**Independent Auditor's Report**

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of FairHoPe Hospice & Palliative Care, Inc. Profit Sharing & 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of FairHoPe Hospice & Palliative Care, Inc. Profit Sharing & 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of FairHoPe Hospice & Palliative Care, Inc. Profit Sharing & 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about FairHoPe Hospice & Palliative Care, Inc. Profit Sharing & 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted accounting standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of FairHoPe Hospice & Palliative Care, Inc. Profit Sharing & 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about FairHoPe Hospice & Palliative Care, Inc. Profit Sharing & 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**FAIRHOPE HOSPICE & PALLIATIVE CARE, INC.  
PROFIT SHARING & 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS**

**December 31, 2023 and 2022**

**NOTE A - DESCRIPTION OF PLAN**

The following description of FairHoPe Hospice & Palliative Care, Inc. Profit Sharing & 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

**General**

The Plan is a 401(k) Profit Sharing Plan covering all full-time employees of FairHope Hospice & Palliative Care, Inc. (the Organization) who have completed six months of service and have attained the age of 18. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Investment Options**

Upon enrollment in the Plan, a participant may direct employee contributions and employer matching and profit sharing contributions in any of the investment options offered by the Plan.

**Contributions**

Participants may contribute up to 75% of their compensation, within the salary deferral limitations imposed by Section 401(k) of the Internal Revenue Code (IRC). In 2023 and 2022, the employer made a discretionary matching contribution of 50% of the first 4% of compensation. They also made a discretionary profit sharing contribution based on a pro rata formula of each participants qualifying compensation to total compensation of all qualifying participants for the Plan year. The profit sharing contribution was 1% for the years ended December 31, 2023 and 2022.

**Participant Accounts**

Each participant's account is credited with the participant's contributions and an allocation of the Organization's contributions and Plan earnings. Allocations are based on participant earnings, compensation, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their account is based on years of continuous service, provided the deferral percentage tests are satisfied. A participant is 100% vested after five years of service. In the event that the participant becomes disabled or dies, or the Plan is terminated, a participant becomes 100% vested in their account balance regardless of years of service.

**Payments of Benefits**

On termination of service, a participant may elect to receive either a lump-sum amount or annual installments over a certain period.

**Forfeited Accounts**

Accounts forfeited by participants who terminate service prior to becoming fully vested are used to reduce employer contributions. Forfeitures used to offset employer contributions for the years ended December 31, 2023 amounted to \$0. Balances in the forfeiture account at December 31, 2023 and 2022 were \$1,700 and \$0, respectively.

**Participant Directed**

All investment funds contained in this Plan are self-directed by the participants.

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**December 31, 2023 and 2022**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following is a summary of significant accounting policies followed in the preparation of these financial statements. These policies conform to accounting principles generally accepted in the United States of America and have been applied on a consistent basis.

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with generally accepted accounting principles.

**Valuation of Investments and Income Recognition**

Plan investments are stated at estimated fair values. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

**Estimates**

Management uses estimates and assumptions in preparing these financial statements in accordance with U.S. generally accepted accounting principles. Those estimates and assumptions affect certain reported amounts and disclosures. Accordingly, actual result could differ from those estimates.

**Income Taxes**

The Internal Revenue Service (IRS) has determined and informed the Organization by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified and the related trust is tax-exempt.

**Subsequent Events**

Management evaluated all activity of the Plan through September 18, 2024, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition or disclosure in the financial statements or notes.

**NOTE C - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE**

**NOTE D - FAIR VALUE MEASUREMENTS**

FASB ASC 820 establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described in the table below:

**Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.**

**Level 2 – Inputs to the valuation methodology include:**

- **Quoted prices for similar assets or liabilities in active markets;**
- **Quoted prices for identical or similar assets or liabilities in inactive markets;**
- **Inputs other than quoted prices that are observable for the asset or liability;**
- **Inputs that are derived principally from or corroborated by observable market data by correlation or other means.**

**If the asset or liability has a specified (contractual) term, Level 2 input must be observable for substantially the full term of the asset or liability.**

**Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.**

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

- ***Money markets:*** Valued at amortized cost which approximates fair value and includes investments in high quality, short-term money market instruments which are issued and payable in US dollars. (Level 1)
- ***Mutual funds:*** Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. (Level 1)
- ***Common collective trust funds:*** Valued at Net Asset Value (NAV) per share as a practical expedient. In accordance with GAAP, since the common collective funds are measured using the NAV per share practical expedient, this fund is not classified in the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
