Independent Auditor's Report

The Trustees/Fiduciaries of
Kearney & Company and E.F. Kearney, Ltd.
401(k) Profit Sharing Plan
Alexandria, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Kearney & Company and E.F. Kearney, Ltd. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Kearney & Company and E.F. Kearney, Ltd. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Kearney & Company and E.F. Kearney, Ltd. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Kearney & Company and E.F. Kearney, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Kearney & Company and E.F. Kearney, Ltd. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Kearney & Company and E.F. Kearney, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplementary Schedule Required by ERISA

The supplementary Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplementary Schedule Required by ERISA (Continued)

In our opinion,

- the form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. PLAN DESCRIPTION

The following description of Kearney & Company and E.F. Kearney, Ltd. 401(k) Profit Sharing Plan (the Plan), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Kearney & Company and E.F. Kearney, Ltd., (the Companies) who have reached the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute portions of their annual compensation to the Plan, subject to certain limitations. Participants may contribute up to 60% of compensation. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their and the employers' contributions into various investment options offered by the Plan. The employers may make matching contributions to the Plan. The employers determine the amount of match each year. For the years ended December 31, 2023 and 2022, the employer matched 50% of contributions from the first 6% of an employee's base salary.

Participants' Accounts

Each participant's account is credited with the participant's contribution, the employer's matching contribution, and an allocation of plan earnings, and is charged with an allocation of administrative expenses, which consist of recordkeeping, audit, and investment management fees. Allocations of earnings and expenses are based on the participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately fully vested in their contributions plus earnings on those contributions. The employers' matching contributions and profit-sharing contributions, if any, are subject to a vesting schedule. Participants will only become 100% vested after three years of continuous service.

Notes Receivable from Participants

Participants may borrow from their plan accounts from \$500 up to a maximum of \$50,000 or 50 percent of their vested account balances, whichever is less. Each loan is secured by the balance in the participant's account and bears interest at the prime rate that is published in *The Wall Street Journal* at the time the loan is made. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Distributions from amounts attributable to salary deferrals are not permitted before the age of 59½ except in the event of death, disability, termination of employment, or reasons of proven financial hardship. Distributions are made as lump-sum payments in the amount equal to the value of the participant's vested interest in his or her account.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. PLAN DESCRIPTION (CONTINUED)

Forfeitures

Terminating participants forfeit the non-vested portions of the participants' employer contributions. Forfeitures are used first to pay administrative costs of the Plan, and the remainder is then used to reduce future employer contributions. Forfeitures of \$80,143 were applied to offset the employers' contributions and administrative fees as of December 31, 2023. Forfeitures available as of December 31, 2023 and 2022, totaled \$111,834 and \$103,632, respectively.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting

The Plan presents its financial statements under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments that are valued at fair value include shares of registered investment companies (mutual funds) that are valued at quoted market prices which represent the net asset values of shares held by the Plan at year end. The Stable Value Fund is valued at contract value. The net asset and unit values represent the current market values of the underlying assets of the funds. Purchases and sales of securities are recorded on a trade-date basis. Interest revenue is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Plan loans that are in default and reported on Form 5500 as deemed distributions under tax rule §72(p), these loan distributions are not actual distributions for other purposes. The participants are still under obligation to repay the loans. The loan obligation is not extinguished until the loan is repaid, either by the participant through a resumption of loan payments, or by offset against the participant's accrued benefit. For the years ended December 31, 2023 and 2022, deemed distribution of loans reported on Form 5500 that are included in assets on the financial statements totaled \$139,660 and \$116,938, respectively.

Income Taxes

The Plan meets the requirements of the Internal Revenue Code (IRC) and ERISA to qualify as exempt from federal income taxes. The plan sponsor has obtained a volume submitter profit sharing plan opinion letter dated October 6, 2020, in which the Internal Revenue Service has determined that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Taxes (Continued)

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under that guidance, the Plan may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities based on the technical merits of the position. For the Plan, a tax position is the Plan's tax-exempt status under the provisions of the Internal Revenue Code (IRC) and ERISA. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. There were no unrecognized tax benefits related to uncertain tax positions identified or recorded as liabilities for the year ended December 31, 2023.

