Independent Auditor's Report

Board of Trustees
Mosaic and Terrazzo Pension Fund

Opinion

We have audited the accompanying financial statements of the Mosaic and Terrazzo Pension Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in net assets available for benefits for the years ended December 31, 2023 and 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 15 through 18 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on page 19 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Independent Auditor's Report

Board of Trustees
Mosaic and Terrazzo Pension Fund

Opinion

We have audited the accompanying financial statements of the Mosaic and Terrazzo Pension Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022, and the changes in net assets available for benefits for the years ended December 31, 2023 and 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 15 through 18 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on page 19 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

Note 1 - Description of Plan and Significant Accounting Policies

The following description of the Mosaic and Terrazzo Pension Fund (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan first became effective September 1, 1950 and is a defined benefit pension plan established under an Agreement and Declaration of Trust pursuant to collective bargaining agreements between the Mosaic, Terrazzo and Chemical Product Decorative Finishers Mason Workers Association Local No. 7 of New York, New Jersey & Vicinity International Union of Bricklayers and Allied Craftsmen (the "Union") and various employers and employer associations in the mosaic and terrazzo industry in the states of New York and New Jersey. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Management has evaluated subsequent events through the date of the auditor's report, the date the financial statements were available to be issued.

Purpose

The purpose of the Plan is to provide retirement benefits to eligible participants.

Participation

A participant is a pensioner, beneficiary or individual on whose behalf contributions are required to be made to the Plan by an employer, subject to a collective bargaining agreement or a participation agreement. Employees of the fringe benefit funds are also participants of the Plan.

Benefits

In general, participants with five or more years vesting service are entitled to monthly pension benefits beginning at normal retirement age (65). The Plan permits early retirement at ages (62) and other forms of retirement based on age and years of credited service (pension credits).

Pension credits are based on earnings in covered employment. A participant may accumulate up to a maximum of eight quarters per year at 1/4 credit increments.

MOSAIC AND TERRAZZO PENSION FUND
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Benefits (cont'd)

Monthly pension benefits are based on credited service earned multiplied by the applicable benefit rate in effect.

For participants who retire on or after September 1, 2021 and for service pensioners in pay status as of September 1, 2021, the accrual benefit rate was increased to \$15 per quarter for service earned through 2020 and \$18 per quarter for service earned after 2020 provided there was no break in service on December 31, 2020. The monthly benefit payable to retirees and beneficiaries, excluding service pensioners, who retired prior to September 1, 2021, was increased by 5%.

Plan termination

The Trustees expect and intend to continue the Plan indefinitely, but reserve the right to amend or terminate it as provided for by the applicable Trust Agreement and Plan provisions, in accordance with applicable law. The Plan is insured by the Pension Benefit Guaranty Corporation ("PBGC"); however, the PBGC does not guarantee the payment of all benefits provided under the Plan. In addition, the PBGC guarantees apply only when the Plan becomes insolvent; that is, when available resources are insufficient to pay benefits under the Plan.

Basis of accounting

The financial statements are presented on the accrual basis of accounting.

Investment valuation and income recognition

The Plan's investments are stated at fair value. See "Fair value measurements" footnote for additional information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/(depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

MOSAIC AND TERRAZZO PENSION FUND
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Reciprocal agreements

The Plan is a party to reciprocal agreements with other pension funds of the Bricklayer and Allied Craft Trade Unions.

Administrative expense allocation

The administrative office is occupied by the Plan and various related organizations. Certain expenses not specifically applicable to a particular entity are allocated based on the estimated benefit received by each entity. Amounts reported as receivable from related organizations or payable to related organizations generally include balances for shared expenses.

Reimbursements received from related organizations for the years ended December 31, 2023 and 2022 were \$500,540 and \$504,883, respectively.

Note 2 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices, in active markets, for identical assets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include: quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets, inputs other than quoted prices that are observable for the asset, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement. Level 3 inputs are generally based on the best information available, which may include the reporting entity's own assumptions and data.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Interest bearing cash: Valued at cost.

MOSAIC AND TERRAZZO PENSION FUND

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

Note 2 - Fair value measurements (cont'd)

Registered investment companies: Valued at the closing price reported in the active market in which the securities are traded.

Investments measured at net asset value: The common/collective trust fund and the pooled separate account values are estimated by the management of the funds/accounts.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the tables below are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, as of December 31, 2023, with fair value measurements on a recurring basis:

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

Note 2 - Fair value measurements (cont'd)

The following table sets forth, by level within the fair value hierarchy, the Plan's investments, as of December 31, 2022, with fair value measurements on a recurring basis:

	<u>2022</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Investments at fair value				
Interest bearing cash	\$ 343,146	\$ 343,146	\$ -	\$ -
Registered investment companies	<u>14,624,681</u>	<u>14,624,681</u>	<u>-</u>	<u>-</u>
Total assets in the fair value hierarchy	14,967,827	<u>\$ 14,967,827</u>	<u>\$ -</u>	<u>\$ -</u>
Investments measured at net asset value	<u>12,859,131</u>			
Investments at fair value	<u>\$ 27,826,958</u>			

Note 3 - Cash

At times throughout the year the Plan may have, on deposit in banks, amounts in excess of FDIC insurance limits. The Plan has not experienced any losses in such accounts and the Trustees believe it is not exposed to any significant credit risks.

