INDEPENDENT AUDITOR'S REPORT

To the Trustees and Participants
Raiz Federal Credit Union 401(k) Plan & Trust
El Paso, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Raiz Federal Credit Union (formerly known as El Paso Area Teachers Federal Credit Union) 401(k) Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statements of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Item 4i- Schedule of Assets Held for Investment Purposes as of or for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed

to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

RAIZ FEDERAL CREDIT UNION 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the Raiz Federal Credit Union 401(k) Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all eligible employees of Raiz Federal Credit Union (the Credit Union) who have completed three months of service and are twenty years of age or older. The Plan qualifies as a tax-exempt Plan under the provisions of the Internal Revenue Code and complies with the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees are responsible for oversight of the Plan and determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Effective January 1, 2013, the Plan elected to be treated as an Eligible Automatic Contribution Arrangement/Qualified Automatic Contribution Arrangement (EACA/QACA) Safe Harbor Plan, which exempts the Plan from certain nondiscrimination testing of elective contributions or matching contributions. The safe harbor provisions require that the Plan make minimum employer contributions and that all eligible employees receive a written notice spelling out employee rights and employer obligations before the start of a Plan Year. The EACA/QACA safe harbor Plan is an annual election and can be changed at the discretion of Plan management. This election was completed by Plan management for the year ended December 31, 2023.

Administration of Plan Assets: The Plan is administered by the Raiz Federal Credit Union. The Plan's assets, which consist principally of mutual funds, are held by the Custodian of the Plan. Contributions are held and managed by the Custodian, which invests cash received, interest, and dividend income and makes distributions to participants.

Contributions: All eligible employees may voluntarily contribute a specific amount or a percentage of their pretax compensation, as defined in the Plan, up to the maximum amount allowable under Internal Revenue Code limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and will automatically increase by 1% of compensation per year up to a maximum of 10% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Credit Union makes matching contributions under the annual safe harbor election. For 2023 and 2022, the safe harbor employer match contribution was 100% of the participant's elective deferrals that did not exceed 6% of the participant's compensation, as defined.

The Credit Union may also elect to make discretionary profit-sharing contributions to the Plan on behalf of all eligible employees. The amount or percentage of employer contributions is selected at the discretion of the Credit Union's Board of Directors on an annual basis.

RAIZ FEDERAL CREDIT UNION 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (continued)

Eligible employees do not have to meet any service-hours requirement or be employed as of the end of the year in order to be eligible for discretionary contributions by the Credit Union. Total contributions are subject to Internal Revenue Service limitations. The Credit Union did not make any discretionary contributions to the Plan during the Plan years ended December 31, 2023 and 2022.

Participant Accounts: Each participant's account is credited with the participant's contribution, the Credit Union's safe harbor match contribution, the Credit Union's discretionary profit-sharing contribution, an allocation of Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their contributions plus earnings. Participants are 100% vested in employer safe harbor contributions after two years of service. For all other employer contributions, the participants become 100% vested after three years of service.

Forfeitures: Forfeited, non-vested account balances at December 31, 2023 and 2022 totaled \$959 and \$561, respectively. As specified in the Plan documents, such balances will be used to reduce future employer contributions.

Investment Options: Participants direct the investment of their accounts to selected investment funds as made available and determined by the Plan Custodian and adopted by the Plan Administrator. Participants may change their allocation in investment options at any time, via direct phone and internet access to the custodian.

Notes Receivable from Participants: Participants may borrow from their investment accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loans fund. Loans must be repaid within 5 years unless the loan is used for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates that range from 4.25% to 9.50%, which are commensurate with national prevailing rates, as adopted by the Plan Administrator. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: Participants are eligible for benefit payment upon termination of employment, disability, death, early retirement, normal retirement after attaining age 59 ½ and upon a qualifying financial hardship. The plan also allows for in-service distributions for participants who have obtained retirement age and continue to be employed by the Credit Union and are 100% vested in their accounts. A participant may elect to receive the value of the participant's vested interest in his or her account either in (1) a lump-sum amount, (2) installments over a certain period not extending beyond the life expectancy of the participant, (3) installments over a certain period not extending beyond the joint and last survivor's life expectancy, or (4) fixed or variable installments to equal or exceed any required minimum distributions until the balance of the account is depleted.

NOTES TO FINANCIAL STATEMENTS

Note 2. Summary of Significant Accounting Policies

The significant accounting policies of the Plan are summarized as follows:

Basis of Accounting: The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition: The Plan's investments are based on the estimated fair value of the underlying investments in the trust. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: The Plan has evaluated subsequent events through October 7, 2024, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

FASB ASC 820-10-35, *Fair Value Measurements and Disclosures* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820-10-35 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

RAIZ FEDERAL CREDIT UNION 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements (continued)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the net asset value (NAV) of shares, which is based on quoted prices for identical assets in active markets, held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 14,179,070	\$ -	\$ -	\$ 14,179,070
Total assets at fair value	\$ 14,179,070	\$ -	\$ -	\$ 14,179,070

Note 3. Fair Value Measurements (continued)

	Assets at Fair Value as of December 31, 2022			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 12,029,850	\$ -	\$ -	\$ 12,029,850
Total assets at fair value	\$ 12,029,850	\$ -	\$ -	\$ 12,029,850

Note 4. Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Certain administrative functions are performed by officers or employees of the Credit Union. No such officer or employee receives compensation from the Plan. Certain other administrative expenses are paid by the Credit Union, which is then reimbursed by the Plan.

Note 5. Investment Contracts with Insurance Company

The Plan has a benefit-responsive deposit administration contract (DA) with CUNA Mutual Insurance Society (CUNA). This is a traditional GIC contract which is guaranteed by CUNA. CUNA maintains the Plan's deposits in a general account, to which it adds interest at the contract rate. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rates are based on a formula agreed upon with the issuer. Contract value for the guaranteed investment contracts were \$1,066,904 and \$1,020,544 for December 31, 2023 and 2022, respectively.

Note 6. Information Certified by the Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the value of investments and notes receivables which were \$15,245,974 and \$497,777 as of December 31, 2023 and \$13,050,394 and \$360,381 as of December 31, 2022 certified by Matrix Trust Company and CMFG Life Insurance Company, respectively, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule.

RAIZ FEDERAL CREDIT UNION 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

Note 6. Information Certified by the Custodian (Continued)

The custodian also certified to the completeness and accuracy of \$360,871 of interest related to the aforementioned investments and \$27,602 of interest related to note receivables from participants for the year ended December 31, 2023, and \$1,931,967 of net appreciation in fair value of the variable investment contracts, including gains and losses on investments bought and sold, as well as held during the year.

Note 7. Related Party Transactions

The Plan assets are managed by CUNA Mutual Insurance Society and therefore, the transactions with the custodian qualify as exempt party-in-interest transactions. The administrative fee paid to CUNA was \$59,241 in 2023 and is included in the accompanying statement of changes in net assets available for benefits.

Note 8. Plan Termination

Although it has not expressed any intent to do so, the Credit Union has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 9. Income Tax Status

The Plan obtained its latest determination letter on July 7, 2010, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, no uncertain positions are taken or are expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
