effective July 1, 2023, 24 Seven Minnesota, LLC was formed and became a participating employer. As a result, Creatis and Antenna discontinued their participation in the Plan and are no longer participating employers in the Plan. Participants from Creatis and Antenna were merged into 24 Seven Minnesota, LLC.

On September 13, 2023, the Plan was amended to evidence the retroactive adoption of the Plan for the mergers into this Plan by the participating employers of Creatis (effective June 2, 2022), Antenna (effective December 21, 2022) and Simplicity (effective December 31, 2022), as well as retroactively adding an eligibility waiver to allow the eligible employees to enter the Plan in order to match the actual operations of the Plan.

Employees who have completed 500 hours of service within the first six months and are age 21 or older are eligible to participate in the Plan. Participants may enter the Plan each January 1 and July 1 after meeting the eligibility requirements.

1. DESCRIPTION OF THE PLAN (Continued)

Contributions

Participants may contribute up to 100% of pre-tax annual compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. In addition, participants may contribute up to 100% of after-tax compensation, as defined by the Plan. In no event may participant pre-tax and after-tax contributions ("Elective Deferrals") exceed any statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company makes safe harbor matching contributions to the account of each eligible participant in an amount equal to the sum of 100% of the amount of the participant's Elective Deferrals that do not exceed 3% of the participant's compensation, plus 50% of the amount of the participant's Elective Deferrals that exceed 3% of the participant's compensation but do not exceed 5% of the participant's compensation.

Participant Accounts

Participants direct the investment of all contributions into various investment options offered by the Plan. Participants may change their investment options any time. Each participant's account is credited with his or her contributions, Company matching contributions and actual earnings and losses thereon. Participant accounts may be charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, safe harbor contributions, plus actual earnings thereon.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%, as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lumpsum distribution or leave all or part of his or her vested account in the Plan and defer receipt of his or her benefits, unless the account balance does not exceed \$5,000. If the account balance does not exceed \$5,000, the entire vested balance will be paid to the participant in a single lump-sum distribution as soon as practical without regard to the consent of the participant.

1. DESCRIPTION OF THE PLAN (Continued)

In-Service Withdrawals

Participants may elect disbursement of all or part of their vested account balance upon the attainment of age 59 ½. Participants may also withdraw any of their rollover contribution balance at any time.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from elective deferral accounts. All hardship withdrawals must comply with specific rules relating to hardships, which are uniformly applicable to all participants.

Forfeitures

Forfeitures relate to an overpayment from a prior year. Forfeited nonvested accounts may be used to reduce future Company contributions or pay Plan expenses. For both of the years ended December 31, 2023 and 2022, there were no forfeitures used to reduce Company contributions and there were no forfeitures used to pay Plan expenses. Forfeited nonvested accounts available at December 31, 2023 and 2022 were \$62,922 and \$20,982, respectively.

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, each participant's account will become fully vested.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Investments and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Fair Value Measurements - Definition and Hierarchy

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

The Plan uses various valuation techniques in determining fair value. Financial Accounting Standards Board *Accounting Standards Codification 820* (ASC 820) establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements - Definition and Hierarchy (Continued)

The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement.

A description of where the Plan's investments fall within the hierarchy is provided in Note 4.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy is determined based on the least reliable input that is significant to the fair value measurement.

Benefit Payments

Benefit payments are recorded when paid.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in the net appreciation (depreciation) of the fair value of investments.

Risks and Uncertainties

Investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investment securities and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in values in the near term would materially affect participants' account balances and the amount reported in the accompanying financial statements.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Voya for the period January 1, 2022 to December 31, 2023; and by RTC for the period January 1, 2022 to November 15, 2023:

	<u>2023</u>	<u>2022</u>
Investments, at fair value	<u>\$ 40,233,928</u>	<u>\$ 29,629,348</u>
Investments, at contract value	<u>\$ 803,275</u>	<u>\$ 980,205</u>
Investment income (loss)	<u>\$ 6,125,295</u>	<u>\$ (4,007,794)</u>
Schedule of Assets (Held at End of Year)	Schedule I (except "notes receivable from participants")	

4. FAIR VALUE MEASUREMENTS

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts, at net asset value (a)	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 40,233,928</u>

The Plan's assets at fair value, within the fair value hierarchy, are as follows at December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 8,576,528</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,576,528</u>
Pooled separate accounts, at net asset value (a)				<u>21,052,820</u>
				<u>\$ 29,629,348</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value ("NAV") per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used during the years ended December 31, 2023 and 2022.

