We have performed an audit of the accompanying financial statements of CME Wire & Cable, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of CME Wire & Cable, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CME Wire & Cable, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CME Wire & Cable, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of CME Wire & Cable, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CME Wire & Cable, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE A – DESCRIPTION OF PLAN**

The following description of the CME Wire & Cable, Inc. 401(k) Profit Sharing Plan (the “Plan”) is provided for general information purposes only. More complete information regarding the Plan’s provisions may be found in the Plan document. CME Wire & Cable, Inc. (the “Company”) established the Plan effective January 1, 2007. Effective March 11, 2019, the Plan was restated.

General – The Plan is a defined contribution plan covering all full-time employees of the Company who are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility – Employees are eligible to enter the Plan after completing six-months of service unless waived by a specific amendment of the Plan. Employees are allowed to enter the Plan on the first day of the plan month coinciding with or the next following the date eligibility requirements are met and reaching the age of 21.

Contributions – Eligible employees have the option to enroll into the Plan. Pre-tax and after-tax contributions are withheld at the employee’s discretion. At any time, a participant may elect an alternative deferral amount or elect not to defer. Participants may elect to make pre-tax and after-tax contributions of up to 86% of compensation, as defined by the Plan, not to exceed \$22,500 (\$30,000 for participants over the age of 50) in 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company may make safe harbor matching contributions to the plan. The Company will contribute an amount equal to the sum of 100% of the amount of the participant’s elective deferrals that do not exceed 3% of the participant’s compensation, plus 50% of the amount of the participant’s elective deferrals that exceed 3% of the participant’s compensation, but do not exceed 5% of the participant’s compensation.

The Company may make discretionary profit-sharing contributions equal to a discretionary percentage, to be determined by the Company, of the participant’s elective deferral. Discretionary profit-sharing contributions are limited to a discretionary percentage of a participant’s compensation or a discretionary dollar amount, the percentage or dollar amount be determined by the Company on a uniform basis for all participants.

Participant accounts – Each participant’s account is credited with the participant’s contributions, the Company’s contributions, rollovers, and earnings in their account, and is charged with an allocation of administrative expenses and specific transactions charges incurred by the participant. Participants direct the investment of their accounts into various investment options offered by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Payment of benefits – At the time of death, termination of service, or retirement, the participant or their beneficiary may receive payment of the vested interest in their account in a lump-sum distribution. The participant’s contribution may also be withdrawn for certain hardship situations.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

**NOTE A – DESCRIPTION OF PLAN (CONTINUED)**

Vesting – Participants are vested immediately in their contributions plus actual earnings thereon. Participants are also vested immediately in Company safe harbor matching contributions plus actual earnings thereon. The Company’s discretionary profit-sharing contributions vest based on the following schedule:

| <u>Years of Service</u> | <u>Vesting Percentage</u> |
|-------------------------|---------------------------|
| Less than 3             | 0%                        |
| 3                       | 100%                      |

Notes receivable from participants – Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to/(from) the investment fund from/(to) loans to participants. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant’s account and bear interest at a rate commensurate with market rates for similar loans.

Participant loans are recorded at amortized cost, which represents unpaid principal plus accrued interest. Interest income on notes receivable from participants is recorded when it is earned. In accordance with ASC 326, the Plan utilizes historical information and reasonable and supportable forecasts regarding future events to regularly evaluate the collectability of notes receivable from participants. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced, and a benefit payment is recorded.

Administrative expenses – The Company pays administrative expenses related to certain record keeping services. All other administrative expenses and participant transaction fees are paid by participants. Expenses may be allocated either proportionately based on participants’ account balance or as an equal dollar amount based on the number of participants in the Plan. Certain expenses specifically incurred by a participant, such as taking a withdrawal from the Plan, are paid directly by that participant.

Forfeited accounts – Forfeitures of terminated participants’ non-vested accounts may be used to reduce future Company contributions and pay administrative expenses of the Plan. As of December 31, 2023 and 2022, the plan had \$0 in forfeitures for both years.

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of accounting – The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates – The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Investment valuation and income recognition* – Investments are stated at fair value. However, contract value is the relevant measurement attribute for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The Plan presents, in the statement of changes in net assets available for benefits, the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Administrative expenses* – Administrative fees paid by the Plan amounted to \$32,422 for the year ended December 31, 2023.

*Recently adopted accounting pronouncements* – In June 2016, the Financial Accounting Standards Board ("FASB") issued ASU 2016-13, *Financial Instruments – Credit Losses: Measurement of Credit Losses on Financial Instruments*, which requires the use of a new current expected credit loss ("CECL") model in estimating allowances for current expected credit losses with respect to notes receivable. The CECL model requires that the Plan estimate its lifetime expected credit loss with respect to these receivables and record allowances when deducted from the balance of the receivables, which represent the estimated net amounts expected to be collected. The Plan will consider whether historical loss rates are consistent with expectations of forward-looking estimates for its notes receivable from participants.

