The Navigators 403(b) Supplemental Retirement Plan

Colorado Springs, Colorado

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have audited the accompanying financial statements of The Navigators 403(b) Supplemental Retirement Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("Investment Information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency ("Qualified Institution"), provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a Qualified Institution as of and for the years ended December 31, 2023 and 2022, stating that the certified Investment Information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified Investment Information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("US GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("US GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of the report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with US GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified Investment Information, except for obtaining and reading the certification, comparing the certified Investment Information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified Investment Information to assess whether they are in accordance with the presentation and disclosure requirements of US GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with US GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audits.

Other Matters

Supplementary Schedules Required by ERISA

The supplementary information, as identified in the table of contents, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The supplementary information, other than that agreed to or derived from the certified Investment Information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For supplementary information that agreed to or is derived from the certified Investment Information, we compared such information to the related certified Investment Information.

In forming our opinion on the supplementary information, we evaluated whether the supplementary information, other than the information agreed to or derived from the certified Investment Information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary information, other than the supplementary information agreed to or derived from the certified Investment Information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The supplementary information related to assets held by and certified to by a Qualified Institution agrees to, or is derived from, in all material respects, the information prepared and certified to by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

THE NAVIGATORS 403(B) SUPPLEMENTAL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

1. PLAN DESCRIPTION

The following description of the The Navigators 403(b) Supplemental Retirement Plan ("Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan, which became effective January 1, 1992, is a defined contribution plan covering all eligible employees of The Navigators ("Organization"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

Eligible employees include all employees, except temporary employees, as defined in the plan document. Employees are immediately eligible to defer to the Plan upon hire. Employees must be 21 years old and have achieved one year of service to be eligible to receive nonelective employer contributions.

Contributions

Participants may elect to have a portion of their compensation withheld by the Organization and contributed to the Plan on their behalf as an elective contribution in lieu of receiving such amount as compensation. The Plan is intended to qualify under Section 401(k) of the Internal Revenue Code ("Code"). Deferral contributions cannot exceed certain limits as set forth by the Code (\$22,500 and \$20,500 in 2023 and 2022, respectively; \$30,000 and \$27,000 for employees age 50 or older in 2023 and 2022, respectively). The Internal Revenue Service ("IRS") adjusts this limitation each year for cost-of-living increases. Participants may elect to exclude contributions of up to the legal maximum from compensation subject to current income tax and such amounts will be characterized as salary reduction contributions. Contributions from Plan participants are recorded in the year in which the employee contributions are withheld from compensation.

The Organization contributes 5.5% of each eligible participant's annual compensation as nonelective employer contributions which totaled \$4,131,123 and \$3,889,925 for the years ended December 31, 2023 and 2022, respectively. Subsequent to year end, the Plan was amended to calculate the employer nonelective contribution based on the eligible participant's participating compensation.

See independent auditor's report.

THE NAVIGATORS 403(B) SUPPLEMENTAL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

The Organization has an automatic enrollment feature for participants after two years of employment. The default contribution rate is set at 3% and the default investment option is a target date retirement portfolio based on the age of the participant. The initial automatic deferral rate increases by 1% of compensation up to a maximum of 9% on the first day of each plan year. Employees may elect not to participate. Rollover contributions are accepted, as permitted by the Plan.

Participant accounts

Each participant's account is increased with the participant's contributions, the Organization's contributions and his or her share of plan earnings, and is decreased by the participant's distributions and his or her share of plan losses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and the Organization's contributions plus actual earnings thereon.

Plan termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would remain 100% vested in the Organization's employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("US GAAP") requires the use of estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

See independent auditor's report.

THE NAVIGATORS 403(B) SUPPLEMENTAL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

Investment valuation

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Income recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of benefits

Benefits are recorded when paid.

Plan administrative fees

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements.

Tax status

The Plan, which is a prototype plan, obtained its latest advisory letter on August 7, 2017, stating that the prototype plan is qualified under Section 401 of the Code. The IRS stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Code. The Plan has been amended since receiving the advisory letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

US GAAP requires plan management to evaluate income tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the income tax positions taken by the Plan, and concluded that as of December 31, 2023 and 2022, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

See independent auditor's report.

Subsequent events

Plan management evaluated subsequent events through the date of the attached independent auditor's report, the date these financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Fidelity Management Trust Company as of and for the years ended December 31,:

	<u>2023</u>	<u>2022</u>
Investments, at fair value:		
Mutual funds	\$ 98,430,526	\$ 76,506,767
Self-directed accounts	3,221,641	2,451,251
Investments, at contract value:		
Group annuity contract	<u>877,166</u>	<u>888,204</u>
Total investments	<u>\$ 102,529,333</u>	<u>\$ 79,846,222</u>
Investment income	<u>\$ 16,272,406</u>	<u>\$ (17,163,280)</u>

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce amounts that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used between December 31, 2023 and 2022.

See independent auditor's report.

THE NAVIGATORS 403(B) SUPPLEMENTAL RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three levels:

Level 1 - Quoted prices in active markets for identical assets or liabilities

Level 2 - Observable inputs other than prices included in Level 1, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated with observable market data

Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities

The valuation methodologies used for assets measured at fair value are as follows:

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Self-directed brokerage accounts - Valued at the closing price recorded on the market on which the individually-owned securities are traded.

Fair value measurements of assets recognized in the accompanying financial statements, measured at fair value on a recurring basis, consist of the following as of December 31,:

	2023		
	Level 1	Level 2	Level 3
Mutual funds	\$ 98,430,526	\$ -	\$ -
Self-directed accounts	-	3,221,641	-
	<u>\$ 98,430,526</u>	<u>\$ 3,221,641</u>	<u>\$ -</u>
			<u>\$ 101,652,167</u>

See independent auditor's report.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

	2022			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 76,506,767	\$ -	\$ -	\$ 76,506,767
Self-directed accounts	-	2,451,251	-	2,451,251
	<u>\$ 76,506,767</u>	<u>\$ 2,451,251</u>	<u>\$ -</u>	<u>\$ 78,958,018</u>

5. INVESTMENT CONTRACTS

Non-benefit-responsive fixed annuity contracts are reported at contract value, which approximates fair value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. The MetLife Fixed annuity contracts guarantee a minimum rate of 3% per annum.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: 1) layoffs, 2) early retirement windows, 3) spin-offs, 4) sale of a division, 5) facility closings, 6) full or partial plan terminations, 7) changes to laws and regulations.

The following table presents the contract value of each type of non-benefit-responsive investment contract as of December 31,:

	2023	2022
Traditional contract	<u>\$ 877,166</u>	<u>\$ 888,204</u>

6. PARTIES IN INTEREST

The Organization and several officers or employees of the Organization, as fiduciaries of the Plan, are deemed to be parties in interest. The third-party administrator and trustee, Fidelity Management Trust Company; the plan auditors; and investment advisors are also parties in interest.

See independent auditor's report.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022

7. RISKS AND UNCERTAINTIES

The Plan provides for various investments. Investments, in general, are exposed to risks, including interest rate, market, and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and potentially the participants' abilities to withdraw funds from certain investment accounts. These risks could impact the amounts reported in the statements of net assets available for benefits.
