INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Bestway Enterprises, Inc. 401(k) Savings Plan
Cortland, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Bestway Enterprises, Inc. 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023, and 2022, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter--Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

BESTWAY ENTERPRISES, INC. 401(k) SAVINGS PLAN

December 31, 2023 and 2022

NOTE A--DESCRIPTION OF THE PLAN

The following description of the Bestway Enterprises, Inc. 401(k) Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Bestway Enterprises, Inc. and its wholly-owned subsidiaries: Bestway of New York, Inc., Bestway of Pennsylvania, Inc., Builder's Best Home Improvement Center, Inc., and Bestway South, Inc. (collectively the "Company") who are age 18 or older and have completed six months of service, as defined by the Plan. An employee is eligible to participate in the elective deferral and Company matching features of the Plan on the first day of each month following the date the employee meets the eligibility requirements. Participants are also eligible to receive an allocation of Company discretionary nonelective contributions if they are employed on the last day of the Plan year. The Plan is subject to the provisions of ERISA. The Plan Administrator is responsible for oversight of the Plan and with assistance from the Plan's investment advisor, determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions: Participants may contribute tax-deferred and after-tax Roth dollars through a payroll deduction equal to the lesser of 90% of eligible compensation ("elective deferral contributions") or $22,500 and $20,500 into the Plan for 2023 and 2022, respectively. Additionally, if a participant has or is projected to attain age 50 before the end of the Plan year, that participant may make "catch-up" contributions of $7,500 and $6,500 as determined by the Internal Revenue Service (IRS) for 2023 and 2022, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 2% of eligible compensation and their contributions invested in a designated default fund until changed by the participant. The automatic deferral rate is increased annually by 1% until the participant reaches a deferral rate of 5%. There were no Company matching or discretionary nonelective contributions made to the Plan in 2023 and 2022. Contributions are subject to certain limitations determined by the IRS.

NOTE A--DESCRIPTION OF THE PLAN--Continued

Participant Accounts: Each participant's account is credited with elective deferral contributions, allocations of the Company's matching and discretionary nonelective contributions, Plan earnings and losses and a participant's loan activity. Plan earnings and losses are allocated based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary nonelective contribution portions of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

Receivables--Notes From Participants: Participants may borrow from their vested accounts a minimum of $500 with the maximum amount being the lesser of 50% of the vested account balance or $50,000 reduced by the highest outstanding loan balance at any time in the preceding year. Loan terms are up to five years, unless the loan is for the purpose of acquiring a principal residence then the maximum period shall be thirty years. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 2%. Participants are permitted to have no more than two loans outstanding at a time. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: Upon termination of a participant's employment for any reason, including death, disability or retirement, a participant may elect to receive a lump-sum cash distribution, a direct rollover distribution, a combination of both, or an installment distribution equal to the value of the participant's vested interest in his or her account. If a participant's vested account balance is between $1,000 and $5,000, and the participant fails to make a distribution election, a lump-sum amount will be rolled over to an individual retirement account without their consent. If a participant's vested account balance is $1,000 or less, and the participant fails to make a distribution election, a lump-sum amount will be paid to the participant without their consent.

Forfeited Accounts: Company matching and discretionary nonelective contributions from forfeited nonvested accounts are retained by the Plan and used to offset administrative expenses and reduce subsequent Company contributions. At December 31, 2023 and 2022, there were no forfeited nonvested account balances. In addition, the Plan did not use forfeited nonvested accounts to pay Plan expenses or reduce Company contributions during 2023 or 2022.

NOTE B--SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the Plan's trustee and recordkeeper. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's losses and gains on investments bought and sold as well as held during the year.

Receivables--Notes From Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS, are recorded as a liability with a corresponding reduction to participants' salary deferrals. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15, 2024.

Payment of Benefits: Benefits are recorded when paid.

NOTE B--SIGNIFICANT ACCOUNTING POLICIES--Continued

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments are charged directly to the participant's account and are included in administrative expenses. The Plan also pays for investment advisory services which are included in administrative expenses.

Events Occurring After Reporting Date: Plan management has evaluated events and transactions that occurred between December 31, 2023 and October 8, 2024, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. Other than the event disclosed in Note J, there were no such events or transactions identified by Plan management.

