INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
Future Ford of Concord 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Future Ford of Concord 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Future Ford of Concord 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT (continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Future Ford of Concord 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Future Ford of Concord 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Future Ford of Concord 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Future Ford of Concord 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, and the Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITORS' REPORT (continued)

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FUTURE FORD OF CONCORD 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023

Note 1: Description of Plan

The following description of the Future Ford of Concord 401(k) Plan provides only general information. Participants should refer to the Plan agreement and Summary Plan Description for a more complete description of the Plan's provisions.

General. The Future Ford of Concord 401(k) Plan is a defined contribution plan and was established to provide retirement benefits for the employees of the participating companies ("the Company"). The participating companies are Future Ford of Concord, LLC, the Plan sponsor; Future Automotive Concord, Inc; and Future Automotive of Fairfield, Inc. All employees of the Company, excluding employees covered under collective bargaining agreements, non-resident aliens, and leased employees, are eligible to participant in the Plan upon completing 780 hours of service during the first 6 months of employment or a year of service (1,000 hours in a 12-month period) and attaining the age of 21. The Plan is subject to the requirements of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions. Each year, participants may contribute 1-100% of their compensation, as defined in the Plan, and subject to IRS annual limits. The Company may make matching contributions equal to a discretionary percentage of the participant's salary deferral. For the 2023 plan year, the Company made an annual matching contribution of 50% of each participant's deferral amount, with a maximum of 3% of eligible compensation for the year ended December 31, 2023.

Participant Accounts and Vesting. Each participant's account is credited with the participant's contribution, the employer's contribution, if any, and an allocation of the Plan's earnings. The Plan's earnings are allocated according to participants' relative account balances in the investment options.

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. That portion of the participants' account attributable to employer matching contributions vests ratably over five years of service. Participants' accounts become fully vested upon attainment of the normal retirement age of sixty five, early retirement age as defined in the Plan Agreement, or in the event of death or total disability.

Net assets available for benefits includes the accounts of active participants, as well as certain separated, vested and retired participants who have elected to defer receipt of their benefit until a later date. These participants share in the earnings of the investments held in their account.

Forfeitures. The forfeited non-vested portion of terminated employees account balances are used as additional employer contributions or pay administrative expenses. In 2023, there were \$26,866 of forfeitures generated from forfeited non-vested accounts. \$15,331 forfeitures were used during 2023. As of December 31, 2023, there were \$28,041 of unused forfeitures available to pay plan expenses or to be used to reduce future employer

Risks and Uncertainties. The Plan provides for various investment options which are exposed to a various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is possible that changes in the values of investments will occur in the near term and would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Payment of Benefits. On termination of service, normal retirement, or death, a participant may elect to receive a distribution of their vested account balance in a single lump-sum in cash, in equal installments, or in any amounts and at any time (Ad-Hoc). All investments available in the plan will allow for daily redemptions with no redemption notice period required. In certain hardship situations, as described in the plan agreement, participants may withdraw part of their account balances while actively employed, but such withdrawals are limited to the amount dictated by the hardship.

FUTURE FORD OF CONCORD 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023

Note 1: Description of Plan (continued)

Notes Receivable from Participant. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan balances may be paid over a reasonable period of time not to exceed five years, except in the case that the proceeds of the loan are used to acquire a dwelling to be used as the Participant's principal residence. The loans are secured by the balance in the participant's account and bear interest at the rate of the prime rate published in The Wall Street Journal on the first business day of each month, plus 1%.

Plan Termination. Although it has not expressed any intent to do so, the Company has the right to terminate the Plan at any time. In the event of termination, the respective participant interest, net of any termination fees, will become fully vested and will be distributed to each participant in accordance with Plan documents.

Investment Options. Upon enrollment in the Plan, a participant may direct their contributions in various increments to the investments administered by Empower Retirement. Participants may change their investment options among various mutual funds or the Key Guaranteed Portfolio Fund.

Amendments - There were no amendments to the plan during the year ended December 31, 2023.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting. The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition. The Plan's investments with Empower Retirement at December 31, 2023 consist of registered investment company (Mutual Funds) and General Account Investments. Mutual funds are stated at fair value based on quoted market prices and the General Account Investment (the Key Guaranteed Portfolio) is stated at contract value as determined by Empower Retirement. Contract value is based on amounts contributed or transferred into the Key Guaranteed Account plus all accrued interest, less withdrawals or transfers out.

Use of Estimates. The preparation of financial statements in conformity with generally accepted accounting principles in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Subsequent Events. Plan management has evaluated subsequent events for disclosure in these financial statements through October 8, 2024, the date the financial statements were available to be issued.

