Boivin & Associates, CPAs, PLLC
395 Daniel Webster Highway, Unit 6
Merrimack, NH 03054

This representation letter is provided to you in connection with your audit of the financial statements and supplemental schedule of the Straumann Manufacturing, Inc. 401(k) Savings Plan (Plan), an employee benefit plan subject to the Employment Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements (collectively, the “financial statements”).

The purpose of the audit is to express an opinion on whether the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2023 and 2022 and changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States.

We elected to have the audit of the plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5, and that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States and that the information regarding assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:

- The circumstances permit an ERISA Section 103(a)(3)(C) audit.
- A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
- The certification meets the 29 CFR 2520.103-5 requirements.
- The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 2, 2024, the following representations made to you during your audit.

Financial Statements

- We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated April 19, 2024, including our responsibility for the preparation and fair presentation of the financial statements.
- The financial statements referred to above are fairly presented in conformity with U.S. GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- We acknowledge our responsibility for administering the plan and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- There are no known related-party relationships or transactions with parties-in-interest, as defined in ERISA Section 3(14) which need to be accounted for or disclosed in accordance with U.S. GAAP.

- All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
- We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with U.S. GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
- Other matters, if any, (e.g., breach or fiduciary responsibilities, nonexempt transactions, loans or leases in default, events reportable to the PBGC, or events that may jeopardize the tax status) that legal counsel have advised us that must be disclosed have been properly disclosed.
- Material concentrations, if any, have been properly disclosed in accordance with U.S. GAAP.
- Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
- Guarantees, whether written or oral, under which the plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.
- The supplemental schedules or financial statements disclose the following, if applicable:
 - All non-exempt party-in-interest transactions, as defined in ERISA Section 3(14) and regulations thereunder.
 - Investments or loans in default or considered to be uncollectible.
 - Reportable transactions, as defined in ERISA Section 103(b)(3)(H) and regulations thereunder.

Financial Statement Preparation and Cash to Accrual Reconciliation

We have requested that you assist in the preparation of the financial statements, including the cash to accrual reconciliation, of the Straumann Manufacturing, Inc. 401(k) Savings Plan as of and for the year ended December 31, 2023.

Our Responsibilities

The engagement to be performed is conducted on the basis that we acknowledge and understand that our role is the assistance in the preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America. We have the following overall responsibilities that are fundamental to your undertaking the engagement to assist in the preparation of the financial statements in accordance with SSARS:

- The selection of accounting principles generally accepted in the United States as the financial reporting framework to be applied in the preparation of the financial statements.
- The prevention and detection of fraud.
- To ensure that the Company complies with the laws and regulations applicable to its activities.
- The accuracy and completeness of the records, documents, explanations, and other information, including any significant judgements, we provide to you for the engagement to prepare financial statements.
- To provide you with–
 - Documentation, and other related information that is relevant to the preparation and presentation of the financial statements,
 - Additional information that you may request for the purpose of the preparation of the financial statements, and
 - Unrestricted access to persons within the Company with whom you determine necessary to communicate.
- We have assumed all management responsibilities.
- Designated Konstantin Zabrodskiy, CFO, NAM who has the suitable skill, knowledge, and experience to oversee such services.
- We have evaluated the results of the services performed.
- We accept responsibility for the results of the services.

SOC-1 Controls

- We have obtained and reviewed the SOC-1 report and the applicable user entity controls contained in the Fidelity recordkeeping system Service Organization Systems Review, as provided by Fidelity. We have implemented the relevant user controls and they were in operation for the year ended December 31, 2023.

Information Provided

- We have provided you with:
 - A substantially complete draft of Form 5500.
 - Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.
- All material transactions have been recorded in the accounting records and are reflected in the financial statements.

- We have no knowledge of any fraud or suspected fraud affecting the Plan involving-
 - Management,
 - Employees who have significant roles in internal control, or
 - Others where the fraud could have a material effect on the financial statements.
- We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.
- We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
- We have disclosed to you the identity of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.
- The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
- We have no-
 - Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - Intentions to terminate the Plan.
- Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
- The methods and significant assumptions used to estimate fair values of financial instruments are as follows: Mutual funds are valued at the net asset value of shares held by the Plan at year-end. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
- All required filings of the Plan and trust documents with the appropriate agencies have been made under which the plan is currently operating, that were adopted to comply with current laws or regulations.
- The Plan obtained its latest advisory letter on June 30, 2020 (Fidelity letter), in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the

plan administrator believes that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the plan was qualified, and the related trust was tax-exempt as of the financial statement date.

- The Plan (and the trust established under the plan) is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan and trust. The plan sponsor has operated the plan (and trust) in a manner that did not jeopardize this tax status.
- Required nondiscrimination testing related to Internal Revenue Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions were disposed of in accordance with regulations.
- The Plan has complied with the Department of Labor's regulations concerning the timely remittance of participant contributions to trusts containing assets for the plan.
- The Plan has complied with the fidelity bonding requirements of ERISA.
- We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- We have obtained appropriate fee disclosures from covered services providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).
- We acknowledge our responsibility for presenting the ERISA required supplemental schedule of assets held at year end in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the ERISA required supplemental schedule of assets held at year end, including its form and content are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedule has not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedule.

