INDEPENDENT AUDITORS' REPORT

October 7, 2024

Plan Administrator of the Onvo 401k Plan
(Formerly, Liberty Truck Center & Tafton Fuel Stop 401k Plan)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Onvo 401k Plan (Formerly, Liberty Truck Center & Tafton Fuel Stop 401k Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years ended December 31, 2023 and 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Onvo 401k Plan (Formerly, Liberty Truck Center & Tafton Fuel Stop 401k Plan) financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Onvo 401k Plan (Formerly, Liberty Truck Center & Tafton Fuel Stop 401k Plan) and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Onvo 401k Plan's (Formerly, Liberty Truck Center & Tafton Fuel Stop 401k Plan) ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Onvo 401k Plan's (Formerly, Liberty Truck Center & Tafton Fuel Stop 401k Plan) internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Onvo 401k Plan's (Formerly, Liberty Truck Center & Tafton Fuel Stop 401k Plan) ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of or for the year ended December 31 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ONVO 401K PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 Description of the Plan

On June 1, 2012, Liberty Truck Center, Inc. ("Sponsor" and "Company"), a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, adopted a retirement plan known as the Liberty Truck Center & Tafton Fuel Stop 401k Plan("Plan"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following Participating Employers initially adopted the Plan: Tafton Fuel Stop, Inc. and Rocky Restaurants, LLC.

Effective July 1, 2022, the following Plans merged with the Plan: Raceway Restaurants, Inc. 401k Plan, Raceway Management Co., Inc. 401k Plan, Singh Realty LLC & Liberty Bean 401k Plan. Accordingly, \$2,215,687 was transferred from these plans into the Liberty Truck Center & Tafton Fuel Stop 401k Plan. Also, effective July 1, 2022, the following Participating Employers adopted the Plan: Liberty Bean, LLC, Raceway Hospitality, LLC, Raceway Management Co., Inc, Raceway Management NY, Inc, Raceway Restaurants, Inc., and Singh Realty, LLC.

Effective January 1, 2023, the plan was amended to change the eligibility requirements from twelve (12) months of service to three (3) months of service. Also, effective February 1, 2023, the plan was further amended to change the Plan name from Liberty Truck Center & Tafton Fuel Stop 401K Plan to Onvo 401k Plan.

In December 2022 Securing a Strong Retirement Act (Secure 2.0) was passed into law. For Plan years beginning January 1, 2023, the Act increased the Required Minimum Distributions (RMDs) from 72 to 73. Accordingly, the Plan is operating in accordance with the provision. Most of the other provisions of the Act become effective in 2024 and forward. Since the provisions include both required and optional elements, the Plan Administrator will determine the optional provisions to elect.

The Committee appointed by the Sponsor is the administrator of the Plan and determines the appropriateness of its Plan's investment offering, monitors investment performance and reviews with the Plan's Trustees.

The Plan provides that an eligible participant may elect to defer a specific percentage of their annual compensation, as defined in the Plan, not to exceed \$22,500, \$30,000 for participants ages 50 or older, adjusted annually for cost-of-living changes. Participants may also contribute amounts representing distributions from other qualified benefit or defined contributions plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan is a Safe Harbor Plan; as such the Company will contribute a Safe Harbor matching contribution for participant's who satisfy the applicable eligibility requirements. The Safe Harbor matching contributions are 100% of the participant's salary deferrals that do not exceed 4% of the participant's compensation. The Company may also contribute a flexible discretionary matching contribution.

Note 1 Description of the Plan (Continued)

The abovementioned employer's contributions, along with participant's contributions, plan earnings (losses) and applicable expenses will be credited / debited to each participant's account. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participants vested account.

The Plan provides that participants may borrow from their vested account balance, a minimum of \$5,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the vested balance in the participant's account and bear a reasonable rate of interest when the loan is taken out. Principal and interest is paid ratable through payroll deductions.

Forfeitures of non-vested accounts were \$0 and \$119 for years ended December 31, 2023 and 2022, respectively. Forfeitures can be used to reduce Plan expenses and reduce Employer Contributions to the Plan. At December 31, 2023 and 2022, forfeited non-vested account balances were \$45 and \$40, respectively.

A more detailed explanation of the Plan, including but not limited to eligibility, vesting, loan, and benefit provisions, is provided in the Onvo's Inc 401k Plan Summary Plan Description.

Note 2 Summary of Significant Accounting Policies

Date of Management Review: Pursuant to FASB ASC 855 Subsequent Events were evaluated through October 7, 2024 which is the date the financial statements were available for issue.

Basis of Accounting: The financial statements of the plan are prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition: The Plan's investments are administered under a trust agreement with Reliance Trust Company. The Plan's investments are reported at fair value. Fair Value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's valuation policies are determined utilizing information provided by Reliance Trust Company. Investments in mutual funds are valued based on quoted Net Asset Values (NAV) of the shares held by the Plan at year end. The mutual funds held by the Plan are registered with the U.S. Securities and Exchange Commission. The Fund must publish their daily net assets value and to transact at that price. The mutual funds held by the Plan are considered to be actively traded. See Note 4 for further discussion of Fair Value measurements.

Note 2 Summary of Significant Accounting Policies (Continued)

Interest Income: Interest Income is recorded on the loan amounts on the accrual basis.

Dividend Income: Dividend Income is recorded based on the ex-dividend date and is reported by Reliance Trust Company.

Net Appreciation/(Depreciation) in Fair Value of Investments: Includes dividends, as well as the Plan's gains and losses on investments bought and sold, as well as, held during the year.

Employer Contributions: Safe Harbor matching contributions are made and are based upon amounts actually computed throughout the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent asset and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investments related expenses are included in net appreciation of fair value of investments.

Note 3 ERISA 103 (a)(3)(C) – Certification of Investments

Certain information related to the Investments at Fair Value disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation/(depreciation) in fair values of investments, interest and dividends for the years ended December 31, 2023 and 2022 was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the Trustee of the Plan).

Note 4 Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for Investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. As of December 31, 2023 or 2022, the Plan did not have any Level 2 or 3 inputs.

The valuation methodologies used for assets measured at fair value are discussed further in Note 2.

The following tables set forth, by level within the Fair Value hierarchy; the Plan's investing at Fair Values as of December 31, 2023 and 2022:

	Fair Value Measurements at the End of the Reporting Period Using:	
	Total Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)

Registered Investment Companies (Mutual Funds)	\$ 5,901,578	\$ 5,901,578

Total Assets at Fair Value	<u>\$ 4,465,918</u>	<u>\$ 4,465,918</u>

Note 5 Related Party Transactions

The Plan's investments are maintained under a trust agreement with Reliance Trust Company. Reliance Trust Company is considered a party-in-interest; therefore, these transactions qualify as party-in-interest transactions.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 7 Risks and Uncertainties

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 Income Tax Status

The Prototype Plan Sponsor, ADP, LLC, has received a favorable opinion letter dated October 6, 2020 in which the Internal Revenue Service states that their Non-Standardized Prototype Plan, as adopted by the plan sponsor, is acceptable under the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. Tax Plan Administrator believes the Plan is no longer subject to income tax examination for years prior to 2020.

Note 10 Plan Benefits and Termination

Although not under obligation to make contributions to the fund, the Plan's Sponsor has not expressed any intent to discontinue contributions thereto or terminate the Plan subject to the provision of ERISA. In the event of termination of the Plan all amounts credited to employee accounts will remain fully vested and paid as soon as administratively practicable after termination.