FUTURE FORD OF CONCORD 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023

Note 3: Information Certified by Trustee

Empower Annuity Insurance Company of America and Empower Trust Company, LLC, the trustees of the Plan, have certified as to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2023 and 2022, the investment activities and interest income from participant notes reflected on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023, and all investment information reflected in the supplemental Schedule of Assets Held for Investment Purposes at December 31, 2023, in accordance with 29 CFR 2520.103-8(c) of the Department of Labor's Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This information has been certified as complete and accurate to the best of their knowledge and is summarized below:

	2023	2022
Investments at fair value (Mutual Funds)	\$ 6,937,934	\$ 4,988,560
Investments at contract value (Key Guaranteed Portfolio)	562,410	809,277
Notes Receivable from Participants	227,232	208,911
Interest/Dividend income	183,065	
Net appreciation in value of investments	804,320	

Note 4: Fair Value Measurements

Financial Accounting Standards Board ASC 820-10 (formerly FASB Statement No. 157, Fair Value Measurements), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

FUTURE FORD OF CONCORD 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023

Note 4: Fair Value Measurements - continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual funds: Valued at the net asset value ('NAV') of shares held by the plan at year end based on quoted open market prices.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, the Plan's assets at fair value as of December 31, 2023 and 2022:

Asset Hierarchy as of December 31, 2023

	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy:				
Mutual Funds	\$ 6,937,934	\$ -	\$ -	\$ 6,937,934
Total assets at fair value	<u>\$ 6,937,934</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,937,934</u>

Asset Hierarchy as of December 31, 2022

	Level 1	Level 2	Level 3	Total
Assets in the fair value hierarchy:				
Mutual Funds	\$ 4,988,560	\$ -	\$ -	\$ 4,988,560
Total assets at fair value	<u>\$ 4,988,560</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,988,560</u>

Note 5: Investment Contract With Insurance Company - Key Guaranteed Portfolio Fund

The Plan has entered into a deposit contract with Empower Annuity Insurance Company of America ("Empower"), the parent of Empower Retirement, LLC, to provide participants in the Plan the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is an obligation of Empower, and invested assets are commingled with the other assets in Empower's general account. There is no specific portfolio of assets in which the Plan's Key Guaranteed Portfolio Fund assets are invested. The crediting interest rate is backed by the income received from assets held in the general account and Empower's guarantee. Amounts allocated to the Key Guaranteed Portfolio Fund will earn interest at the higher of the rate guaranteed under the contract or the current rates established each quarter and declared in advance by Empower. The crediting interest rate may change each quarter and applies to all money deposited in the plan's Key Guaranteed Portfolio Fund. The crediting rate at December 31, 2023 was 1.35%. Investments in the Key Guaranteed Portfolio represent 7% of plan assets at December 31, 2023.

FUTURE FORD OF CONCORD 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2023

Note 5: Investment Contract With Insurance Company (continued)

The investment is considered fully benefit responsive and normal participant withdrawals and transfers from the Key Guaranteed Portfolio Fund are processed at contract value. If the Plan were to request a liquidation, surrender charges and/or market value adjustments may apply. A significant deterioration in the creditworthiness of Empower may result in participants' receiving less than full contract value. Contract Value for the Key Guaranteed Portfolio Fund is as follows:

	2023	2022
Traditional Insurance Company General Account Investment Contract	\$ 562,410	\$ 809,277

Note 6: Tax Status

The Plan uses the prototype plan document Empower Retirement, LLC Defined Contribution Pre-Approved Plan, sponsored by Empower Retirement, LLC who received an opinion letter from the IRS dated November 14, 2022, which states that the prototype document satisfies the applicable provisions of the IRC. The prototype document has subsequently been amended to remove the 6-month deferral suspension after a hardship distribution is taken. The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

The Plan administrator evaluates tax positions taken by the plan and recognizes a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administration has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2023, there are no uncertain positions. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

Note 7: Investment and Administrative Fees

The Plan paid administrative and advisory fees of \$42,857 for the year ending December 31, 2023. Empower receives a record keeping charge of .57% of average assets. Total investment expenses charged by each mutual fund at December 31, 2023, not including the record keeping fees of .57%, range from .02% to .67% of average assets depending on which investments are selected.

Note 8: Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. The Plan's investment in the Key Guaranteed Portfolio Fund is managed by Empower, the parent of Empower Trust Company, LLC, the trustee. Empower is the investment advisor for this investment and receives indirect compensation, and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.

FUTURE FORD OF CONCORD 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2023

Note 9: Delinquent Participant Contributions

During the 2023 plan year, the Plan sponsor inadvertently failed to deposit \$42,603 of participant deferrals and loan payments within the required timeframe as stated by the United States Department of Labor (DOL). The DOL considers late deposits to be prohibited transactions. The plan sponsor calculated the lost earnings of \$72, and deposited this amount into affected participants' accounts in September 2024.
