Independent Auditor's Report

To the Retirement Plan Committee
Frit, Inc. and Affiliated Companies Employee Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Frit, Inc. and Affiliated Companies Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Frit, Inc. and Affiliated Companies Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Frit, Inc. and Affiliated Companies Employee Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Frit, Inc. and Affiliated Companies Employee Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Frit, Inc. and Affiliated Companies Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Frit, Inc. and Affiliated Companies Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) for the year ended December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1. Description of Plan

The following description of the Frit, Inc. and Affiliated Companies Employee Savings Plan ("Plan") provides only general information. Participants should refer to the Plan Document for a complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of Frit, Inc. and Affiliated Companies ("Company") who have completed at least one qualifying year of service and are 21 or older. Eligible employees may enter the Plan on the first day of each quarter of the Plan year coinciding with or immediately following the date the eligibility requirements have been met. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee Contributions: Eligible employees can elect to contribute an amount up to 100% of their compensation, as defined in the Plan, subject to certain limitations under the Internal Revenue Code. Participants who have attained the age of 50 before the end of the Plan year are eligible for catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Employer Contributions: The Company can contribute the following: (1) a discretionary matching contribution equal to a percentage of compensation and (2) a discretionary nonelective contribution. For the years ending December 31, 2023 and 2022, the Company made discretionary matching contributions of \$322,629 and \$346,392, respectively. There were no discretionary nonelective contributions for 2023 or 2022.

Participants Accounts: Each participant's account is credited with the participant's contributions, the allocations of the Company's contribution, and allocations of Plan earnings. Earnings allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contributions portion of their accounts plus earnings thereon is based on years of service. A participant is 100% vested after six years of credited service as follows:

2 years of service	20%
3 years of service	40%
4 years of service	60%
5 years of service	80%
6 years of service	100%

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1. Description of Plan, Continued

Payment of Benefits: Upon termination of service, death, disability, and retirement, a participant may elect to receive a lump sum payment of his or her total vested account. If his or her vested account balance is between \$1,000 and \$5,000, the participant must take his or her vested account from the Plan or the Plan Administrator has the option to roll it over to an IRA that is established for the participant. If his or her vested account balance is greater than \$5,000, the participant is not required to take a payment from the Plan until the required distribution rules apply to the participant. In-service distributions are available for employees age 59½ or older and for qualifying hardships.

Notes Receivable from Participants: Participants may borrow from their accounts a minimum of \$1,000 up to 50 percent of their vested account balance, provided such loan does not exceed \$50,000. The loans are secured by the balance in the participant's account and bear interest at reasonable rates, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest are paid periodically over a period not to exceed five years.

Forfeited Accounts: Plan forfeitures may be used to first offset Plan administrative expenses and then to reduce employer contributions. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$2,959 and \$12,474, respectively. For the years ended December 31, 2023 and 2022, \$15,094 and \$17,893 were used to pay for Plan administrative expenses. For the years ended December 31, 2023 and 2022, no forfeitures were used to reduce employer contributions.

Auto Enrollment: The Plan includes an automatic salary deferral feature. The employer will automatically defer 3% of the employee's compensation on the date the employee becomes eligible to participate in the Plan unless the employee elects not to participate in the Plan or elects a different deferral amount. The automatic deferral percentage will increase 1% on the first day of each plan year thereafter up to 6% maximum.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting: The financial statements of the Plan have been prepared using the accrual method of accounting.

Use of Estimates: In preparing financial statements in conformity with generally accepted accounting principles, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 2. Summary of Significant Accounting Policies, Continued

Investment Valuation and Income Recognition: Shares of mutual funds are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. Amounts shown in Note 6 for securities that do not have quoted market prices available are stated at estimated fair value based on the latest appraisal available. See Note 3 for further discussions on fair value.

Purchases and sales are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 or 2022. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Operating Expenses: The Plan Sponsor provides certain administrative and accounting services to the Plan at no cost. Most administrative expenses are paid directly by the Plan Sponsor and include audit, accounting and legal fees. Administrative expenses directly allocable to individual participant-directed accounts are paid from the participant's account.

Payment of Benefits: Benefits are recorded when paid.