- Management will ensure that all shift differential compensation not properly included in the 401(k) accounts of impacted employees is corrected. The error in shift differential was only in the Straumann Andover location. All amounts will be accumulated for 2023 and into 2024 until corrected in payroll and a QNEC will be prepared for missed deferrals, match and lost earnings, as required.
- Management will review off cycle checks prepared to ensure that 401(k) is withheld as required. In addition, management will prepare a QNEC for Japer Maritz and Catherine Watterson's June 26, 2023, manual checks that did not include 401(k) withholding, as required.

To the Plan Administrator and Participants
Straumann Manufacturing, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Straumann Manufacturing, Inc. 401(k) Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Straumann Manufacturing, Inc. 401(k) Savings Plan's financial statements performed in accordance with the ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Straumann Manufacturing, Inc. 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Straumann Manufacturing, Inc. 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Straumann Manufacturing, Inc. 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Straumann Manufacturing, Inc. 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Straumann Manufacturing, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2023

1. Plan Description

The following description of the Straumann Manufacturing, Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan Document or the Summary Plan Description for more complete information.

General

The Plan established on August 31, 1993, and most recently amended and restated effective July 7, 2021, is a defined contribution plan qualified under Section 401(a) of the Internal Revenue Code (the Code), covering all eligible employees of Straumann Manufacturing, Inc. (the Company) and other participating employers, as described in the Plan. Employees are eligible to participate in the Plan immediately upon date of hire.

Employees employed in a job classification as “not benefits eligible” include but are not limited to employees employed in a temporary or co-operative job classification. These employees are not eligible for the Plan.

Effective August 17, 2017, the Company acquired ClearCorrect, LLC. The employees of ClearCorrect, LLC participated in the ClearCorrect Operating 401(k) Plan through November 30, 2020 and effective December 1, 2020, were eligible for the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participants may elect to contribute between 1% and 60% of their eligible compensation to the Plan, not to exceed Internal Revenue Service (IRS) limits. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Plan also permits Roth elective deferrals. Roth elective deferrals shall be treated in the same manner as participant elective deferrals, except that Roth elective deferrals are not “pre-tax” deferrals as defined in the Code.

Straumann Manufacturing, Inc. 401(k) Savings Plan

Notes to Financial Statements (continued)

1. Plan Description (continued)

Contributions

The Plan includes an automatic enrollment feature. Individuals hired by the Company who do not affirmatively elect not to participate are automatically enrolled in the Plan after 30 days and will have their compensation reduced by 4% and invested in the Qualified Default Investment Alternative fund.

Effective January 1, 2020, the Company amended the Plan, as it relates to bonus compensation and the required proper notice and approval to enter into a special salary reduction agreement via Fidelity to make additional deferral contributions in an amount up to 100% of their effectively available bonus compensation. Effective January 1, 2020, the deferral rate on all bonus compensation is zero unless an employee enters a special deferral arrangement through Fidelity.

In 2023 and 2022, the Company made matching contributions based on 100% of the employee's pretax contributions up to the first 4% invested. The matching contribution does not exceed 4% of eligible compensation.

Vesting

Participants are fully vested in their contributions and the earnings thereon.

Vesting in the employer matching contribution is based on years of service. Effective April 16, 2018, all active participants are 20% vested after one year of credited service, 50% after two years and are 100% vested after the completion of three years of credited service. Prior to April 16, 2018, participants vested 20% vested after one year of credited service, 40% after two years, 60% after three years, 80% after four years, and 100% vested after the completion of five years of credited service. Participants automatically become fully vested upon attainment of normal retirement age, disability, death, or termination of the Plan.

Former participants of the ClearCorrect Operating 401(k) Plan who transferred to the Plan as of March 15, 2021 are 100% vested in prior fixed matching contribution amounts.

Forfeitures

Forfeited balances of terminated participants' non-vested accounts can be used to reduce future employer contributions and pay plan expenses. The forfeiture balance was \$248,339 and \$272,680 at December 31, 2023 and 2022, respectively.

Straumann Manufacturing, Inc. 401(k) Savings Plan

Notes to Financial Statements (continued)

1. Plan Description (continued)

Forfeitures (continued)

Forfeitures used to reduce Company contributions amounted to \$507,266 and \$403,574 during the years ended December 31, 2023 and 2022, respectively. Forfeitures used to pay plan investment advisor expenses amounted to \$45,000 and \$33,750 during the years ended December 31, 2023 and 2022, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings (losses). The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Benefits

The Plan distributes benefits to participants upon retirement, termination, disability, or to a participant's beneficiary upon death, in a lump-sum amount equal to the net value of the participant's account. Participants may be entitled to a hardship withdrawal of their benefits if they qualify under the criteria established by the Plan.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The \$50,000 limit is reduced by the highest outstanding loan balance in the prior 12-month period. Repayment of principal and interest within five years is required by the Plan, except when the loan is for the purchase of a principal residence, in which case the repayment term may be longer than five years but cannot exceed 10 years. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1%. Principal and interest are paid ratably through payroll deductions.