This ASU is effective for fiscal years beginning after December 15, 2022. The Plan adopted the standard effective January 1, 2023. The impact of the adoption was not considered material to the financial statements and primarily resulted in new/enhanced disclosures only.

*Subsequent events* – Subsequent events have been evaluated through October 4, 2024 which is the date the financial statements were available to be issued.

**NOTE C – TAX STATUS**

The Plan is a non-standardized pre-approved profit-sharing plan created by Empower Trust Company, LLC ("Empower"). The Internal Revenue Service has determined and informed Empower by a letter dated November 14, 2022, that the plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has not obtained an individual determination letter and has been amended since receiving trustee's opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and has no income subject to unrelated business income tax.

**NOTE D – FAIR VALUE MEASUREMENTS**

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority of unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are unobservable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

*Mutual Funds:* Mutual funds are valued based on the same securities traded on a national exchange at the last reported sales price on the last business day of the plan year; investments traded in the over-the-counter market and listed securities for which no sale was reported on the last day of the plan year are valued at the last reported bid price. These assets are classified as Level 1 assets within the fair value hierarchy.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

**NOTE D – FAIR VALUE MEASUREMENTS (CONTINUED)**

The following table presents by level within the fair value hierarchy the Plan's fair value measurements at December 31, 2023 and 2022:

| <b>December 31, 2023</b> | <b>Fair Value</b>          | <b>Level 1<br/>Inputs</b>  | <b>Level 2<br/>Inputs</b> | <b>Level 3<br/>Inputs</b> |
|--------------------------|----------------------------|----------------------------|---------------------------|---------------------------|
| <b>Mutual funds</b>      | <b><u>\$ 7,464,580</u></b> | <b><u>\$ 7,464,580</u></b> | <b><u>\$ -</u></b>        | <b><u>\$ -</u></b>        |
|                          | <b><u>\$ 7,464,580</u></b> | <b><u>\$ 7,464,580</u></b> | <b><u>\$ -</u></b>        | <b><u>\$ -</u></b>        |
| <b>December 31, 2022</b> | <b>Fair Value</b>          | <b>Level 1<br/>Inputs</b>  | <b>Level 2<br/>Inputs</b> | <b>Level 3<br/>Inputs</b> |
| <b>Mutual funds</b>      | <b><u>\$ 6,129,635</u></b> | <b><u>\$ 6,129,635</u></b> | <b><u>\$ -</u></b>        | <b><u>\$ -</u></b>        |
|                          | <b><u>\$ 6,129,635</u></b> | <b><u>\$ 6,129,635</u></b> | <b><u>\$ -</u></b>        | <b><u>\$ -</u></b>        |

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**NOTE E – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

**NOTE F – PARTIES-IN-INTEREST**

Parties-in-interest as defined by the Plan include Empower Annuity Insurance Company of America and Empower Trust Company, LLC as the trustees and SFI Advisors as a financial advisor; therefore, transactions occurring between the Plan, trustee, and financial advisor of the Plan Sponsor designated as trustees qualify as party-in-interest transactions. Certain administrative fees are deducted from the Plan assets by the custodian.

**NOTE G – RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

**NOTE H – CERTIFIED INFORMATION**

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Under this provision of ERISA, investment information and related activity certified as complete and accurate by a qualified institution need not be subjected to independent audit. The Plan administrator has obtained a certification from Empower Annuity Insurance Company of America and Empower Trust Company, LLC, as trustees of the Plan, that the following information included in the Plan’s financial statements and supplemental schedule is complete and accurate:

- a. Investments and notes receivable from participants as of December 31, 2023 and 2022.
- b. Plan transactions related to investment income, securities transactions and interest income on notes receivable from participants for the year ended December 31, 2023.
- c. Schedule H, Line 4i Schedule of Assets (Held at End of Year) as of December 31, 2023.

**NOTE I – INVESTMENT CONTRACT WITH INSURANCE COMPANY**

The Plan maintains a fully benefit-responsive annuity contract with Empower Annuity Insurance Company of America (“Empower”), which is called the Key Guaranteed Portfolio Fund. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against the contract value for credit risk of the contract issuer or otherwise. The fair value of the investment contract approximates contract value. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than zero percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (2) changes to Plan’s prohibition on competing investment options or deletion of equity wash provisions; (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

**CME WIRE & CABLE, INC. 401(K) PROFIT SHARING PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023 and 2022**

**NOTE I – INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)**

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines; (2) a breach of material obligation under the contract; (3) a material misrepresentation; and (4) a material amendment to the agreement without the consent of the issuer.

The Plan Administrator does not believe the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.