Subsequent Events: The Plan has evaluated the need for disclosures and/or adjustments resulting from subsequent events through October 7, 2024, the date the financial statements were available to be issued. This evaluation did not result in any subsequent events that necessitated adjustments.

Note 3. Information Certified by the Trustee (Unaudited)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements, which was prepared by the current Trustee of the Plan, and furnished to the Plan Administrator. The current Trustee is Ascensus Trust Company. The Plan Administrator has obtained certifications from the Trustee that such information is complete and accurate:

	2023	2022
Investments at Fair Value		
Mutual funds	\$ 3,579,614	\$ 3,056,719
Common collective trusts	4,945,298	4,398,963
Total investments	<u>\$ 8,524,912</u>	<u>\$ 7,455,682</u>
Notes receivable from participants	<u>\$ 272,530</u>	<u>\$ 270,991</u>

The current Trustee also certified to the completeness and accuracy of \$1,273,268 and (\$1,778,822) of net appreciation (depreciation) in fair value of investments, \$63,467 and \$52,747 of interest and dividend income, (\$169,671) and \$117,277 of other income, and \$14,059 and \$14,586 of interest income on notes receivable from participants related to the aforementioned investments for the years ended December 31, 2023 and 2022, respectively.

Note 4. Investments

The following table presents the fair value of investments that were not certified by the Trustee:

	2023	2022
Frit, Inc. Common Stock, based on appraisal	<u>\$ 302,805</u>	<u>\$ 515,750</u>

Many factors are considered in arriving at estimated fair value. The investment in Frit, Inc. common stock as of December 31, 2023 and 2022 was valued by a third-party appraiser as of June 30, 2023 and 2022, respectively. The Plan Administrator estimated the per share value at December 31, 2023 and 2022, of the Frit, Inc. Common Stock to be unchanged in comparison to the June 30, 2023 and 2022 appraisal value.

Note 5. Nonparticipant-Directed Investments

Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments is as follows:

	2023	2022
Net assets:		
Frit, Inc., Common Stock	\$ 302,805	\$ 515,750
Changes in net assets:		
Net appreciation (depreciation)	\$ (169,671)	\$ 118,367
Benefits paid to participants	(43,274)	(22,399)
	<u>\$ (212,945)</u>	<u>\$ 95,968</u>

Note 6. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data or correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be relevant observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

FRIT, INC. AND AFFILIATED COMPANIES
EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 6. Fair Value Measurements, Continued

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued at the fund's per unit NAV provided by the fund's Trustee. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

Company Stock: Valued by third party appraiser based on the audited financial statements of the Company.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	<i>Assets at Fair Value as of December 31, 2023</i>			
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>

<i>Assets at Fair Value as of December 31, 2022</i>

Mutual funds	\$ 3,056,719	\$ -	\$ -	\$ 3,056,719

Investments measured at net asset value				4,398,963
				<u>\$ 7,971,432</u>

The redemption frequency for participant transactions (purchases and sales) in the common collective trust fund occurs daily. If the Plan were to initiate a full redemption of the fund, written notice would be required and the transfer will be within twelve months following the written notice. There are no unfunded commitments in this fund.

For the Plan's Level 3 investments, there were no transfers in and out and there were no issues of Level 3 investments for the years ending December 31, 2023 and 2022, respectively. There were \$43,274 and \$22,399 of purchases of Level 3 investments for the years ending December 31, 2023 and 2022, respectively.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Note 8. Tax Determination

The prototype non-standardized profit sharing plan with cash or deferred arrangement (CODA) was adopted by the Company and obtained its latest determination letter on June 30, 2021, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, the Plan Administrator believes the Plan is qualified and the related trust is tax-exempt as of the financial statement date.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 8. Tax Determination, Continued

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination. The Plan is subject to audits by tax authorities; however, there are currently no audits in progress for any tax periods.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Related Party and Party-in-Interest Transactions

Certain plan investments are managed by Ascensus Trust Company, the current Trustee, as defined by the Plan. Therefore, these transactions qualify as party-in-interest. The Plan also invests in the stock of Frit, Inc. which qualifies as party-in-interest. Fees paid by the Plan to Ascensus Trust Company for services rendered amounted to \$37,735 and \$43,161 for the years ended December 31, 2023 and 2022, respectively.