Administrative Expenses

The Plan has entered a fixed basis point pricing with Fidelity Workplace Services, LLC (FWS) for recordkeeping services. The fees related to recordkeeping services were 12 basis points and effective February 1, 2022, the fees were reduced to 10 basis points. FWS charges the participant's account the quarterly recordkeeping fee based on the basis points noted above. This fee for the years ended December 31, 2023 and 2022 was \$115,914 and \$118,228, respectively.

Straumann Manufacturing, Inc. 401(k) Savings Plan

Notes to Financial Statements (continued)

1. Plan Description (continued)

Administrative Expenses (continued)

The Plan received a revenue credit of \$32,446 and \$14,960 for the years ended December 31, 2023 and 2022, respectively. The FWS then allocates any excess revenue amounts from the participant's investments directly to the participant's account based on the specific investment held in each participant's account. During the years ended December 31, 2023 and 2022, the revenue credit amount allocated to plan participant accounts was \$11,065 and \$14,960, respectively. The net recordkeeping fees amounted to \$94,533 and \$103,268 for the years ended December 31, 2023 and 2022, respectively. The amount available in the ERISA Budget account at December 31, 2023 and 2022 was \$24,580 and \$2,550, respectively.

Plan expenses, related to participant specific investment advisor fees charged and recorded as a reduction in the participant's investment return amounted to \$53,448 and \$47,569 for the years ended December 31, 2023 and 2022, respectively.

Certain administrative expenses are paid by the participants, including investment advisor and recordkeeping fees through a reduction in investment total return. Also, certain fees have been paid through the forfeiture account. Certain other expenses such as participant loan processing fees and other specific participant fees are deducted directly from participant accounts. The amounts deducted from participant accounts for expenses directly related to specific participants amounted to \$20,404 and \$17,805 for the years ended December 31, 2023 and 2022, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants will become 100% vested in their account.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Straumann Manufacturing, Inc. 401(k) Savings Plan

Notes to Financial Statements (continued)

2. Summary of Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for the management of investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, certain management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts in the financial statements. Actual results could differ from those estimates.

3. Investments

All investment information and notes receivables from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of mutual funds, dividends, interest income and interest income on notes receivable from participants for the years then ended, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

Straumann Manufacturing, Inc. 401(k) Savings Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety.

The following is a description of the valuation methodologies used by the Plan. There have been no changes in the valuation methodologies at December 31, 2023 and 2022.

Straumann Manufacturing, Inc. 401(k) Savings Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

Mutual funds are valued daily at the closing price per share, as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while plan management believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

All mutual fund investments held at December 31, 2023 and 2022, are Level 1 within the fair value hierarchy.

5. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

6. Income Tax Status

The Plan has adopted the non-standardized pre-approved profit sharing plan of Fidelity Management & Research LLC. The non-standardized pre-approved profit sharing plan sponsor received an advisory letter from the IRS dated June 30, 2020 in which the Internal Revenue Service stated that the form of the non-standardized pre-approved profit sharing plan was in compliance with the applicable requirements of the Internal Revenue Code (Code). The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Straumann Manufacturing, Inc. 401(k) Savings Plan

Notes to Financial Statements (continued)

6. Income Tax Status (continued)

Accounting standards require recording uncertain income tax positions that exist in the Plan's financial statements. Plan management has determined there are no uncertain tax positions and believes there is no adjustment or disclosure required in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Parties-In-Interest

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, notes receivable from participants and the management of investments held by the trustee are considered party-in-interest transactions.

Certain plan investments are shares of mutual funds managed by an affiliate of Fidelity Management Trust Company, the plan trustee. In addition, Fidelity Workplace Services, LLC is the plan recordkeeper and, therefore, these transactions qualify as party-in-interest transactions. These investments and transactions are considered to be party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the Form 5500 to the net assets available for benefits per the financial statements at December 31, 2023 and 2022.

	2023	2022
Net assets available for benefits, per Form 5500	\$ 138,576,906	\$ 108,007,223
Employer receivable	272,448	—
Net assets available for benefits, per financial statements	<u>\$ 138,849,354</u>	<u>\$ 108,007,223</u>

The following is a reconciliation of the net change per the Form 5500 to the net change per the financial statements for the year ended December 31, 2023:

Net increase per the Form 5500	\$ 30,569,683
Employer receivable at December 31, 2023	272,448
Net increase per the financial statements	<u>\$ 30,842,131</u>

Straumann Manufacturing, Inc. 401(k) Savings Plan

Notes to Financial Statements (continued)

9. Subsequent Events

The Company has evaluated all subsequent events through October 2, 2024, the date the financial statements were available to be issued. During this period, there have been no material events that would require recognition in the financial statements or disclosures to the financial statements.
