INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Lancaster-Fairfield CAP, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Lancaster-Fairfield CAP, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022; the related statement of changes in net assets available for benefits for the year ended December 31, 2023; and the related notes to the financial statements (collectively, the financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance, and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of and for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. LANCASTER-FAIRFIELD CAP, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN

The following brief description of the Lancaster-Fairfield CAP, Inc. 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more comprehensive description of the Plan’s provisions. The Plan’s sponsor is the Lancaster-Fairfield Community Action Program, Inc. (the “Employer”).

General

The Plan is a defined contribution plan covering substantially all employees of the Employer. An employee is immediately eligible to defer a portion of their pretax compensation into the Plan. Eligible employees are employees who have attained the age of 21 and completed one year of service.

Contributions

The following types of contributions are permissible under the Plan: employee salary deferrals including Roth 401(k) deferrals, Employer matching contributions, Employer profit sharing contributions and employee rollover contributions. For purposes of the Plan, compensation is generally defined as total compensation that is subject to income tax and paid to the employee by the Employer during the Plan year. In addition, salary reductions to this Plan and to any other plan or arrangement will be included in compensation.

Participant Accounts

Each participant’s account is credited with deferred contributions, Employer contributions, and Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are fully vested in their contributions and actual earnings thereon. Employees will be fully vested in certain Employer contribution after five years.

Vesting Schedule Profit Sharing Contributions	
Years of Service	Percentage
1	20 %
2	40 %
3	60 %
4	80 %
5	100 %

Notes from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant’s account. Principal and interest are paid ratably through monthly payroll deductions.

YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Hardship Withdrawals

Hardship withdrawals are permitted by the Plan. A hardship distribution may be made to satisfy certain immediate and heavy financial needs. Examples of qualifying expenses include: medical, purchase of a principal residence, tuition for post-secondary education, prevention of eviction or foreclosure, funeral expenses, disaster or Coronavirus-related relief and the repair of a principal residence.

Payments of Benefits

Upon termination of service, a participant may elect to receive the vested value of their account in a lump-sum payment or installments. Benefits are recorded when paid.

Forfeitures

As of December 31, 2023 and 2022, forfeited non-vested accounts totaled \$6,000 and \$1,000, respectively. These accounts will be used to reduce future Employer contributions. Also, in 2023, Employer contributions were reduced by \$800 from forfeited non-vested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting principles that are followed by the Plan and the method of applying those principles conform to U.S. generally accepted accounting principles (U.S. GAAP).

A summary of the significant accounting and reporting policies applied in the presentation of the accompanying financial statements follows:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Accounting Estimates

The financial statements have been prepared in conformity with U.S. generally accepted accounting principles. In preparing the financial statements, management is required to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ significantly from those estimates.

Valuation of Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The net appreciation (depreciation) in fair value of investments includes investments purchased, sold, and held during the year.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTES TO FINANCIAL STATEMENTS (Continued)
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of Investments (Continued)

Contract value is the relevant measurement attribute for the portion of the net assets available for benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Administrative Expenses

Certain administrative functions are performed by officers and employees of the Employer. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are paid directly by the Plan Sponsor.

NOTE 3 – INVESTMENTS

The Plan investments are administered by Nationwide Trust Company (the “Trustee”). The following is a summary of the investment information as of December 31, 2023 and 2022, and for the year ended December 31, 2023, included throughout the Plan’s financial statements and supplemental schedule, that was prepared by or derived from information provided by the Trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the Trustee that information provided to the Plan Administrator by the Trustee related to the following investments is complete and accurate. Accordingly, as permitted by CFR 2520.103-8 of the Department of Labor (DOL)’s Rules and Regulations for Reporting and Disclosure under Employee Retirement Income Security Act of 1974 (ERISA), the Plan Administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to information, which appears throughout the financial statements and supplemental schedules, related to investments:

	December 31, 2023	2022
Investments at fair value		
Mutual funds	\$ 3,500,940	\$ 2,988,320
Investments at contract value		
Guaranteed investment contract	\$ 91,923	\$ 174,075

Nationwide Trust Company also certified to the accuracy of \$470,620 of net appreciation in fair value of investments for the Plan year ended December 31, 2023, and interest and dividend income of \$108,603.

YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a benefit-responsive investment contract with Nationwide Trust Company (“Nationwide”). Nationwide maintains the contribution in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal, and a specified interest rate is guaranteed to the Plan.

As described in Note 2, because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for the portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported by to the Plan by Nationwide, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value of credit risk of the contract issue or otherwise. The fair value of the guaranteed investment contract at December 31, 2023 and 2022, was \$91,923 and \$174,075, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, with no minimum interest rate established. The crediting interest rate is based on a formula that has been agreed upon with the issuer, with no minimum interest rate established. The crediting interest rate is established annually and is applied to all ongoing contributions made to the account. Interest rates are not subject to resetting. Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (2) changes to the Plan’s prohibition on competing investment options or deletion of equity was provisions; (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, and (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such value event, which would limit the Plan’s ability to transact at contract value with participants, is probable. The average yield with adjustment to reflect the rate credited to participants is 2.39 percent currently.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 6 – TAX STATUS

The Internal Revenue Service (IRS) has previously determined and informed the Trustee by letter dated June 30, 2020, that the Plan, a defined contribution plan and related trust, is designed in accordance with applicable sections of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

Management of the Plan is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTES TO FINANCIAL STATEMENTS (Continued)
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Parties in interest are defined under the DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer, and certain others. Participant loans held by the Plan reflect party-in-interest transactions. The Plan Sponsor may absorb significant costs incurred in relation to the administration of the Plan. Such costs include legal and accounting fees of 13,744.

NOTE 8 – FAIR VALUE OF FINANCIAL INSTRUMENTS

The Plan discloses fair value of its financial instruments. Financial instruments are defined as cash, evidence of ownership in an entity, or a contract which creates an obligation or right to receive or deliver cash or another financial instrument from/to a second entity on potentially favorable or unfavorable terms. If quoted market price is available for a financial instrument, the estimated fair value would be calculated based upon the market price per trading unit of the instrument. Cash and cash equivalents, contributions receivable, investments, and notes receivable from participants would be considered financial instruments. At December 31, 2023, the carrying amount of these financial instruments approximates fair values. The fair value of notes receivable from participants is based on amortized cost, which approximates fair value.

NOTE 9 – FAIR VALUE MEASUREMENTS

The Plan utilizes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described below:

- Level I: Inputs to the valuation methodology are unadjusted quoted prices for assets or liabilities in active markets that the Plan has the ability to access.
- Level II: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.
- Level III: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds: Valued at the net asset value of shares held by the Plan at year-end.

NOTES TO FINANCIAL STATEMENTS (Continued)
YEARS ENDED DECEMBER 31, 2023 AND 2022

NOTE 9 – FAIR VALUE MEASUREMENTS (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	2023			
	Level I	Level II	Level III	Total
Mutual funds	\$ 3,500,940	\$ -	\$ -	\$ 3,500,940
Total assets at fair value	\$ 3,500,940	\$ -	\$ -	\$ 3,500,940

	2022			
	Level I	Level II	Level III	Total
Mutual funds	\$ 2,988,320	\$ -	\$ -	\$ 2,988,320
Total assets at fair value	\$ 2,988,320	\$ -	\$ -	\$ 2,988,320

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances, and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 11 – SUBSEQUENT EVENTS

Management has reviewed events occurring through October 4, 2024, the date that the financial statements were issued, and no subsequent events have occurred required
