INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of
Sun Gro Holdings Inc. Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of Sun Gro Holdings Inc. Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Sun Gro Holdings Inc. Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of Sun Gro Holdings Inc. Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sun Gro Holdings Inc. Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sun Gro Holdings Inc. Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sun Gro Holdings Inc. Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SUN GRO HOLDINGS INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. PLAN DESCRIPTION:

General

The following description of the Sun Gro Holdings Inc. Retirement Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

The Plan is a defined contribution plan established January 1, 1986 to provide benefits to all eligible employees of Sun Gro Holdings Inc. (the “Company” or the “Plan Sponsor”). The Plan is a flexible non-standardized prototype 401(k) profit sharing plan and is subject to the provisions of the Employment Retirement Income Security Act of 1974 (“ERISA”).

Eligibility

The Plan covers all employees of the Company who have completed 300 hours of service within three months following their date of hire.

Contributions

An eligible employee may make salary deferral contributions of up to 100% of eligible compensation as defined by the Plan. Employee contributions are made through payroll deductions. A participant’s contribution shall not exceed certain limits as provided by the Internal Revenue Code (“IRC”). Participants direct the investment of their contributions into various investment options offered by the Plan. Eligible participants may make “catch-up” contributions subject to certain limitations as defined by the IRC. Rollover contributions from other qualifying plans, as determined by the Plan administrator, may be contributed to the Plan. Participants shall be 100% vested in the value of their rollover account at all times.

The Plan includes an automatic deferral provision, whereby an eligible participant who is not deferring or is deferring below the initial automatic deferral percentage of 3%, will automatically have 3% of their compensation withheld and contributed to the Plan for the first two years of eligibility, increasing annually by 1% until a maximum of 10% of their compensation is withheld. A participant may complete a deferral change agreement at any time to elect an alternative deferral amount or to elect not to defer under the Plan.

The Plan allows the Company to make a discretionary qualified matching contribution. Effective January 1, 2023, the Company matches 100% of the first 3% of employee eligible compensation contributed to the Plan and an additional 1.5% for individuals contributing 6% or higher. Prior to January 1, 2023, the Company matched 100% of the amounts contributed by each participant, excluding rollover contributions, up to a maximum contribution of \$3,500 for each participant. Employer matching contributions are funded to the Plan following each pay date.

Participant accounts

Each participant’s account is credited with the participant’s contribution and an allocation of (a) the Company’s contribution, (b) Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participants’ account balances, participant earnings or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

SUN GRO HOLDINGS INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. PLAN DESCRIPTION: (CONTINUED)

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. To earn a year of service, a participant must be credited with at least 1,000 hours of service during the Plan year. A participant becomes 100% vested upon death, disability, retirement or after five years of credited service in the following increments:

<u>Vesting Schedule</u>	
<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Forfeited accounts

If a participant terminates employment at a time when the participant is less than 100% vested, the non-vested portion of employer contributions is forfeited. Forfeitures of the non-vested portion of terminated participants' accounts are maintained in a separate account and are used to reduce future employer contributions or pay Plan expenses. At December 31, 2023 and 2022, forfeited accounts totaled \$80,192 and \$96,718, respectively. Total accounts forfeited during 2023 and 2022 totaled \$35,558 and \$62,080, respectively. The Plan used \$53,102 and \$42,036 of forfeited accounts to reduce the Company matching contributions during the years ended December 31, 2023 and 2022, respectively.

Plan termination

The Company presently expects to continue the Plan indefinitely but reserves the right to amend or terminate it, subject to the provisions of ERISA. If the Plan were terminated, all amounts credited to participants would be fully vested and non-forfeitable.

Payment of benefits

Upon termination, death, disability, or attainment of normal retirement age, participants may receive a lump-sum amount equal to the value of their account. Distributions may also be made in installments to comply with minimum distribution rules required under the IRC. If a participant terminates employment and holds an account balance of \$5,000 or less, a single lump-sum payment will be distributed without the participant's written consent. Upon termination of employment, if the participant's account balance exceeds \$5,000, the participant may defer distribution up to the date determined by the required minimum distribution provisions of the Plan. In addition, during employment, a participant may withdraw all or a portion of their vested account balance upon attaining normal retirement age or to the extent necessary to meet a qualifying financial hardship.

