INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Kent Moore Cabinets, Ltd. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Kent Moore Cabinets, Ltd. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits – modified cash basis as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits – modified cash basis for the year ended December 31, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of the year ended December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Lyn Kuciemba, CPA | James Larkin, CPA | AJ Taylor, CPA | R. Logan Kendrick, CPA, ABV

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Kent Moore Cabinets, Ltd. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Kent Moore Cabinets, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Kent Moore Cabinets, Ltd. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Kent Moore Cabinets, Ltd. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters

As described in Note 2, these financial statements and supplemental schedule were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

KENT MOORE CABINETS, LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1 – Plan Description

The following description of the Kent Moore Cabinets, Ltd., 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Kent Moore Cabinets, Ltd. (the Company) who have one year of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrative Committee oversees governance of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Each year, participants may contribute up to 60% of their pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, a self-directed brokerage account, and a managed income portfolio (common trust) as investment options for participants. The Company matches employee contributions up to 25% of the first 4% on eligible compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which the participant is entitled is the benefit that can be provided from the participant's vested account. The Plan utilizes an auto-enrollment and auto-escalate policy. Upon completion of the eligibility requirements, employees are automatically enrolled at a 1% contribution rate. In addition, existing participants have their contribution rate increased 1% every July, effective during the first pay period in August, up to a maximum of 10%. If desired, participants can instruct otherwise or decline each of these policies.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of participants' accounts plus earnings thereon is based on years of continuous service. Vesting begins at 20% after year two and increases by 20% each year until being fully vested after six years of service.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 1 – Plan Description (continued)

Participant Loans

Participants may borrow from their fund accounts subject to limitations defined in the Plan. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate determined at the time of application considering the purpose of the loan and prevailing rates. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump sum amount. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

The forfeiture account totaled \$6,402 and \$6,714 as of December 31, 2023 and 2022, respectively. Forfeited amounts may be used to pay plan administrative expenses or to fund employer contributions.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared using the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. This basis differs from generally accepted accounting principles in that contributions are recognized when the Plan trustee receives them and excess contributions are recognized when the Plan trustee distributes them.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. If available, quoted market prices are used to value investments. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the cash basis.

KENT MOORE CABINETS, LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 2 – Summary of Significant Accounting Policies (continued)

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2023 and 2022, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Note 3 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 4 – Tax Status

The Plan is a non-standard prototype plan which has received an opinion letter dated June 30, 2020 from the Internal Revenue Service stating the Plan qualifies under Section 401 of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe the Plan is qualified and the related trust is tax-exempt. The Plan is not a taxpaying entity for income tax purposes and, accordingly, no provision has been made for income taxes. The Plan's management believes it has appropriate support for any tax positions taken, and as such, does not have any uncertain tax positions that are material to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

KENT MOORE CABINETS, LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 6 – Information Prepared and Certified by Trustee

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the Trustee).

Note 7 – Fair Value Measurements

FASB ASC 820-10, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted market prices in active markets for identical assets and have the highest priority, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. For those assets measured at net asset value, there are no significant restrictions on the Plan's ability to sell the investments at December 31, 2023.

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The Plan's investments are valued using Level 1 inputs. These are as follows:

- Mutual funds – based on a quoted market price available on an active market.
- Common/collective trusts (CCTs) – are invested in collective trust funds as well as a variety of separate accounts and mutual funds. The fair value of the CCTs and the separate accounts are not publicly quoted pricing inputs. The fair value of mutual funds are publicly quoted pricing inputs. The fair value of all these investments are used in determining the net asset value (NAV) of the CCTs, which are not publicly quoted but are available to current investors via the Fidelity website or when plan participants access their account values. The NAV is the basis for current transactions, and CCTs can be redeemed at NAV as of the measurement date. Therefore, it is reasonable to conclude CCTs have a "Readily Determinable Fair Value, implying they are valued similarly to mutual funds and are most accurately classified as Level 1 investments.

KENT MOORE CABINETS, LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 7 – Fair Value Measurements (continued)

- Self-directed investment funds – are invested in a variety of separate accounts and mutual funds. The majority of the underlying securities have observable level 1 quoted pricing inputs. The fair value of mutual funds are publicly quoted pricing inputs. For securities that do not have a publicly quoted pricing input, the NAV is available to current investors via the Fidelity website or when plan participants access their account values. The NAV is the basis for current transactions, and the self-directed investments can be redeemed at NAV as of the measurement date. Therefore, it is reasonable to conclude that the self-directed investments have a "Readily Determinable Fair Value, implying they are valued similarly to mutual funds and are most accurately classified as Level 1 investments.

The following table sets forth, by level within the hierarchy, the Plan's investments at fair value:

December 31, 2023	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 23,557,545	\$ 23,557,545
Common/collective trusts	1,511,547	1,511,547
Self-directed investment funds	586,563	586,563
Total assets at fair value	<u>\$ 25,655,655</u>	<u>\$ 25,655,655</u>
 December 31, 2022	 <u>Level 1</u>	 <u>Total</u>
Mutual funds	\$ 17,715,198	\$ 17,715,198
Common/collective trusts	1,558,332	1,558,332
Total assets at fair value	<u>\$ 17,715,198</u>	<u>\$ 17,715,198</u>

Note 8 – Party-in-Interest Transactions and Administrative Expenses

The Plan pays fees to Fidelity Investments Institutional as the recordkeeper and Morgan Stanley Global Banking for investment advisory services. The fees are included in administrative expenses in the accompanying statement of changes in net assets available for benefits – modified cash basis. KENT MOORE CABINETS, LTD. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Note 10 – Other Findings

During 2023, management identified several errors relating to participant and employer contributions from pay periods for the year ended December 31, 2022. Management made a corrective contribution to the plan on October 24, 2023 to remedy these errors. As the financial statements are reported on a modified cash basis, no receivable was recorded as of December 31, 2022, and a corrective contribution of \$1,388 is included in the accompanying statement of net assets available for benefits – modified cash basis for the year ended December 31, 2023.

Note 11 – Subsequent Events

Subsequent to year end, management identified several employees who received matching contributions in excess of the 2023 annual IRS limit. The excess funds amounted to approximately \$11,000 and were refunded to participants in May 2024 and are not included in the accompanying financial statements.

Subsequent to year end, management identified a pay code that was incorrectly excluded from eligible compensation. Additionally, management identified an issue in its payroll processing software that limited employee contributions for a number of plan participants to an amount below the annual IRS limit. Management has calculated the amount of corrective contributions to be approximately \$27,500. As of the date of this report, management was working with the recordkeeper to finalize the remediation and reporting process. As the financial statements are reported on a modified cash basis, no receivable or income has been recorded in the accompanying financial statements.

In February 2024, the Plan approved changes to the auto-enrollment and auto-escalate policies. As a result, the auto-enrollment rate increased from 1% to 3% and the maximum auto-escalate percentage increased the from 10% to 15%.

The Plan's management has evaluated subsequent events through October 3, 2024, which is the date the financial statements were available to be issued.