NOTE C--INFORMATION CERTIFIED AND PROVIDED BY RELIANCE TRUST COMPANY (UNAUDITED)

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2023 and 2022, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from the information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee, that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule relating to the following assets:

	2023	2022
Participant directed investments, at fair value:		
Shares in registered investment companies	$ 4,356,879	$ 3,014,431
Collective trust	515,808	1,030,733
Total participant directed investments, at fair value	$ 4,872,687	$ 4,045,164
Receivables--notes from participants	$ 113,235	$ 86,549

The trustee also certified to the completeness and accuracy of $524,006 and $(895,351) of net appreciation (depreciation) in fair value of investments, $153,551 and $153,241 of dividends and $4,503 and $4,978 of interest income on notes receivable from participants for the years ended December 31, 2023 and 2022, respectively.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Shares in registered investment companies: Valued at the daily closing price as reported by the registered investment companies. The registered investment companies are open-ended and are registered with the Securities and Exchange Commission. Registered investment companies are required to publish their daily net asset value (NAV) and transact at that price. The shares held in registered investment companies are deemed to be actively traded.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

Collective trust: Valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the trustee reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by Level, within the fair value hierarchy, the Plan's investments at fair value:

	Investments at Fair Value as of: December 31, 2023			
	Level 1	Level 2	Level 3	Total
Shares in registered investment companies	$4,356,879	$ -0-	$ -0-	$4,356,879
Collective trust measured at net asset value[(a)]				515,808
Total investments at fair value				$4,872,687

	December 31, 2022			
	Level 1	Level 2	Level 3	Total
Shares in registered investment companies	$3,014,431	$-0-	$-0-	$3,014,431
Collective trust measure at net asset value[(a)]				1,030,733
Total investments at fair value				$4,045,164

(a) In accordance with FASB ASC Topic 820-10, the collective trust, which is measured at net asset value per share (or its equivalent), is not classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE D--FAIR VALUE MEASUREMENTS--Continued

The following table summarizes the investment for which fair value is measured using the net asset value per share practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for this investment; the redemption notice period is applicable only to the Plan.

Investments	Fair Value	Unfunded Commitments	Participant Redemption Frequency (if currently eligible)	Plan Redemption Notice Period
		December 31, 2023		
Collective trust	$ 515,808	n/a	Daily	12 months
		December 31, 2022		
Collective trust	$ 1,030,733	n/a	Daily	12 months

NOTE E--PARTY IN INTEREST TRANSACTIONS

The Plan issues loans to participants, which are secured by the balances in the participants' accounts. Therefore, related transactions qualify as party in interest transactions. All other transactions which may be considered parties in interest transactions relate to normal Plan management and administrative services, and the related payment of fees.

The Plan's third party administrator and recordkeeper, Automatic Data Processing (ADP), provides certain administrative services to the Plan pursuant to a Service and Expense Agreement between the Plan Sponsor and ADP. ADP receives revenue from the investment service providers for services ADP provides to the investment funds. This revenue is used to offset certain amounts owed to ADP for its administrative services to the Plan.

Third party administrative, recordkeeping and investment advisory services are rendered by parties in interest. Fees paid by the Plan for third party administration, recordkeeping and investment advisory services amounted to $14,140 and $13,208 for the Plan years ended December 31, 2023 and 2022, respectively.

Administrative expenses for auditing services are provided by parties in interest and are paid directly by the Company.

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account balance.

NOTE G--TAX STATUS

Effective April 1, 2022, the Plan adopted a non-standardized form of pre-approved plan. The pre-approved plan provider, ADP, LLC, has received an opinion letter dated October 6, 2020 from the IRS as to the pre-approved plan's qualified status. The pre-approved plan opinion letter has been relied upon by this Plan. Prior to April 1, 2022, the Plan had adopted a prototype standardized plan sponsored by ADP, LLC. The IRS had determined and informed the prototype plan sponsor by a letter dated July 8, 2014, that the Plan and related trust were designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE H--RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of these investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE I--RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying 2023 and 2022 financial statements to the respective Form 5500:

	December 31,	
	2023	2022
Net assets available for benefits per financial statements	$ 4,979,115	$ 4,124,959
Differences in:		
Investments	113,235	86,549

Net assets available for benefits per Form 5500	$ 4,979,115	$ 4,124,959

NOTE J--CHANGE IN TRUSTEE

In August 2024, the Plan Sponsor was notified that Reliance Trust Company will resign as the Plan's trustee effective January 1, 2025. ADP Retirement Trust Services, LLC will succeed Reliance Trust Company as the new trustee.
