INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
Beau Townsend Ford, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Beau Townsend Ford, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Beau Townsend Ford, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Beau Townsend Ford, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that,

individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Beau Townsend Ford, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Beau Townsend Ford, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental schedule of Assets Held for Investment Purposes as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

**BEAU TOWNSEND FORD, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Beau Townsend Ford, Inc. 401(k) Plan were prepared in conformity with accounting principles generally accepted in the United States of America as applied to defined contribution plans and in accordance with the terms of the Trust Agreement. A summary of the Plan's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

Plan Description

The Beau Townsend Ford, Inc. 401(k) Plan was established January 1, 1991.

General

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). It was established for the purpose of providing retirement benefits to all eligible employees of Beau Townsend Ford, Inc.(the "Company").

Contributions

All employees became eligible upon attaining age 21 (amended to 18 during 2022) and reaching six (amended to three months during 2022) months of service. A participant may make contributions by entering into a salary reduction agreement with the Company whereby they authorize the Company to reduce their earnings by such percent or dollar amount, as they shall specify, subject to the Plan specified limits. Participants who have obtained the age of 50 before the end of the Plan year are eligible to make additional catch up contributions. Participants may also contribute after-tax Roth elective contributions. The Company may pay the expenses of administering the Plan. Any expenses not paid by the Company shall be paid from Plan assets. The Company may also make discretionary matching and profit sharing contributions to the Plan. For the 2023 and 2022 Plan years, the Company made discretionary matching contributions of \$50,000 and \$50,000, respectively

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's elective deferrals, rollover contributions, and allocation of Plan earnings.

Vesting

Participants are 100% vested in their voluntary accounts immediately. Vesting in the remainder of their account is based on years of continuous service. A participant becomes 100% vested after six years of credited service.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

On termination of services or retirement, a participant will receive benefits in the form of a lump-sum amount to the value of the participant's vested account balance or periodic payments not exceeding the participant's life expectancy. In-service hardship withdrawals are also allowed as defined in the Plan agreement. Benefits are recorded when paid.

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with the accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts and disclosures of net assets available for benefits as of the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value based on quoted market prices, which represent the net asset value of shares held by the Plan. Unrealized gains or losses are allocated to participant's accounts. Security transactions are recorded on trade dates; the specific identification method is used in computing gains or losses. Loans to participants are valued at cost, which approximates fair value.

Fidelity Bond

The Plan is insured by a fidelity bond totaling \$500,000.

Excess Contributions

Contributions made by certain active participants during a plan year are returned to them in order to satisfy the relevant nondiscrimination provisions of the Plan. Excess deferral contributions of \$29,608 and \$21,463 were payable as of December 31, 2023 and 2022, respectively.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes

The Plan is a qualified plan under Section 401 of the Internal Revenue Code. The Plan has received a favorable letter of determination from the Internal Revenue Service for the Plan. The Plan has been amended since receiving the opinion letter. However, the Plan administrator and the Companies' management believe the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Administrative Expenses

The Plan sponsor absorbs significant costs of the Plan Administration.

Participant Loans

Participants may borrow from their account a minimum of \$1,000 up to a maximum of 50% of their vested account balance, not to exceed \$50,000, reduced by their highest outstanding loan balance during the preceding twelve months. Participants are limited to one outstanding loan at a time. Loan transactions are treated as transfers between an investment fund and the loan fund. Loans must be repaid within five years unless the purpose is to acquire, construct or reconstruct a principal residence. Each loan is secured by the balance in the participant's account and bears a rate of interest commensurate with local prevailing rates. Payments must be made at least quarterly by payroll deduction. For loans outstanding at December 31, 2023, the interest rates were 4.25% - 9.50%.

Fair Value Measurements

The Fair Value Measurements and Disclosures Topic of the Financial Accounting Standards Board Accounting Standards Codification, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB Accounting Standards Codification are described below:

BEAU TOWNSEND FORD, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023.

Unallocated insurance contract: Values at fair value by discounting the related cash flows based on current yields of similar investments with comparable durations considering the credit-worthiness of the issuer.

Money market and mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the plan are deemed to be actively traded. Value of interests in registered investment companies (mutual funds) are valued at the net asset value (NAV) of shares held by the plan at year end (Level 1).

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Forfeited Accounts

The non-vested portion of former participant's accounts may be used to pay administrative expenses of the Plan or to reduce the future amount of employer contributions.

Subsequent Events

Subsequent events were evaluated by management through October 1, 2024, which is the date the financial statements were available to be issued.

NOTE 2 – INVESTMENTS

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2023:

During the Plan years ended December 31, 2023 and December 31, 2022 the Plan's investments (including investments bought, sold, and held during the year) appreciated (depreciated) in value by \$1,194,549 and (\$1,515,890) respectively.

The following table presents detailed information regarding assets and liabilities measured at fair value using significant unobservable inputs (Level 3) as of December 31, 2023. The table includes the valuation techniques and significant unobservable inputs utilized. The range of the significant unobservable input as well as the weighted average within the range utilized at December 31, 2023 is included.

NOTE 3 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a non-benefit responsive investment contract with Nationwide Life. Nationwide Life maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at fair value, as reported to the Plan by Nationwide Life. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. However, participant directed exchanges are restricted; therefore, the investment contract is not considered benefit responsive and is presented at fair value.

Reconciliation of Non-Benefit Responsive Contracts:

<u>Nationwide Fixed Fund</u>	Contract Value	Fair Value
As of December 31, 2022	\$ 570,742	\$ 505,951
Change in fair/contract values	54,714	64,590
As of December 31, 2023	<u>\$ 625,456</u>	<u>\$ 570,541</u>

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The net rate, crediting rate and average yield earned by the Fund for the years ended December 31, 2023 and 2022, was 3.02%, respectively.

NOTE 4 – RELATED PARTY TRANSACTIONS

Certain administrative services are provided by the Company at no cost to the Plan and certain administrative costs incurred by the Plan are paid by the Company.

Certain Plan investments are shares of mutual funds and an unallocated insurance contract managed by Nationwide and Nationwide Life. Nationwide Life is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest. The Plan paid fees to Nationwide and Nationwide Life totaling \$71,971 and \$71,157 during the Plan years ended December 31, 2023 and 2022, respectively

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 7 – RISK AND UNCERTANITIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit and market risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits.

NOTE 8 - INFORMATION CERTIFIED BY TRUSTEE

Certain information related to the investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2023 and 2022 and net appreciation in fair value of investments and interest and dividends income for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Nationwide Life.
