Independent Auditor's Report

To the Plan Administrator and Trustee
Citizens State Bank 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Citizens State Bank 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Citizens State Bank 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Citizens State Bank 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Citizens State Bank 401(k) Savings Plan' ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Citizens State Bank 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Citizens State Bank 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

CITIZENS STATE BANK 401(K) PLAN
Notes to Financial Statements
December 31, 2023

1. Plan description

The following description of the Citizens State Bank 401(k) Savings Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Citizens State Bank (the "Company" or "Plan Sponsor"), who are age 18 or older and have completed 90 days of service. The Plan, which was established as of July 1, 1997 is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute through deferral of their earned income, up to 100% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a default deferral rate set at 5% of eligible compensation. In addition, all participants in the Plan who make no other election will have their deferral rate automatically increased 1% on August 1 of each year, up to a maximum of 10%. For the 2023 plan year, the Plan Sponsor provided a safe harbor matching contribution equal to 100% of employee contributions up to 5% of compensation. Additionally, the Company may make a discretionary contribution to the Plan. The Company did not make discretionary contributions to the Plan for the year ended December 31, 2023.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of Plan earnings and the employer's contribution. Allocations are based on participant earnings or account balances, as defined. Each participant is entitled to the benefit that can be provided from his or her vested account.

Vesting

Participants vest immediately in employee contributions and employer matching contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts plus earnings thereon is based upon years of continuous service. Participants are 100% vested in employer discretionary contributions after five years of service.

Forfeited accounts

Forfeited accounts may be used to reduce future employer contributions or pay administrative expenses. At December 31, 2023 and 2022, there were no forfeited non-vested accounts.

CITIZENS STATE BANK 401(K) PLAN
Notes to Financial Statements
December 31, 2023

1. Plan description - continued

Notes receivable from participants

Participants may be granted one loan during any one-year period, and only one loan may be outstanding at a time. The loan may not be less than \$1,000 or more than 50% of their vested account or \$50,000, reduced by any outstanding loan balance, if any during the one-year period ending on the day before your new loan is made, if less. The participant's vested account balance will provide security for the loan and bear interest rates that will be based on the rates available for similar loans from commercial lending institutions. The loan administrator will periodically examine the rates such lenders are using. Loans have a maximum maturity of 5 years and will be due at least quarterly. Principal and interest on loans will be repaid through payroll deductions.

Payments of benefits

Plan benefits are available upon attainment of 59 ½ years, hardship, termination of employment, death, disability, or retirement. If the vested account balance is \$5,000 or less, the vested account balance will be paid to the participant in a single sum. For vested account balances greater than \$5,000, the participant may receive a single sum payment equal to the value of the participant's vested account balance, or installments over a period of time, not to exceed the participant's life expectancy.

Plan expenses

Certain expenses incurred with the administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. Participant loans fees or transaction expenses are deducted from loan or distribution proceeds, as applicable, or are charged directly to the participant's account. A portion of expenses incurred by the Plan have been paid for by the Plan Sponsor. Expenses that are paid by the Company are excluded from these financial statements.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CITIZENS STATE BANK 401(K) PLAN
Notes to Financial Statements
December 31, 2023

2. Summary of significant accounting policies - continued

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account. As of December 31, 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments for more than 90 days, then the plan administrator considers the participant loan to be in default. Upon default, the entire principal balance and interest will become immediately due and payable. The delinquent participant note receivable is recorded as a benefit payment and taxable to the participant.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income and capital gains are recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of benefits

Benefit payments to participants are recorded upon distribution.

Date of management's review

Management has evaluated subsequent events through October 8, 2024, the date the financial statements were available to be issued. No additional disclosures or modifications were deemed necessary.

3. Certified investment information

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2023 and 2022, and net increase in fair value of investments and interest and dividend income for the year ended December 31, 2023 was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Life Insurance Company and Delaware Charter Guarantee and Trust Company dba Principal Trust Company, the custodian of the Plan.

4. Investments

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CITIZENS STATE BANK 401(K) PLAN
Notes to Financial Statements
December 31, 2023

4. Investments - continued

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are based on the available inputs to measure the fair value of its investments.

Mutual Funds - The fair values of mutual funds are based on quoted market prices.

Pooled Separate Accounts - are valued at net asset value of units held by the Plan. The net asset value, as provided by the issuer, is used as a practical expedient to estimate fair value. Redemptions at net asset value are processed daily without restrictions. There are no unfunded commitments related to pooled separate accounts.

Common collective trust - The fair value of the Principal Stable Value Fund is valued at the net asset value based on the collective trust's underlying investments. The net asset value, as provided by the fund manager, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. There are no significant redemption restrictions or unfunded commitments.

The following tables set forth by level and by investment class, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

** In accordance with subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. Plan termination

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

6. Tax status

The Plan Sponsor has adopted a pre-approved profit-sharing plan and is relying on the pre-approved plan's IRS opinion letter for qualification. In the pre-approved plan's opinion letter dated June 30, 2020, the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examination for years prior to 2020.

CITIZENS STATE BANK 401(K) PLAN
Notes to Financial Statements
December 31, 2023

7. Plan administration

Certain administrative functions are performed by officers or employees of the employer. No such officer or employee receives compensation from the Plan. Administrative expenses are paid by the employer.

8. Party-in-interest transactions

Certain plan investments are pooled separate accounts and a common collective trust fund with Principal Life Insurance Company. Principal Life Insurance Company is the custodian and recordkeeper of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Plan assets also include notes receivable from participants. These transactions also qualify as party-in-interest transactions. Investment fees and expenses associated with Plan administration are paid to certain parties-in-interest. All of these transactions are exempt from the prohibited transactions rules under ERISA.

9. Delinquent participant contributions

Contributions for the year ended December 31, 2023, that were not segregated and remitted in a timely manner totaled \$63,866. In addition, contributions not remitted in a timely manner of \$70,810 from a prior year had not been fully corrected as of December 31, 2023. Plan management intends to fully correct the late remittances by contributing lost earnings to participant accounts in 2024.

10. Risks and uncertainties

The plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
