LindFast Solutions Group 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the LindFast Solutions Group 401(k) Plan f/k/a Star Stainless Screw Co. Savings and Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefit as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and December 31, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H Line 4a – Schedule of Delinquent Participant Contributions and Schedule H Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to the Financial Statements

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

NOTE 1: PLAN DESCRIPTION

The following description of the LindFast Solutions Group (“the Company”) 401(k) Plan (“the Plan”) f/k/a Star Stainless Screw Co. Savings and Investment Plan provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all eligible employees of LindFast Solutions Group (the Company) who have reached the age of 18 years. It is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

The Plan is administered by Principal Trust Company. The plan was restated to be a Safe Harbor plan as of January 1, 2022. The Plan assets are held by Principal Trust Company.

Contributions

Participants may contribute on a pre-tax or after tax “Roth” basis, as defined in the Plan up to the maximum allowable under the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants are auto enrolled into the Plan immediately once they are an eligible employee and at least 18 years of age. Participants are auto enrolled at a deferral rate of 4%, which increases each year by 1% up to a maximum of 10%. A safe harbor matching contribution equal to 100% of employee’s first 4% of compensation deferred will be made by the Company. The Company may make discretionary nonelective contributions to the Plan. Additionally, discretionary matching contributions are permitted under the Plan. Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. Investment changes may be made on a daily basis by the employee. Contributions are subject to certain limitations.

Participant Accounts

Each participant’s account is credited or charged with the participant’s contribution and allocations of Company contributions, Plan earnings and certain specific Plan administrative expenses. Allocations are based on participant compensation or account balances, as defined. A participant is entitled to the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions and employer safe harbor contributions plus actual earnings thereon. Vesting in the Company’s discretionary nonelective contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after four years of credited service. Notwithstanding the above, a participant is fully vested upon reaching normal retirement age, death, or permanent disability. See the chart below for the vesting schedule:

NOTE 1: PLAN DESCRIPTION (Continued)

Vesting (Continued)

Effective for Employer Discretionary Contributions

<u>Years of Service</u>	<u>Vested %</u>
Less Than 3 Years	0%
More Than 3 Years	100%

Notes Receivable From Participants

Participants may borrow from their fund accounts at a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested balance, whichever is less. The notes are secured by the balance in the participant's account and bear interest at the prime rate as published by the Wall Street Journal on the effective date. Principal and interest is paid ratably through payroll deductions within 5 years unless for a principal residence loan.

Payment of Benefits

On termination of service due to death, disability, retirement, or termination, a participant may elect to receive a lump-sum equal to the value of the participant's vested interest in his or her account or annual installments over a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$24,695 and \$2,285, respectively. These accounts will be used to reduce future employer contributions and/or pay Plan expenses. During the year ended December 31, 2023, forfeitures were used to reduce employer safe harbor contributions by \$9,313. If an employee is rehired within five years and repays the funds to their account, then the nonvested funds will be restored.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)**

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. The interest rate for the loan will be the rate in effect in the month the loan is effective. The interest rate is the prime rate as published in the Wall Street Journal on the 14th each month, plus two percentage points. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2023 and 2022. Delinquent loans are treated as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Administrative fees, if any, incurred by the Plan may be paid by the Company, from the Plan, or both. Fees paid directly by the Company are excluded from these financial statements. The actual fees deducted from the participant's account, if any, will be reflected on the quarterly account statement and on the Plan's participant website. Specific fund administrative fees are paid by the individual participant.

Subsequent Events

The Plan has evaluated subsequent events through September 19, 2024, the date the financial statements were available to be issued. See Note 9.

LindFast Solutions Group 401(k) Plan f/k/a Star Stainless Screw Co. Savings and Investment Plan Notes to the Financial Statements

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

NOTE 3: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies: Registered Investment Companies (Mutual Funds) held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. They are valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled Separate Accounts: These investments are investment securities valued using the NAV provided by Principal Life Insurance Company. The pooled separate accounts generally provide for daily redemptions at reported net asset values per share, with no advance notice requirements. The NAV is quoted on a private market that is not active. The unit price is based on underlying investments which are traded on active markets with quoted market prices and investments not traded on active markets in which various methodologies and unobservable inputs are used to determine fair value.

