Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of Urethane of Kentuckiana, Inc. 401(k)/Profit Sharing Plan and Trust Agreement (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements (2023 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from qualified institutions as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section:

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2023 financial statements.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2023 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Prior Period Financial Statements

The financial statements as of and for the year ended December 31, 2022, were audited by Strothman and Company who merged with LBMC, PC as of November 1, 2023. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, their audit did not extend to any statements or information related to assets held for investment of the Plan that were certified by a qualified institution. In their report dated July 28, 2023, Strothman and Company indicated that in their opinion (a) the amount and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with GAAP, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

Urethane of Kentuckiana, Inc. (the "Company") is a commercial roofing contractor with over forty years of experience that sells and services roofing products throughout the continental U.S. The Urethane of Kentuckiana, Inc. 401(k)/Profit Sharing Plan and Trust Agreement (the "Plan") covers Urethane of Kentuckiana, Inc. (d/b/a Insulated Roofing Contractors).

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General--The Plan is a defined contribution plan. The 401(k)/profit sharing portion of the Plan covers all employees of the Company, except union employees and non-resident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility--An employee shall become a Participant in the Plan as of the first pay date of the first calendar quarter that begins after the Employee's employment date.

The Prevailing Wage Rate portion of the Plan covers all employees who perform services under a Prevailing Wage Contract except highly compensated and key employees. There is no minimum age requirement to participate in this portion of the Plan and participants are members of the Plan effective on their date of hire.

Contributions--Employees may contribute up to 100% of their pre-tax annual compensation, an after-tax Roth Elective contribution, or a combination of both, as defined by the Plan, through a salary reduction program. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Company may make discretionary matching contributions which are determined annually by management. The Company made matching contributions of \$280,685 and \$246,299 for the years ended December 31, 2023 and 2022, respectively. Contributions are subject to certain statutory limitations.

Employer Prevailing Wage Rate contributions vary according to each individual contract and the applicable Prevailing Rate Schedule for that city and state. Participant contributions are not permitted in the Prevailing Wage Rate portion of the Plan. The Company made Prevailing Wage Rate contributions of \$91,737 and \$296,137 the years ended December 31, 2023 and 2022, respectively. The Company did not make any profit sharing or safe harbor contributions for the years ended December 31, 2023 and 2022.

401(k)/Profit Sharing Plan and Trust Agreement**

December 31, 2023 and 2022

1. Description of Plan--Continued

Investment Options--Participants direct the investment of their contributions and Company contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts as investment options for participants.

Participant Accounts--Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions, and (b) Plan earnings (losses) and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting--Participants are immediately vested in their voluntary contributions, prevailing wage rate contributions, and actual earnings thereon. Participant rollover contributions from previous plans are fully vested. On termination of service due to death, disability or retirement, a participant is deemed fully vested in the Company matching portion of their account and related earnings. For termination of service for other reasons, vesting in the Company's matching portion of their accounts and the related earnings is based on continuous years of service as follows:

<u>Service Years</u>	<u>Vested Percentage</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants--Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at prime, 8.50% at December 31, 2023, plus 1%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits--A participant who has become entitled to receive payment of benefits due to death, retirement, disability, or termination may elect to receive either a lump-sum amount or annual installments over a specified period equal to the value of the vested interest in his or her account.

December 31, 2023 and 2022

1. Description of Plan--Continued

Hardship Withdrawals--The Plan allows participant to withdraw money for financial hardship if certain conditions are met as defined in the Plan document. These distributions are taxable and subject to a tax penalty equal to 10% of the hardship distribution amount if the participant is younger than age 59½. Hardship withdrawals are limited to the participant's vested account balance.

Forfeited Accounts--At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$6,035 and \$133 respectively. These amounts will be allocated to reduce employer's future contributions. Employer contributions were reduced by \$5,289 and \$17,929 for the years ended December 31, 2023 and 2022, respectively, from forfeited nonvested accounts.

Plan Termination--Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting--The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition--Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan's management determines the Plan's valuation policies utilizing information provided by the investment advisors.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants--Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

2. Summary of Significant Accounting Policies--Continued

Payment of Benefits--Benefits are recorded when paid.

Use of Estimates--The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Administrative Expenses--Certain expenses of maintaining the Plan are paid directly by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Revision of 2022 Financial Statements--As disclosed in the notes to the previously issued 2022 financial statements, those financial statements reflected the Plan's investment in pooled separate accounts were disclosed as a Level 2 investment in the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements*. During 2023, management decided to disclose the investment is held at net asset value (NAV) as a practical expedient to estimate fair value. For comparative purposes, the accompanying 2022 financial statements have been revised to disclose this investment as held at NAV. The revisions have no impact on the 2022 net assets available for benefits or change in net asset value available for benefits.

Events Occurring After Report Date--The Plan's management has evaluated events and transactions that occurred between December 31, 2023 and September 17, 2024, which is the date that the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

3. Certified Information

Certain information related to investments and notes receivable from participants reported and disclosed in the accompanying financial statements and schedule of assets (held at end of year) including the fair value of investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation (depreciation) in the fair value of investments, interest, dividends, and interest on participants notes receivable for the years ended December 31, 2023 and 2022, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by John Hancock Life Insurance Company for the period September 7, 2022 to December 31, 2022, and Empower Retirement, LLC for the period from January 1, 2022 to September 6, 2022.

4. Investments Measured at net Asset Value using the Practical Expedient

The Plan's investments in pooled separate accounts are measured at NAV as a practical expedient to estimate fair value, and therefore, have not been classified in the fair value hierarchy. There are no participant redemption requirements for these investments.

<u>Description</u>	<u>Fair Value 12/31/2023</u>	<u>Fair value 12/31/2022</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Pooled separate accounts	\$ 17,471,839	\$ 14,056,957	n/a	Daily	n/a

The Plan holds various pooled separate accounts that are not direct filing entities. A majority of these pooled separate accounts seek to mirror the investment objectives and strategies of the underlying mutual fund for which the pooled separate account is named. Certain other pooled separate accounts are target date funds which seek capital appreciation and current income consistent with asset allocation that become more conservative over time to the specified retirement date, and lifestyle funds which seek returns consistent with the stated investment style.

5. Related Party Transactions

Certain plan investments are shares of pooled separate accounts managed by John Hancock and, therefore, these transactions qualify as party-in-interest transactions under ERISA. As described in Note 1, the Plan paid expenses to various service providers which also qualify as party-in interest transactions. The Plan holds notes receivable from participants which also qualify as party-in-interest transactions.

6. Tax Status

The Plan has obtained a favorable determination letter dated August 19, 2014, in which the IRS stated that the Plan was in compliance with the applicable requirements of the IRC. The Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan has been amended since receiving the determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the financial statements.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