SUN GRO HOLDINGS INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

1. PLAN DESCRIPTION: (CONTINUED)

SECURE 2.0 Act of 2022

The SECURE 2.0 Act of 2022 (the “Act”) was signed into law on December 29, 2022, to increase retirement savings, improve retirement rules, and lower employer costs of setting up a retirement plan. Plan amendments required by the Act generally need not to be made until the end of the first plan year beginning on or after January 1, 2026, however, plans must operate in accordance with effective date of each new provision.

Major provisions of this Act that may affect the Plan include:

- Required minimum distributions (“RMD”) age increased from 72 to 73 in 2023.
- Catch up contributions for any participants over age 50 who earn over \$145,000 are now required to be made on a Roth basis, effective January 1, 2026.
- SECURE 1.0 Section 112 and SECURE 2.0 Section 125 requires that employees who work three consecutive years (2021, 2022 and 2023) and reach 500+ hours of service will be eligible to defer into the plan, effective January 1, 2024. Effective January 1, 2025, the requirement will be reduced to two consecutive years of 500+ hours of service.
- Increased dollar threshold for mandatory distributions - For distributions after December 31, 2023, the involuntary distribution threshold will increase from \$5,000 to \$7,000.
- Effective January 1, 2025, plans must automatically enroll participants as they become eligible at a deferred rate of 3%.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of estimates

The preparation of the Plan’s financial statements in conformity with accounting principles generally accepted in the United States of America and Department of Labor (“DOL”) rules and regulations for reporting and disclosure under ERISA require the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition

Investments held by the Plan are stated at fair value, with the exception of fully-benefit responsive investment contracts which are stated at contract value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). Contract value reflects the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan and is the relevant measure for the portion of assets attributable to fully benefit-responsive investment contracts. All investments are participant directed.

SUN GRO HOLDINGS INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

Investment valuation and income recognition (continued)

The Plan administrator is responsible for determining the Plan's valuation policies and analyzing information provided by the investment advisors and record keeper that is used to determine the fair value of the Plan's investments. See Note 4 for further discussion of fair value measurements.

In accordance with the policy of stating investments at fair value, net unrealized appreciation (depreciation) in fair value is reflected in the Statements of Changes in Net Assets Available for Benefits. The net appreciation (depreciation) in the fair value of its investments consists of realized gains or losses and unrealized appreciation (depreciation) on those investments.

Purchase and sale of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest and other investment income is recorded as earned on an accrual basis.

Earnings on investments are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of each participant's individual account balance to the aggregate of participant account balances.

Payment of benefits

Benefit payments are recorded when paid.

Administrative expenses

The Plan's administrative expenses may be paid by the Plan, the Plan Sponsor, or deducted from participants' investment returns. Certain asset-based fees are deducted directly from each participant's investment returns. Certain other fees, including investment management fees, are paid by the Plan at the discretion of the Plan administrator from revenue sharing that the Plan receives from Empower Trust Company, LLC ("Empower"), as per a revenue sharing agreement. For the years ended December 31, 2023 and 2022, the Plan Sponsor paid certain administrative expenses of the Plan. Fees paid directly by the Plan Sponsor are not included in these financial statements.

Risks and uncertainties

The Plan offers a variety of investment vehicles. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

SUN GRO HOLDINGS INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

3. INFORMATION CERTIFIED BY THE CUSTODIANS:

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the custodians, certified to the Plan administrator the fair value and physical custody of investments and investment transactions to be complete and accurate as of and for the years ended December 31, 2023 and 2022, and investment income, and net appreciation (depreciation) of investments included in the statements of changes in net assets available for benefits; and the information contained in Notes 2, 4 and 5 concerning accounting policies for investments and the types of investments held and information included in the supplemental schedule of assets (held at end of year).