Savings and Investment Plan
Notes to the Financial Statements**

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

NOTE 3: FAIR VALUE MEASUREMENTS (Continued)

Common/Collective Trust Funds: These investments are public investment securities valued using the NAV provided by Principal. The NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (issuance and redemptions) may occur daily. Were the Plan to initiate a full redemption of the Principal Stable Value Z Fund, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	2023		
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
			Total Fair Value

Total Assets Measured at Net Asset Value				\$ 2,711,996
Investments at Fair Value				\$ 33,216,798

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2023	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period

NOTE 3: FAIR VALUE MEASUREMENTS (Continued)

<u>December 31, 2022</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (If Currently Eligible)</u>	<u>Redemption Notice Period</u>
Pooled Separate Accounts	\$ 541,759	N/A	Daily	None
Common/Collective Trusts	\$ 2,170,237	N/A	Daily	None

The investment objectives and underlying investments of the common/collective trusts and pooled separate accounts vary. A summary of the Plan's currently held common/collective trusts and pooled separate accounts is as follows:

The investment objective for the common/collective trusts is to provide preservation of capital, relatively stable returns consistent with its comparatively low risk profile, and liquidity for benefit responsive plan or participant payments.

The investment objectives for the pooled separate account is to seek long-term growth of capital. The fund normally invests at least 80% of its net assets, plus any borrowings for investment purposes, in equity securities of companies with large market capitalizations at the time of purchase. The funds invest in growth equity securities, an investment strategy that emphasizes buying equity securities of companies whose potential for growth of capital and earnings is expected to be above average. The fund is non-diversified.

NOTE 4: INFORMATION CERTIFIED BY THE TRUSTEE

The following is a summary of the Plan's asset information as of December 31, 2023 and 2022, and for the year ended December 31, 2023 included throughout the Plan's financial statements and supplemental schedules, that was prepared by or derived from information provided by trustee, Principal Trust Company, and furnished to the Plan administrator. The Plan administrator has obtained certification from the trustee as of and for the year ended December 31, 2023, and that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate.

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

NOTE 4: INFORMATION CERTIFIED BY THE TRUSTEE (Continued)

Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedules related to the following assets:

	<u>2023</u>	<u>2022</u>
Certified by Principal Trust Company		
Registered Investment Companies	\$ 43,871,234	\$ 30,504,802
Common/Collective Trusts	3,983,076	2,170,237
Pooled Separate Accounts	<u>1,039,278</u>	<u>541,759</u>
	<u>\$ 48,893,588</u>	<u>\$ 33,216,798</u>

Principal Trust Company certified to the completeness and accuracy of \$5,810,373 of net appreciation in fair value of investments and \$841,500 in dividends for the year ended December 31, 2023.

NOTE 5: PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6: TAX STATUS AND PLAN AMENDMENTS

The Plan was amended as of January 1, 2023 using the Principal Financial Group 401(k) Volume Submitter Plan. The prototype plan has received an opinion letter dated June 30, 2020 from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code therefore believes that the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

Savings and Investment Plan
Notes to the Financial Statements**

As of December 31, 2023 and 2022 and for the Year Ended December 31, 2023

NOTE 6: TAX STATUS AND PLAN AMENDMENTS (Continued)

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the U.S. federal, state, or local tax authorities. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to 2020.

NOTE 7: RISKS, CONCENTRATIONS, AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan offers a diversified selection of investments through a portfolio containing a wide variety of investments that fit the particular investment strategy and targeted composition. As of December 31, 2023 and 2022, concentrations of the Plan's investments in excess of 10% of the total fair value of all investments consisted of two funds representing 34% and two funds representing 45%, respectively.
