Report of Independent Auditor

To the Plan Administrator and Participants
Insight Sourcing Group, Inc. 401(k) Profit Sharing Plan
Norcross, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Insight Sourcing Group, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023, and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INSIGHT SOURCING GROUP, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1—Description of the plan

The following description of the Insight Sourcing Group, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan sponsored by Insight Sourcing Group, Inc. (the “Company” or “Employer”). The Plan covers all employees, except certain union employees, nonresident aliens, and self-employed individuals. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Administration – The Plan is administered by the Company, which serves without compensation. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. The Plan administrator has outsourced the recordkeeping function to Voya Retirement Insurance and Annuity Company, which is a qualified institution and also serves as the plan's custodian (“Voya”, “Recordkeeper”, “Custodian”, or “qualified institution”).

Eligibility – There is no age or service requirement for elective deferrals or employer safe harbor contributions. However, employees must be at least 21 years of age and have completed one year of service, as defined by the Plan Agreement, in order to receive any employer discretionary matching or discretionary profit sharing contributions.

Investment Options – Upon enrollment in the Plan, a participant may direct contributions into various investment options offered by the Plan. Participants may change their investment options at their discretion.

Contributions – Participants may elect to contribute up to 100% of their compensation as a pre-tax deferral or Roth deferral subject to certain Internal Revenue Code (“IRC”) limitations. The sum of participants pre-taxes, and Roth contributions is subject to the annual limitation of \$22,500 for the year ended December 31, 2023. Participants who have attained age 50 or older before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans.

The Company makes safe harbor contributions equal to 3% of employee compensation. The Company may also make discretionary matching and discretionary profit-sharing contributions. Employees must be employed at the end of the Plan year to receive discretionary profit-sharing contributions. For the year ended December 31, 2023, the Company did not make any discretionary matching or discretionary profit-sharing contributions.

Participant Accounts – Each participant's account is credited with the participant's contributions, the Company's contributions, and an allocation of Plan earnings and is charged for withdrawals and an allocation of Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants – Notes receivable from participants are not permitted under the Plan.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1—Description of the plan (continued)

Vesting – Participants are immediately vested in their contributions, safe harbor contributions, and actual earnings thereon. Participants will fully vest in discretionary matching contributions, discretionary profit-sharing contributions, and actual earnings thereon after six years as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Distributions – Vested amounts contributed through salary/wage reductions may be withdrawn by or distributed to a participant only upon (1) termination of service, (2) death, (3) disability, (4) retirement, or (5) a hardship distribution. Upon proof to the satisfaction of the Employer of an immediate and heavy financial need, amounts contributed may be withdrawn for hardship purposes. Hardship withdrawals cannot be taken out of any contributions made by the Employer. Certain income tax penalties may apply to withdrawals or distributions prior to retirement.

Hardship Distribution – A participant who is experiencing a financial hardship, as defined in the Plan document, may request a withdrawal of all or any portion of such participant's salary deferral contributions, excluding earnings and Rollovers, if any.

Forfeited Accounts – Forfeitures are retained in the Plan and will be used to reduce administrative expenses under the Plan or reduce future Employer contributions to the Plan. As of December 31, 2023, and 2022, forfeited nonvested accounts were \$5,203 and \$4,964, respectively. During the year ended December 31, 2023, no amount was used to reduce administrative expenses or Employer contributions.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Note 2—Summary of significant accounting policies

Basis of Accounting – The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties – The Plan's investment securities are subject to various risks, such as interest rate, market, and credit. Due to the levels of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the financial statements.

INSIGHT SOURCING GROUP, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 2—Summary of significant accounting policies (continued)

Investment Valuation and Income Recognition – Investments in the Plan are reported at fair value, except for the fully benefit-responsive investment, which is reported at contract value. U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to the fully benefit-responsive investment contract because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized and unrealized gains and losses on investments bought and sold, as well as held, during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned daily and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Fair Value Measurements – The Plan follows the *Fair Value Measurement Topic* of the Financial Accounting Standards Board's Accounting Standards Codification 820, which defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value.

The standard describes three levels in inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodology used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodology used as of December 31, 2023 and 2022.

