INDEPENDENT AUDITORS' REPORT

The Plan Administrator
MAPAL, Inc. Office 401(k) Plan
Port Huron, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of MAPAL, Inc. Office 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of MAPAL, Inc. Office 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of MAPAL, Inc. Office 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about MAPAL, Inc. Office 401(k) Plan's ability to continue as a going concern for within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of MAPAL, Inc. Office 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about MAPAL, Inc. Office 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MAPAL, INC. OFFICE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 1 - Description of Plan

The following summary description of the MAPAL, Inc. Office 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for more complete information of the Plan's provisions.

General - The Plan is a defined contribution plan available to all non-union employees of MAPAL, Inc. (Company) who are age 19 or older. Employees are immediately eligible to participate as defined by the Plan. The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan assets are held in a trust and were managed by Principal Life Insurance Company (Principal) and Voya Retirement Insurance and Annuity Company (Voya), who was appointed by the Company. Plan management is responsible for oversight of the Plan. Plan management determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Trustees.

Contributions - Each year, participants may contribute a percentage of pretax annual compensation as defined by the Plan, subject to certain IRS limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan sponsor may make matching contributions as defined in the Plan document. The Plan sponsor made safe harbor matching contributions of 4% of compensation that a participant contributed to the Plan for 2023, which amounted to \$442,996.

Participant accounts - Each participant's account is credited with the participant's contributions and Company's matching contributions as well as allocations of the Company's non-elective matching contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. Participants are immediately 100% vested in the Company's safe harbor matching contribution.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account. Repayments are made through payroll deductions and all payments of principal and interest are credited back to the participant's account. The interest rate is determined based on the prevailing rate at the time the loan is granted.

Payment of benefits - Upon termination of service due to death, disability, retirement or separation of employment, a participant, or beneficiary thereof, shall be eligible to receive a distribution of the balance of the participant's vested interest in his or her account.

MAPAL, INC. OFFICE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 1 - Description of Plan - (Continued)

Forfeited accounts - At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$456 and \$357, respectively. These accounts will be used to pay Plan expenses and then used to reduce future employer contributions. In 2023, there were no forfeited amounts used to reduce employer contributions or pay plan expenses.

NOTE 2 - Summary of Significant Accounting Policies

Basis of accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at the contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, Principal and Voya. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date and interest income is accrued as earned. Net appreciation and depreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Contributions - Contributions for Plan participants and the matching contributions from the employer are recorded in the year in which the participant contributions are withheld from compensation. At December 31, 2023, there were employer contribution receivables of \$20,837 and participant contribution receivables of \$30,713. There were no participant or employer contribution receivables as of December 31, 2022. No allowance for credit losses have been recorded as of December 31, 2023 and 2022.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 2 - Summary of Significant Accounting Policies - (Continued)

Payment of benefits - Benefits are recorded when paid

Expenses - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment related expenses are included in net appreciation and depreciation of fair value of investments. The Plan pays recordkeeping fees which make up administrative expenses.

Subsequent events - The Plan has evaluated subsequent events through September 10, 2024, the date the financial statements were available to be issued. There were no subsequent events that required disclosure.

NOTE 3 - Certified Investments

Principal Life Insurance Company and Voya Retirement Insurance and Annuity Company hold the Plan's investments and notes receivable from participants and executes all related transactions. The investment and notes receivable from participant balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by Principal Life Insurance Company and Voya Retirement Insurance and Annuity Company.

NOTE 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

MAPAL, INC. OFFICE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 4 - Fair Value Measurements - (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Pooled separate accounts - Valued at fair value based on the net asset value (NAV) of similar shares held by the plan at year end. They are similar to mutual funds but are only available to group annuity contract holders.

Mutual funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 1,310,322	\$ -	\$ 1,310,322

MAPAL, INC. OFFICE 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023 AND 2022

NOTE 5 - Fully Benefit-Responsive Interest Contract

The Plan has a traditional fully benefit-responsive guaranteed interest contract with Principal totaling \$1,992,819 at December 31, 2023 and with Voya totaling \$518,663 at December 31, 2022. Principal and Voya maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer at 1.55%. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed interest contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive interest contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive interest contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal and Voya, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include the following:

- The Plan's failure to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA.
- Amendments to the Plan documents (including complete or partial premature termination of contracts)
- Plan termination or merger with another Plan
- Changes to the Plan's prohibition on competing investment options
- Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Such events include the following:

- An uncured violation of the Plan's investment guidelines
- A breach of material obligation under the contract
- A material misrepresentation
- A material amendment to the agreements without the consent of the issuer.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 6 - Related-Party Transactions and Party In Interest Transactions

Certain plan investments are units of pooled separate accounts, mutual funds and guaranteed interest accounts managed by Principal and Voya. Principal and Voya are the custodian as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment as they are paid through revenue sharing rather than a direct payment.

For the year ended December 31, 2023, the Plan makes payments to Principal for contract administration expenses not covered by revenue sharing.

For the year ended December 31, 2023, the Plan makes payments to The Benefit Advantage, Inc. for third party administration expenses.

Certain administrative functions are performed by officers and employees of the Company. No officer or employee receives compensation from the Plan for these services.

NOTE 7 - Plan Termination

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to amend, modify, terminate or partially terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their employer contributions.

NOTE 8 - Tax Status

The Plan is a prototype plan. The prototype plan has received a favorable opinion letter from the Internal Revenue Service indicating that the Plan meets the requirements of Section 501(a) of the Internal Revenue Code and is exempt from taxation. Accordingly, no provision for Federal income taxes has been recorded in the financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS and state authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE 9 - Risks and Uncertainties

The Plan provides for various investment options in a general fixed account and pooled separate accounts. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