The Plan's policy would be to recognize interest and penalties, if any, on tax positions related to its unrecognized tax benefits in income tax expense in the financial statements. No interest and penalties were assessed or recorded during the year ended December 31, 2023. The Plan's Forms 5500, *Annual Return/Report of Employee Benefit Plan*, is open for inspection by the taxing authorities, generally for three years after filing.

Payment of Benefits

Benefits are recorded when paid.

Administrative and Other Expenses

The Plan's administrative expenses are paid by either the Plan or the Employer, as provided in the plan agreement. Other expenses include investment advisor and other fees.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Reliance Trust Company, the trustee of the Plan, has certified that the information related to investments included in the accompanying financial statements and supplementary schedule is complete and accurate.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs to the valuation methodology are unadjusted quoted prices for similar assets in active or inactive markets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were used only when Level 1 or Level 2 inputs were not available.

Registered Investment Companies: The fair value of the shares of mutual funds owned by the Plan is based on quoted market price values on the last business day of the plan year.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis as of December 31, 2023:

	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
<u>December 31, 2023</u>				
Mutual Funds	\$ 88,282,764	\$ 88,282,764	\$ -	\$ -
	<u>\$ 88,282,764</u>	<u>\$ 88,282,764</u>	<u>\$ -</u>	<u>\$ -</u>

The following table sets forth, by level within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis as of December 31, 2022:

	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
<u>December 31, 2022</u>				
Mutual Funds	\$ 68,474,397	\$ 68,474,397	\$ -	\$ -
	<u>\$ 68,474,397</u>	<u>\$ 68,474,397</u>	<u>\$ -</u>	<u>\$ -</u>

The preceding methods described may produce a fair value estimate that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. FULLY BENEFIT-RESPONSIVE CONTRACTS

The Plan participates in a fully benefit-responsive investment contract with Reliance Trust Company via an investment in the MetLife Reliance Stable Value Fund 25053 (SVF). This is an investment option within the group annuity contract that invests into the MetLife Group Annuity Contract. Stable Value funds seek to achieve stability by preserving principal and accumulated earnings. Stable Value funds are similar to money market funds but typically offer higher returns. The typical investments held in a Stable Value portfolio include GIC's, collateralized mortgage obligations, managed bond portfolios, and cash. Although Stable Value funds seek to preserve principal and earnings, but there can be no assurance this will be maintained. It is possible to lose money.

**NOTES TO FINANCIAL STATEMENTS

5. FULLY BENEFIT-RESPONSIVE CONTRACTS (CONTINUED)

Investments in funds are neither insured nor guaranteed by the United States government. Amounts invested at contract value as of December 31, 2023 and 2022, totaled \$3,602,374 and \$3,866,950, respectively.

6. PLAN TERMINATION

Although the Companies have not expressed any intent to do so, they have a right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants will become fully vested in their accounts.

7. RELATED PARTY TRANSACTIONS

Certain plan investments were managed by affiliates of Reliance Trust Company. Reliance Trust Company was the trustee as defined by the Plan. These transactions qualify as party-in-interest transactions. Fees and commission paid to Reliance Trust Company were \$146,373 for the year ended December 31, 2023.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) was signed into law on March 27, 2020, and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act) was signed into law December 29, 2019. These laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions.

Effective April 17, 2020, certain provisions were implemented under the CARES Act. The Plan will be formerly amended for the CARES Act and the SECURE Act provisions elected in accordance with applicable law and IRS guidance. Under Notice 2022-33 and Notice 2022-45, the IRS has extended the deadline for retirement plans to adopt the amendments required by the SECURE Act and the CARES Act until December 31, 2025.

11. SUBSEQUENT EVENTS

The Plan's management has evaluated subsequent events through September 18, 2024, the date on which the financial statements were available to be issued.
