INDEPENDENT AUDITOR'S REPORT

To the Plan Administrators
The Springs Company
401(K) Savings and Retirement Plan
Fort Mill, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of The Springs Company 401(K) Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of The Springs Company 401(K) Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Springs Company 401(K) Savings and Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Springs Company 401(K) Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Springs Company 401(K) Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Springs Company 401(K) Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agrees to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE SPRINGS COMPANY
401(K) SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF THE PLAN

The following description of The Springs Company 401(K) Savings and Retirement Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan was established effective July 1, 1997, and is a defined contribution plan which covers substantially all employees of The Springs Company, Inc., who are at least 21 years of age and have completed one year of service. The Plan is subject to other provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Each year, participants may contribute up to 50% of pretax annual compensation which includes overtime, bonuses and commissions, subject to the dollar limit set by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company will match, annually, 100% of the participant’s contribution up to a maximum of 4% of compensation. The employees’ and the Company’s contributions are made each pay period and are invested as directed by the Plan participants.

Upon enrollment in the Plan, a participant may direct employer and employee contributions in any of the Plan’s fund options. Participants may change their investment options at any time. Participant forfeitures are used to reduce employer matching contributions and nonelective contributions for the plan year immediately following the plan year in which the forfeiture occurs.

Participant accounts and vesting

Each participant’s account is credited with contributions and Plan earnings in the following manner:

Employer Account: Amounts credited to the employer account consist of the Company’s monthly contributions and proportionate allocation of investment earnings (losses) based on each participant’s weighted average monthly account balance.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF THE PLAN (CONTINUED)

Participant accounts and vesting (Continued)

Amounts credited to the employer account are immediately vested if the participant has met the Plan eligibility and accrual tests. Full vesting occurs upon a participant's retirement or death, regardless of years of credited service.

Contribution Account: Voluntary contributions by participants and investment earnings (losses) which are allocated proportionately based on the participant's weighted average monthly account balance are credited to the contribution account and are immediately vested.

Vested benefits are paid as follows:

Employer account: Upon retirement at normal age 65, death, or termination of employment provided that the participant has incurred a one-year break in service.

Contribution account: Participant contributions are 100% vested on the date of enrollment. Vested benefits are payable on retirement, disability, death or termination on an installment or lump sum basis. Loans and hardship withdrawals may be made at the discretion of the Advisory Committee in accordance with the loan and/or hardship distribution policy under the plan. In-service distributions are allowed under certain Plan provisions.

Participant loans

Participants may borrow from their fund account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance. Loan terms range from 1-5 years or longer for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local rates as determined by the Advisory Committee. The Advisory Committee must reevaluate interest rates for loans made more than one month since the last loan made by the Plan. Interest will be charged at a reasonable rate. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

Upon termination of service, or upon death, disability or retirement, a participant may receive an amount equal to the vested value of his or her account payable on an installment or lump sum basis.

If vested benefits exceed \$5,000 (excluding amounts attributable to rollovers), the participant can elect how to receive benefits. Account balances under \$5,000 will be paid out within a reasonable time after termination of employment.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 1: DESCRIPTION OF THE PLAN (CONTINUED)

Plan termination

Although it has not expressed any intent to do so, the Company retains the right under the Plan to discontinue employer contributions at any time and terminate the Plan. In the event of a termination of the Plan, participants are immediately 100% vested in their account.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Such estimates and assumptions could change in the future as more information becomes known, which could impact the amounts reported and disclosed herein.

Investment valuation and income recognition

The Plan's investments are stated at fair market value. Shares of registered investment companies and common collective trust funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. The participant loans are valued at their outstanding balances, which approximate fair value.

Purchases and sales of securities are recorded on a trade-date basis.

Payment of benefits

Benefits are recorded when paid.

Subsequent events

Management has evaluated subsequent events through October 2, 2024, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 3: INVESTMENTS

Principal Trust Company, trustee of the Plan's assets, holds the Plan's investment assets and executes transactions thereon. All investment information disclosed in the accompanying financial statements and schedule, including investments held at December 31, 2023 and 2022, investment income and net appreciation in fair value of investments for the years then ended, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustee.

For the years ended December 31, 2023 and 2022, the Plan's investment assets (including investments bought, sold, as well as held during the period) appreciated (depreciated) in fair value by \$2,089,883 and (\$3,008,190) respectively.

The fair value of the following investments represent 5% or more of the Plan's net assets at December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
Galliard Stable Return	\$3,005,306	\$3,594,394
T. Rowe Price New Horizons Fund	1,053,632	929,088
T. Rowe I LgC Gr	1,892,836	1,185,259
Prin/BR S&P 500 Index	1,438,336	1,536,360
Dodge & Cox Inter Stock Fd		735,469
2030 Target Ret	889,700	707,200

NOTE 4: RELATED PARTY TRANSACTIONS

Certain plan investments are shares of mutual funds managed by Principal Trust Company. Principal Trust Company is the trustee as defined by the Plan, and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for the investment management services amounted to \$34,712 and \$37,564 for the years ended December 31, 2023 and 2022, respectively. The Plan Sponsor has elected to pay substantially all of the administrative expenses incurred by the Plan.

THE SPRINGS COMPANY
401(K) SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

NOTE 5: INCOME TAX STATUS

The Plan has received a determination letter from the Internal Revenue Service dated March 31, 2014, stating that the Plan qualifies under Section 401(a) of the Internal Revenue Code (Code), and therefore, the Plan is exempt from taxation under present income tax law. Once qualified, the Plan is required to operate in conformity with the code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by the Internal Revenue Service; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to the year ended December 31, 2020.

NOTE 6: OTHER MATTERS

Effective January 1, 2007, the Plan was amended to allow all employees who are not eligible to participate in the Noncontributory Pension Plan, who meet the eligibility and accrual requirements, to receive a fixed 3% nonelective contribution. Only non-highly compensated employees may receive this special fixed contribution.

NOTE 7: FAIR VALUE MEASUREMENTS

The Plan adopted the provisions of FASB ASC 820-10, "Fair Value Measurements". FASB ASC 820-10 defines fair value, establishes a framework for measuring fair value in generally accepted accounting principles, and expands disclosures about fair value measurements.

Fair Value Hierarchy

Under FASB ASC 820-10, the Plan groups assets at fair value in three levels, based on the markets in which the assets are traded and the reliability of the assumptions used to determine fair value. These levels are:

Level 1: Valuation is based upon quoted prices for identical instruments traded in active markets.

Level 2: Valuation is based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market.

Level 3: Valuation is generated from model-based techniques that use at least one significant assumption not observable in the market. These unobservable assumptions reflect estimates of assumptions that market participants would use in pricing the asset. Valuation techniques include use of option pricing models, discounted cash flow models and similar techniques.

The following table represents plan assets measured at fair value on a recurring basis. The plan investments have been valued by Principal Trust Company (referred to in Note 3) at December 31, 2023 as follows:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$14,963,528	\$14,963,528		
N/R-Participants	\$ 85,303			\$ 85,303

The following table represents plan assets measured at fair value on a recurring basis. The plan investments have been valued by Principal Trust Company (referred to in Note 3) at December 31, 2022 as follows:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$13,470,319	\$13,470,319
