FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

INDEPENDENT AUDITOR'S REPORT

Board of Trustees
I.A.T.S.E. Local 33 Section 401(k) Plan
1200 Wilshire Boulevard, 5th Floor
Los Angeles, California 90017

Members of the Board:

Opinion

We have audited the accompanying financial statements of I.A.T.S.E. Local 33 Section 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in its net assets available for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

I.A.T.S.E. LOCAL 33 SECTION 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the I.A.T.S.E. Local 33 Section 401(k) Plan (the "Plan") is provided for general information purposes only. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. General

The Plan is a defined contribution plan covering substantially all participating members under the collective bargaining agreement of I.A.T.S.E. Local Unions 33, 706, 768, 800 and 857. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The administration of the Plan is performed by Benefit Programs Administration under the joint control of union and management trustees. Plan funds are held by Principal Financial Group (the "Custodian").

B. Contributions

Participating employers make contributions on behalf of the participants under the terms of their collective bargaining agreement. Participants may voluntarily make contributions of up to 100% of pretax base compensation, as defined in the Plan. Participants may also rollover amounts representing distributions from other qualified plans. Contributions are subject to Internal Revenue Code ("IRC") limitations.

C. Participant Accounts

Each participant's account is credited with the participant's contributions, rollover contributions, employer contributions, and allocations of Plan earnings. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants select their investment options and may change their investment options at any time.

D. Vesting

Participants are immediately vested in all contributions and earnings thereon.

E. Notes Receivable from Participants

The Plan allows participants to borrow not less than \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant's vested account balance, bears interest at available market financing rates and must be repaid to the Plan in five years unless the loan is used for the purchase of a principal residence, in which case the maximum repayment period is 15 years. The Plan administrator establishes the specific terms and conditions of loans to participants. Notes receivable from participants at December 31, 2023 carry interest rates ranging from 4.25% to 9.50%.

F. Payments of Benefits

Upon termination of service due to death, disability, retirement or early retirement, as defined in the Plan document, a participant may elect to receive a distribution of his or her vested account balance in a lump-sum amount. The Plan allows for hardship distributions, as defined in the Plan document. Withdrawals by terminating participants are based upon the vested balance in their individual account at the time of termination and are recorded in the year of distribution.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Contributions Receivable

Contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for estimated uncollectible accounts.

D. Employer Payroll Compliance

Remittance reports were accepted as submitted, without examination or verification of employers' payroll records. The system of internal control provides for examination of employers' records under a separate payroll compliance program.

E. Investments

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market.

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on recurring basis as of December 31, 2023:

	December 31, 2023			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 74,283,811	\$ -	\$ -	\$ 74,283,811
Total Assets in Fair Value Hierarchy	<u>\$ 74,283,811</u>	<u>\$ -</u>	<u>\$ -</u>	74,283,811
Assets Measured at Net Asset Value ^A				<u>206,873,498</u>
				<u>\$ 281,157,309</u>

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

E. Investments (Continued)

The following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2022:

	December 31, 2022			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 62,546,310	\$ -	\$ -	\$ 62,546,310
Total Assets in Fair Value Hierarchy	<u>\$ 62,546,310</u>	<u>\$ -</u>	<u>\$ -</u>	62,546,310
Assets Measured at Net Asset Value ^A				<u>170,727,784</u>
				<u>\$ 233,274,094</u>

A In accordance with ASC 820, investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consist of mutual funds actively traded on a national exchange and valued at quoted market prices. Pooled separate accounts and common/collective trusts are direct filing entities valued at net asset value. Shares can be redeemed any time at net asset value; there are no restrictions on redemptions or unfunded commitments to purchase additional shares of the pooled separate accounts and common/collective trusts.

Unrealized appreciation or depreciation in the fair value of investments is reported at net appreciation (depreciation) of investments. Investment income (loss), realized gains and losses on sale of investments, and other investment income and expenses are reported on the accrual basis.

F. Tax-Exempt Status

No provision for federal or state income tax is made. The Internal Revenue Service has determined and informed the Plan by letter dated September 18, 2015 that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Plan's counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

G. Administration

Benefit Programs Administration administers the Plan for the following fees:

Monthly Administrative Fee	\$7,000
Per Monthly Reported Participant	\$1.75

NOTE 3 - INVESTMENT CONTRACT

The Plan has entered into a fully benefit-responsive investment contract with Principal Life Insurance Company (Principal Life), which is an investment option under the Plan. The investment contract is credited with earnings on the underlying investments and charged for the Plan withdrawals and transaction fees charged by Principal Life. The investment contract is contractually obligated to repay the principal and a specified interest rate that is guaranteed by the Plan.

Contract value, as reported in the Plan's financial statements, represents contributions made under the contract, plus earnings, less withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include termination of the contract, spin-offs, divestitures, layoffs, partial or total plan termination, retirement incentive programs, and the liberalization of plan withdrawal or transfer rules. The Plan administrator does not believe that the occurrence of any such event, limiting the Plan's ability to transact at contract value with participants, is probable.

NOTE 4 - PLAN TERMINATION

Although there has been no expressed intent to do so, the Plan may be terminated in accordance with the provisions of ERISA (as amended) and related regulations. The Plan document contains detailed information regarding priorities in the event of Plan termination.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks such as interest rate, market fluctuations and credit risks. Due to the risks associated with investment securities, it is at least reasonably possible that changes in market values, interest rates or other factors in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

NOTE 6 - RELATED PARTY TRANSACTIONS

Certain investments held by the Plan are issued and managed by Principal Life or its affiliates. Any purchases and sales of such investments are performed in the open market at fair value. Transactions related to these investments qualify as party-in-interest transactions; however, they are exempt from the prohibition under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

NOTE 7 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2023, various contributing employers did not remit participant contributions in the time period specified in the collective bargaining agreement. Failure to remit participant contributions in a timely manner constitutes a prohibited transaction under Department of Labor regulations. During the year ended December 31, 2023, the late remittances totaled \$290,775.

NOTE 8 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 4, 2024, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