Money Market Funds, and Mutual Funds – These investments are valued at the net asset value ("NAV") of shares held by the Plan at year-end. NAV is a quoted price in an active market and is classified within Level 1 of the valuation hierarchy.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 2—Summary of significant accounting policies (continued)

Guaranteed Investment Account – In accordance with U.S. GAAP, contract value is the relevant measurement for that portion of the net assets available for benefits attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan's guaranteed investment account promises contract value for a benefit event (death, certain retirement income payments, separation from service, hardship, and small account balances) with no conditions, limits, or restrictions that were considered probable of occurring. Therefore, the guaranteed investment account is considered fully benefit-responsive and recorded at contract value.

Contributions Receivable – Any participant-related contributions that have been deducted from the participant's payroll as of the end of the year but that have not been deposited with the Plan until after the end of year are reflected as participant contributions receivable in the accompanying financial statements. In addition, any contributions due and payable by the Company are reflected as Employer contributions receivable in the accompanying financial statements.

Payment of Benefits – Benefits payments are recorded as deductions from the net assets when they are approved for payment and paid by the Plan.

Recently Issued Accounting Pronouncements – Plan management is not aware of any recently issued accounting pronouncements that would have a material impact on the Plan's financial statements.

Note 3—Information prepared and certified by the plan's recordkeeper (unaudited)

The Company has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Voya, the recordkeeper, and custodian has certified that the following information included in the accompanying financial statements is complete and accurate:

- Investments, at fair value and fully benefit responsive investment contract at contract value in the accompanying statements of net assets available for benefits as of December 31, 2023, and 2022.
- Net appreciation of investments and interest and dividend income from investments in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023.

INSIGHT SOURCING GROUP, INC. 401(k) PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 4—Fair value of financial investments

See *Fair Value Measurements* in Note 2 for discussions of the methodologies and assumptions used to determine fair value of the Plan's investments. The Plan's financial instruments carried at fair value on a recurring basis by the fair value hierarchy levels described in Note 2 as of December 31, 2023 and 2022 are as follows:

2023				
	Level 1	Level 2	Level 3	Fair Value
Mutual funds	\$ 29,280,883	\$ -	\$ -	\$ 29,280,883
	<u>\$ 29,280,883</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 29,280,883</u>
2022				
	Level 1	Level 2	Level 3	Fair Value
Mutual funds	\$ 21,874,405	\$ -	\$ -	\$ 21,874,405
	<u>\$ 21,874,405</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,874,405</u>

Note 5—Guaranteed investment contract

The Voya fixed account is a fully benefit-responsive investment contract and is reported at contract value. Contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by the qualified institution, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Contributions to Voya under this contract are maintained in a general account that is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. There are no reserves against contract value for credit risk. The crediting interest rate is determined on a monthly basis by an actuarial formula, as designated by the qualified institution. The crediting interest rate is subject to a guaranteed minimum floor, as defined on an annual basis by the Trustee. The floor rate was 1% as of December 31, 2023. The average yield and crediting interest rate were approximately 1.5% for 2023.

Note 6—Parties-in-interest

Voya is the qualified institution, and Loren D. Stark Company is the third party administrator as defined by the Plan and, therefore, transactions occurring between the Plan and these entities qualify as party-in-interest transactions. Certain administrative fees are deducted from the Plan assets by the qualified institution. Total administrative fees paid to the qualified institution, third party administrator and advisors of the Plan for the year ended December 31, 2023 were \$16,510.

INSIGHT SOURCING GROUP, INC. 401(k) PROFIT SHARING PLAN

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 7—Plan termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, the assets of the Plan will be distributed to the participants in accordance with the Plan provisions.

Note 8—Tax status

The Company adopted a volume submitter profit sharing plan which received a favorable opinion letter from the IRS on November 30, 2020, which stated that the volume submitter profit sharing plan is designed in accordance with applicable sections of the IRC. Although the Plan has not obtained an individual determination letter, the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC and has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9—Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near future and that such changes could materially affect participants' account balances and the amounts reported in the financial statements and supplemental schedule.

Note 10—Subsequent events

The Plan has evaluated subsequent events for potential recognition and disclosure through August 22, 2024, the date the financial statements were available to be issued.

On February 20, 2024, Insight Sourcing Group, Inc. sold all membership interests of the Company to a third-party. Effective on that date, all employee and employer contributions into the Plan were ceased. The Plan has not determined as of the report date that the Plan will be terminated.

On April 9, 2024, SpendHQ, LLC, a subsidiary of the Plan Sponsor until it was sold to a third party on July 11, 2022, transferred net assets of \$3,194,732 into a newly formed plan.
