INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Crowne Plaza Foster City 401(k) Plan
Foster City, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Crowne Plaza Foster City 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to Section 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with Section 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) at December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CROWNE PLAZA FOSTER CITY 401(k) PLAN

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Crowne Plaza Foster City 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan Sponsor is Crowne Plaza Foster City.

General: The Plan is a voluntary defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code of 1986 (IRC). It covers substantially all U.S. employees of the Crowne Plaza Foster City and certain affiliated companies (the Plan Sponsor or Employer).

Eligibility: Employees may enter the Plan upon completion of one year of service and attainment of age 21. Entry dates are the first day of the Plan year, the first day of the fourth month of the Plan year, the first day of the seventh month of the Plan year, and the first day of the tenth month of the Plan year following the date the employee meets the eligibility requirement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a single employer plan.

Contributions: The Plan allows participants to elect to have a portion of their compensation, as defined by the Plan, contributed on their behalf in lieu of receiving such amount as compensation. For the year ended December 31, 2023, the maximum amount of salary deferral was \$22,500. For participants age fifty or older, an additional catch-up provision of \$7,500 was allowed under the Plan during 2023. Participants may elect both pre-tax contributions and Roth contributions of their annual compensation, as defined in the Plan and subject to certain limitations under the Internal Revenue Code (IRC).

Discretionary Employer matching contributions are provided for in the Plan.

Participant Accounts: Each participant's account is credited with the participant and the Plan Sponsor's contributions and an allocation of Plan earnings. Investment income (loss) is allocated to each participant's account according to the number of units held. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately 100% vested in their elective deferrals, plus actual earnings thereon. Vesting in the Plan Sponsor's contributions plus actual earnings thereon is based on years of service. An employee must complete 1,000 hours of service during a plan year to receive credit for a year of service. Employees who die or are disabled are 100% vested. A participant is 100% vested after six (6) years of credited service. The vesting schedule is determined as follows:

<u>Years Of Service</u>	<u>Vesting Percentage</u>
Less than 1 year	0%
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits and Disposition of Forfeitures: On termination of service due to death, disability, or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the vested value of the participant's account, may transfer the vested value of their account to another retirement investment vehicle, or may choose to leave vested benefits exceeding \$5,000 in the Plan until April 1 of the year succeeding the year in which age 70-1/2 is attained. Premature payments may also be obtained, subject to the limitations imposed by the IRC. Terminated participants with vested account balances less than \$1,000 fall under the automatic cash out provisions which allow the Plan Sponsor to distribute the account balance within a certain period of time. Participants with account balances exceeding \$1,000, but less than \$5,000 will have their distributions rolled to an IRA in their name absent an election to take a lump sum distribution or roll to another plan or IRA.

Account balances forfeited under the vesting schedule may be used to pay Plan expenses and reduce Employer contributions. At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$3,670 and \$0, respectively. During the year ended December 31, 2023, approximately \$350 in forfeiture balances were used to reduce Employer contributions.

Investment Options: Upon enrollment in the Plan, a participant may direct both their employee and Employer contributions, in any of the investment options selected by the Plan. Participants may change their investment options at any time.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements have been prepared on an accrual basis and present the net assets available for benefits and changes in those assets.

Estimates: The preparation of the financial statements in conformity with generally accepted accounting principles of the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded in the ex-dividend date. Net realized and unrealized appreciation in fair value of investments consists of the change in unrealized appreciation during the year, and the realized gain or loss on the sale of investments during the year.

Administrative Expenses: The Plan's administrative expenses are paid by either the Plan or Plan Sponsor, as provided by the Plan document. Expenses directly attributable to a particular participant are allocated to and paid from that participant's account.

Payments of Benefits: Benefits are recorded when paid.

Subsequent Events: Plan management has evaluated subsequent events through October 8, 2024, the date the financial statements were available to be issued and has determined that no events or transactions require recognition or disclosure in these financial statements.

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 3. INFORMATION CERTIFIED BY THE CUSTODIAN

Information on the Plan's investment assets as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management, and agreed to or derived from information certified by John Hancock Life Insurance Company (U.S.A.) (John Hancock), the custodian of the Plan. The Plan Administrator has obtained a certification from John Hancock that information provided to the Plan Administrator by John Hancock related to the investment assets is complete and accurate. Accordingly, as permitted by Section 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the Plan's investment assets which appear throughout the financial statements and ERISA-required supplemental schedule.

NOTE 4. FAIR VALUE MEASUREMENTS

In accordance with the authoritative guidance on fair value measurements and disclosures, in conformity with accounting principles generally accepted in the United States of America, the Plan discloses the fair value of its investments in a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The fair value hierarchy is categorized into three (3) levels based on the inputs as follows:

- *Level 1* – Quoted prices in active markets for identical securities. When available, fair value is measured using Level 1 inputs. The fair value of the Plan's pooled separate accounts is determined using Level 1 inputs.
- *Level 2* – Other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment speeds, credit risk, etc.).
- *Level 3* – Used when Level 1 or Level 2 inputs were not available.

An asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, partially terminated, or if there is a complete discontinuance of contributions by the employer, all amounts credited to the accounts of participants shall vest and become non-forfeitable.

CROWNE PLAZA FOSTER CITY 401(k) PLAN

Notes to Financial Statements
December 31, 2023 and 2022

NOTE 6. FEDERAL INCOME TAXES

The Plan may rely on the opinion letter issued by the Internal Revenue Service (IRS) to the volume submitter sponsor by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan's policy is to recognize tax positions in the financial statements when it is more-likely-than-not the position will be sustained upon examination by the tax authorities. As of December 31, 2023 and 2022, the Plan had no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. As of December 31, 2023, the Plan's annual tax filings for the prior three (3) years are open for audit by the IRS.

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such investments. The Plan's provisions as well as those of ERISA and the participants' investment preferences dictate the Plan's concentrations of credit risk and market risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.

NOTE 8. PARTY IN INTEREST TRANSACTIONS

Various direct and indirect fees are paid to Plan administrators and service providers for Plan record-keeping, audit and investment management. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services as well as the majority of administrative services are included in net appreciation in fair value of investments. NOTE 9. OPERATIONAL DEFECT

For the year ended December 31, 2023, the Plan completed the required nondiscrimination and other compliance testing in September 2024. For the year ended December 31, 2022, the Plan completed the required nondiscrimination and other compliance testing in December 2023. Based on IRS guidelines, testing should be completed in the first quarter subsequent to year-end. The timely completion of nondiscrimination and other compliance testing is an annual requirement established by the Plan document in accordance with the IRC. Timely completion of the testing is necessary to maintain the Plan's tax-exempt status. The Plan Sponsor does not anticipate that the tax-exempt status of the Plan is at risk.