Note 4 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term could be material to the financial statements.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2023 AND 2022

Note 5 - Common/collective trust funds

Prudential Core Plus Bond Fund ("Core Plus"), a collective trust, was established by Prudential Trust Company ("Prudential") to provide a vehicle to invest in a diversified portfolio of debt securities. The value of each unit of participation is determined each day in which Prudential and the New York and NYSE AMEX Equities stock exchanges are open for business ("Valuation Date"). Units of participation are redeemed only on a Valuation Date, at the value so determined, and at such other times as Prudential may deem appropriate. The estimated fair value of the Plan's investment as of December 31, 2023 and 2022 was \$10,502,021 and \$9,079,825, respectively.

ASB Allegiance Real Estate Fund ("ASB") is an open-ended commingled collective investment fund established as a means for collective investment in real estate assets by qualified employee benefits plans. ASB has a concentration of 43% of its real estate investments in California and Massachusetts. Unit values are determined on the last business day of each calendar quarter (the "valuation date") and based on independent annual appraisals, updated quarterly. Participants are subsequently admitted to and withdrawn from ASB on that basis. Outstanding withdrawals will be honored on a pro rata basis with available liquid assets as soon as practicable on a valuation date following receipt of written notice. During 2022, ASB experienced an increase in redemption requests as investors sought to raise cash and rebalance their portfolios. At the same time, ASB experienced reduced liquidity as property investment sales became more difficult to complete due to both buyers and lenders not being as active in the market, challenging ASB's access to key sources of capital. ASB management suspended the dividend and put in place an outgoing redemption queue beginning September 30, 2022, for redemption requests made during the third quarter. As of December 31, 2023, ASB had redemption requests totaling approximately \$550,400,000. The estimated fair value of the Plan's investment as of December 31, 2023 and 2022 was \$2,590,556 and \$3,333,440, respectively.

Note 6 - Pooled separate accounts

The Union Mortgage Account ("UMA") was established by the Prudential Insurance Company of America and is comprised primarily of secured, commercial mortgage loans for properties that are constructed with union labor. Mortgage loans are reflected at estimated market value as determined by Prudential's Asset Liability Pricing Systems. The objectivity and reasonableness of the appraisal process is maintained and monitored with the assistance of an appraisal firm not affiliated with Prudential. Withdrawals from UMA may be made only on a Valuation Date, which is the last business day in each calendar quarter, and will be disbursed as soon as practical thereafter. A written request for a withdrawal must be received by Prudential no less than three months before the Valuation Date on which the withdrawal is desired. The estimated fair value of the Plan's investment as of December 31, 2023 and 2022 was \$464,655 and \$445,866, respectively.

Note 7 - Employers' contributions

In accordance with collective bargaining agreements and participation agreements, employers are required to make contributions to the Plan on behalf of employees performing covered work. Contribution rates vary depending on the agreement, but are generally paid on an hourly basis.

Note 8 - Accumulated plan benefits (cont'd)

The significant methods and assumptions underlying the actuarial computations are as follows:

Mortality basis	Funding - Pri-2012 BC Sex Distinct with MP-2021
	Current Liability 2023: IRS 2023 Annuitant/Non-Annuitant
	Current Liability 2022: IRS 2022 Annuitant/Non-Annuitant
Investment return	Funding Standard Account - 6.25%
	Current Liability 2023 - 2.55%
	Current Liability 2022 - 2.22%
Actuarial cost method	Unit Credit Funding Method
Actuarial Value of Assets	Market value
Normal Retirement	Earlier of age 65 with 5 years of service or 25 years of future services
Administrative expenses	Prior year's actual expense

As of January 1, 2023 the actuary has certified that the Plan is not in the endangered or critical status as identified under the Pension Protection Act of 2006 and the Multiemployer Pension Reform Act of 2014.

Note 9 - Reconciliation of financial statements to Form 5500

For financial statement purposes, investment expenses are reported as a reduction of investment income. The reporting requirements of the Department of Labor require these fees be shown as administrative expenses.

Note 10 - Tax status

The Plan has received a determination letter from the IRS dated February 3, 2016, stating that the Plan is qualified under Section 401(a) and is exempt from federal income taxes under Section 501(a) of the Internal Revenue Code. The Trustees believe that the Plan, including amendments subsequent to the IRS determination, is currently designed and operated in compliance with the requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date.