Pooled separate accounts: valued at fair value using the NAV per share practical expedient. The pooled separate accounts are valued using Accumulation Unit Value (AUV). AUV represents the underlying fund's daily performance, plus any applicable dividend income, less the daily separate account charge.

4. FAIR VALUE MEASUREMENTS (Continued)

Pooled separate accounts (Continued): The investment strategies of the pooled separate account funds are to invest in underlying funds with the goal of producing favorable long-term returns and growth, depending on the overall fund objectives. There are no restrictions on redemption of the pooled separate accounts. There are no unfunded commitments.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

Voya Fixed Account (4634)

The Plan entered into a fully benefit-responsive guaranteed investment contract with Voya. The Plan's total interest in this contract was \$803,275 and \$666,737 as of December 31, 2023 and 2022, respectively. Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 1 percent. The crediting rate is reviewed on an annual basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Transamerica Stable Value Focus Option

For the year ended December 31, 2022, Plan assets included a fully benefit-responsive investment contract with Transamerica Life Insurance Company ("Transamerica") through the Transamerica Stable Value Focus Option ("Stable Value Investment"). Transamerica maintained the contributions in their general account. Assets in the general account were supported by the financial stability of Transamerica. While Transamerica was contractually obligated to repay the principal and a specified interest rate that was guaranteed to the Plan, any guarantees were subject to the claims paying ability of Transamerica.

The contract met the fully benefit-responsive investment contract criteria and therefore, was reported at contract value. Contract value, as reported to the Plan by Transamerica, represented contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses. Participants were able to direct the withdrawal or transfer of all or a portion of their investment at contract value with no conditions, limits, or restrictions.

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANIES (Continued)

Transamerica Stable Value Focus Option (Continued)

Transamerica and the Plan's management were not aware of events that would limit the ability of participants to transact at contract value.

Prior to January 1st and July 1st of each year, the effective annual rate of interest was established for the corresponding six-month period. Interest was credited, based upon the daily balance, at a rate that was the daily equivalent of the effective annual rate of interest applicable for the six-month period. There was no stated minimum or maximum interest rate for the Stable Value Investment.

The Plan's assets at contract value are as follows at December 31:

	<u>2023</u>	<u>2022</u>
Voya fixed account	\$ 803,275	\$ 666,737
Transamerica stable value focus option	<u>-</u>	<u>313,468</u>
Total	<u>\$ 803,275</u>	<u>\$ 980,205</u>

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

6. INCOME TAX STATUS

On January 1, 2022, the Plan adopted a Non-Standardized Pre-Approved Profit Sharing/Money Purchase/ Cash or Deferred Arrangement ("CODA") sponsored by FIS Business Systems LLC. On June 30, 2020, the Internal Revenue Service ("IRS") stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with all applicable requirements of the IRC and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the tax determination letter. However, the Plan administrators believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan administrators believe that the Plan is qualified and the related trust is tax-exempt and no provision for income taxes has been included in the Plan's financial statements.

7. PARTY-IN-INTEREST TRANSACTIONS

RTC served as the custodian of certain Plan investment assets for the period January 1, 2022 to November 15, 2023. Voya served as the custodian of the Plan's investment assets for the period January 1, 2022 to December 31, 2023. As such, transactions between the custodians qualify as party-in-interest transactions. Additionally, Plan assets consist of notes receivable from participants, which qualify as party-in-interest transactions.

Plan investments include pooled separate accounts and a guaranteed investment contract managed by Voya, the custodian of the Plan. Therefore, transactions involving these securities qualify as party-in-interest transactions. In addition, transactions involving notes receivable from participants qualify as party-in-interest transactions.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain classifications may differ between the financial statements and Form 5500. However, net assets available for benefits and changes in net assets available for benefits per the financial statements agreed to Form 5500 in total as of and for the years ended December 31, 2023 and 2022.

9. TRANSFER FROM RELATED PLANS

During 2022, the Plan sponsor merged three 401(k) plans into the Plan; Creatis Inc. 401(k) Plan & Trust, Antenna Retirement Plan and Simplicity Consulting, LLC 401(k) Plan. The total of these plans' assets that were transferred into the Plan was \$11,615,453, which is reported as transfers from related plans in the statement of changes in net assets available for benefits for the year ended December 31, 2022.

10. SUBSEQUENT EVENTS

Subsequent events have been evaluated through September 26, 2024, which is the date the financial statements were available to be issued.
