INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Woods Rogers Vandeventer Black PLC Profit Sharing Plan
Norfolk, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Woods Rogers Vandeventer Black PLC Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

A firm of CPAs and Financial Consultants

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter-Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WOODS ROGERS VANDEVENTER BLACK PLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1. PLAN DESCRIPTION:

The following description of the Woods Rogers Vandeventer Black PLC Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General:

The Plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective July 1, 2022, Woods Rogers PLC merged with Vandeventer Black LLP to form Woods Rogers Vandeventer Black PLC (the “Company”) and established the Plan covering substantially all employees and partners of legacy Vandeventer Black offices. Employees and partners of legacy Woods Rogers offices were covered by a separate plan through August 31, 2023.

Effective September 1, 2023, the Plan was amended to cover substantially all employees of the Company. By October 18, 2023, substantially all the net assets of the separate plan covering legacy Woods Rogers employees and partners were transferred to the Plan.

The Company’s Board of Directors oversees governance of the Plan. A Plan committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Board of Directors.

Investment options:

Participants direct the investment of their accounts into various investment options offered by the Plan. The Plan currently offers mutual funds (i.e. registered investment companies) and stable and large cap value funds (i.e. common collective trusts) as investment options for participants. In addition, participants may utilize an individual self-directed brokerage option, through which participants are able to invest in a variety of securities including stocks, bonds, mutual funds, money market funds, closed end funds, exchange traded funds, bank deposit accounts, unitized trusts, and government securities in accordance with the Plan’s investment policy.

Contributions:

Plan participants may elect to defer up to 90% of their eligible compensation, not to exceed the allowable amount under Section 402(g) of the Internal Revenue Code (“IRC”). Participant contributions are made through automatic payroll deductions every pay period. These contributions are not federally taxable to the participant until they are withdrawn from the Plan.

The Plan also has a Roth feature. Contributions are made from after-tax compensation. Participants will not be taxed on future distributions of their contributions and related earnings if certain requirements are met.

NOTES TO FINANCIAL STATEMENTS – (Continued)

1. PLAN DESCRIPTION – (Continued):

Contributions – (Continued):

The Company may make discretionary matching and profit sharing contributions. For the year ended December 31, 2023, the Company made a discretionary matching contribution totaling \$819,411 which represented the lesser of 50% of the participants' contributions or 4% of participants' eligible compensation. The Company also made a profit sharing contribution of \$2,452,203 for the period ended December 31, 2023. The allocation method for profit sharing contributions is on a compensation ratio basis, with permitted disparity.

Participants who were members of a former employer's qualified plan may elect to make rollover contributions from that plan to the Plan.

Participant accounts:

Each participant's account is credited with the participant's contributions, the employer's contributions, and an allocation of Plan earnings, and charged with applicable administrative expenses paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's employer matching and profit-sharing contributions, plus actual earnings are based on years of continuous service. A participant is 100% vested after six years of credited service.

Participant notes receivable:

Participants may borrow from their account a minimum of \$1,000, up to a maximum of \$50,000, or 50% of their vested account balance. The term of a loan cannot be longer than five years except for certain housing loans which may have a loan term of up to 10 years. Loans are secured by the balance in the participant's account and bear interest at rates of 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

Payment of benefits:

Upon termination of service, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Participants may also rollover all or part of their vested interest to an eligible retirement plan.

Prior to terminating service, a participant under certain hardship conditions and with the approval of the Plan Administrator, may elect to receive a distribution equal to the lesser of their vested account balance or the amount needed to satisfy the hardship.

In-service withdrawals of vested balances may be elected by participants who have reached 59.5 years of age.

PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS – (Continued)

1. PLAN DESCRIPTION – (Continued):

Forfeited accounts:

Forfeited amounts are available to pay Plan administrative expenses or reduce employer contributions. Forfeited non-vested accounts totaled \$132,315 and \$9,450 as of December 31, 2023 and 2022, respectfully. During the year ended December 31, 2023, a total of \$33,616 was used to pay Plan administrative expenses.

Administrative costs:

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net depreciation/appreciation in fair value of investments. Expenses related to specific participant transactions (participant notes receivable, benefits paid, and advisory services) are charged directly to the participant's account.

2. SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting:

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates:

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Valuation of investments and income recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**WOODS ROGERS VANDEVENTER BLACK PLC
PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS – (Continued)

2. SIGNIFICANT ACCOUNTING POLICIES – (Continued):

Participant notes receivable:

Participants notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Benefit payments:

Benefits are recorded when paid.

3. FAIR VALUE MEASUREMENTS:

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Level 1 - The fair values of mutual funds, exchange traded funds, common and preferred stocks, and publicly traded partnerships (included within registered investment companies and self directed brokerage accounts) are based on quoted net asset values (“NAV”) of the shares held by the Plan at year end.

Level 2 – The common collective trusts are valued at the NAV of the units held by the Plan. The NAV is based upon the value of the underlying investments which are traded on an active market.

4. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

Certain administrative functions are performed by officers or employees of the Company. These employees are also Plan participants. No such officer or employee receives compensation from the Plan. Plan participants may direct their investments into funds issued and managed by the Plan trustee. Investments in funds issued by the trustee are considered related party transactions. Fees paid by the Plan for trustee and administrative and investment advisory services amounted to \$50,076 for December 31, 2023.

5. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS – (Continued)

6. INCOME TAX STATUS:

The Company has adopted a volume submitter plan sponsored by Fidelity. The Internal Revenue Service has determined and informed Fidelity by a letter dated June 30, 2020 that the volume submitter plan and related trust are designed in accordance with applicable sections of the IRC. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate income tax positions taken by the Plan and recognize an income tax liability (or asset) if the Plan has taken an uncertain income tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the income tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain income tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by income tax authorities; however, there are currently no audits for any income tax periods in progress.

7. CERTIFICATION:

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through October 8, 2024, the date the financial statements were available to be issued.