4. FAIR VALUE MEASUREMENTS:

The Plan follows established guidelines for a fair value hierarchy that prioritizes the inputs used to measure fair value. An asset or liability's classification within the hierarchy is determined based on the lowest level input that is significant to the fair value measurement. This hierarchy prioritizes the inputs into three broad levels as follows:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets or liabilities. Market price is generally obtained from exchange or dealer markets.
- Level 2 Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities. Inputs are obtained from various sources including market participants, dealers and brokers.
- Level 3 Unobservable inputs that are supported by little or no market activity as they trade infrequently or not at all and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at their daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are negotiated with the Securities and Exchange Commission. These funds are valued at the closing price recorded in the active market in which these individual securities are traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

SUN GRO HOLDINGS INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

4. FAIR VALUE MEASUREMENTS: (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	Fair Value Measurements			
	Total Fair Value	Level 1	Level 2	Level 3
<u>December 31, 2023</u>				
Mutual funds	\$ <u>20,219,718</u>	\$ <u>20,219,718</u>	\$ <u>-</u>	\$ <u>-</u>
<u>December 31, 2022</u>				
Mutual funds	\$ <u>18,183,949</u>	\$ <u>18,183,949</u>	\$ <u>-</u>	\$ <u>-</u>

5. INVESTMENT IN GROUP ANNUITY CONTRACT:

The Guaranteed Portfolio Fund is a fully benefit-responsive group annuity contract with Empower. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan and is not permitted to terminate the agreement prior to the scheduled maturity date.

Because the Guaranteed Portfolio Fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the Guaranteed Portfolio Fund. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. For 2023 and 2022, the rate credited to participants was 1.23% and .93%, respectively. Such interest rates are reviewed on an annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

SUN GRO HOLDINGS INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

6. TAX STATUS:

The Plan has adopted a prototype profit sharing plan that is sponsored by an affiliate of the custodians and record keeper that received an opinion letter dated November 14, 2022, in which the Internal Revenue Service (“IRS”) stated that the prototype plan, as designed, complied with the applicable requirements of the Internal Revenue Code. Although the Plan has amended since receiving the letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

During the year ended December 31, 2023, Plan management discovered an operational failure whereby the Plan failed to match certain employees’ contributions for two payroll periods. Plan management has taken the necessary steps to correct the error prior to year end. Plan management believes the final outcome of the correction process will not have a material impact on the Plan’s financial statements or the Plan’s qualified tax status.

During the year ended December 31, 2022, Plan management discovered an operational failure whereby the Plan failed to permit an employee to make an appropriate amount of elective deferral contributions. Plan management has taken the necessary steps to correct the error subsequent to year end. Plan management believes the final outcome of the correction process will not have a material impact on the Plan’s financial statements or the Plan’s qualified tax status.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

7. RELATED PARTY AND PARTIES-IN-INTEREST TRANSACTIONS:

Empower Annuity Insurance Company of America and Empower Trust Company, LLC are the custodians of the Plan’s investments; therefore, fees paid by the Plan to Empower qualify as party-in-interest transactions.

Under the terms of a revenue sharing agreement, each quarter Empower refunds and deposits into the Plan’s expense budget account certain excess fees, as defined by the agreement. These deposits were included as an offset to administrative expenses in the accompanying financial statements. For the years ended December 31, 2023 and 2022, the Plan received revenue sharing amounts of \$38,365 and \$39,362, respectively, which may be used to offset investment management fees or allocated to eligible participants. There was no funding allocated to eligible participants for the year ended December 31, 2023. The Plan allocated \$10,437 to eligible participants for the year ended December 31, 2022. For the years ended December 31, 2023 and 2022, the Plan used \$51,003 and \$51,338 of forfeitures to offset investment management fees, respectively. As of December 31, 2023 and 2022, \$12,381 and \$24,716 remained in the expense budget account, respectively.

Certain employees and officers of the Company, who may also be participants in the Plan perform administrative services at no cost to the Plan.

SUN GRO HOLDINGS INC. RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

8. RISKS AND UNCERTAINTIES:

The Plan provides for various investment fund options in any combination of mutual funds and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

9. SUBSEQUENT EVENTS:

Management has evaluated subsequent events through October 4, 2024, the date on which the financial statements were available to be issued.
