We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Adams Land & Cattle, LLC, 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Adams Land & Cattle, LLC, 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Adams Land & Cattle, LLC, 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (held at end of year) as of December 31, 2023, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agrees to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ADAMS LAND & CATTLE, LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN

The following description of Adams Land & Cattle, LLC, 401(k) Plan (the Plan), provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Adams Land & Cattle, LLC (the Company), who are 18 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Trustees oversee governance of the Plan, determine the appropriateness of the Plan's investment offerings, and monitor investment performance.

Contributions

Each year, participants may make voluntary salary deferral contributions up to 100% of pretax annual compensation, subject to specific dollar limits determined by the Internal Revenue Service (IRS). Participants who have reached age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and fixed annuities as investment options for participants.

The Plan year beginning on January 1, 2013, was amended to allow for the Qualified Automatic Contribution Arrangement (QACA). Under QACA provisions, if an employee does not complete and return a salary deferral agreement, then the employer will automatically withhold the applicable percentage as indicated below of the employee's eligible compensation from his or her pay each payroll period and contribute that amount to the Plan as a salary deferral:

Plan Year	Automatic Deferral Percentage
1 - 2	3%
3	4%
4	5%
5 and thereafter	6%

If the employee was a participant as of the effective date of the QACA provision, then the automatic deferral provisions apply unless the employee has a salary deferral agreement in effect on the automatic deferral provision date. If the employee becomes a participant on or after the effective date of the automatic deferral provision, January 1, 2013, then these provisions will automatically apply.

ADAMS LAND & CATTLE, LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Contributions (Continued)

The Company contributes 100% of the participant salary deferrals that do not exceed 2% of the base compensation and 50% of the participant salary deferrals that exceed 2% of the participant salary deferrals, but do not exceed 6% of the participant salary deferrals. Examples of the matching contributions are as follows:

Salary Deferral Tier	Matching Percentage
Deferral rate of 1%	1.0%
Deferral rate of 2%	2.0%
Deferral rate of 3%	2.5%
Deferral rate of 4%	3.0%
Deferral rate of 5%	3.5%
Deferral rate of 6%+	4.0%

For each Plan year, the Company may contribute to the Plan out of its net profits or accumulated earnings, an amount determined by the Board of Directors (the Board). This amount is a discretionary amount but cannot exceed allowable deduction limits under the federal income tax laws. The Company has not made any contributions under the profit-sharing component of the Plan to this point.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's corresponding matching contribution, and allocations of the Company's discretionary profit-sharing contribution and Plan earnings (losses) and is charged with an allocation of fund administrative fees. The allocations for the Company's discretionary profit-sharing contributions are calculated using the percentage of each eligible participant's compensation to the total eligible compensation. The allocation of the Plan earnings is calculated and prorated according to each eligible participant's investment elections and percentage of net assets held of the total Plan at the beginning of the Plan year adjusted for withdrawals and forfeited account balances. The allocation of the fund administrative fees is calculated and prorated according to each eligible participant's percentage of net assets held.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching QACA contributions is based on years of continuous service. A participant vests according to the following schedule:

Years of Service	Percentage
Less than two years	- 0 -%
Two years	100%

ADAMS LAND & CATTLE, LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Vesting (Continued)

Vesting in the Company's discretionary profit-sharing contribution portion of their accounts is based on years of continuous service. A participant vests gradually over six years. As the discretionary profit-sharing contributions were made prior to the adoption of the QACA provision beginning on January 1, 2013, all discretionary profit-sharing contributions are fully vested.

Regardless of the vesting schedule, participants' matching contributions shall become fully vested on or after the participants' early or normal retirement age or upon death or permanent disability.

Notes Receivable From Participants

The Plan does not allow participants to borrow on their accounts.

Payment of Benefits

On termination of services for any reason, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, substantially equal installments, or partial withdrawals.

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$730 and \$- 0 -, respectively. These accounts will be used to reduce future employer contributions. In the years ended December 31, 2023 and 2022, the amount of forfeitures used to offset contributions was \$15,666 and \$2,377, respectively.

Plan Amendments

On October 28, 2021, the Plan was amended to reflect changes in Roth contribution and hardship distribution provisions. The amendment is effective January 1, 2022.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit responsive investment contracts (FBRICs). Contract value is the relevant measure attribute for that portion of the net assets available for benefits of a defined contribution plan, attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

ADAMS LAND & CATTLE, LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contribution Receivables

Contributions based on facts that existed at year end, but were not remitted to the Plan before year end are recognized as contribution receivables. They are separately identified as participant, employer, and other employer contributions. Other employer contributions receivable includes qualified nonelective contributions from the employer due to operational circumstances that require a corrective contribution. The associated change in net assets available for benefits is presented as other employer contributions.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements.

NOTE 3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active market for identical assets or liabilities

ADAMS LAND & CATTLE, LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 3. FAIR VALUE MEASUREMENTS (Continued)

(Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1 - Unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Mutual Funds - Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Investments at fair value

December 31, 2023

	Level 1	Level 2	Level 3	Total
Mutual funds	<u>11,620,394</u>	<u> </u>	<u> </u>	<u>11,620,394</u>

Mutual funds	<u>9,274,646</u>	<u> </u>	<u> </u>	<u>9,274,646</u>

ADAMS LAND & CATTLE, LLC, 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 4. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America (Empower) (previously named Great-West Life & Annuity Insurance Company). Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by the insurance company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than - 0 -%. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (a) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5. INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Plan management instructed the Plan's independent auditors not to perform auditing procedures with respect to the following information certified as complete and accurate by Empower Annuity Insurance

Certain Plan investments are shares of mutual funds managed by Empower Annuity Insurance Company of America. Empower Annuity Insurance Company of America is the custodian defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Benefit Plans, Inc., was the third-party administrator for the Plan to May 2023; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the administrative services amounted to \$3,047 and \$1,950, for the years ended December 31, 2023 and 2022, respectively.

Ascensus Holdings, Inc., has been the third-party administrator for the Plan since May 2023; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the administrative services amounted to \$1,375 and \$- 0 -, for the years ended December 31, 2023 and 2022, respectively.

NOTES TO FINANCIAL STATEMENTS

NOTE 7. PLAN AMENDMENTS

On October 28, 2021, the Plan was amended, effective January 1, 2022. The amendment changes contribution provisions to permit Roth contributions. The amendment also modifies the hardship provisions to set a minimum amount of \$1,000.

On August 9, 2024, the Plan was amended, effective January 1, 2023. The amendment changed the definition of compensation to exclude bonuses and to correct a typing error in the matching contribution provisions. Both of these changes bring the plan document to the same provisions as the plan document in effect prior to the January 1, 2023, restatement, and the provisions under which the Plan was operating.

NOTE 8. PLAN TERMINATIONS

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 9. TAX STATUS

The Plan obtained its latest determination letter on June 30, 2020, in which the IRS stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has adopted the provisions of FASB ASC 740-10, *Accounting for Uncertain Tax Positions*. The Plan continually evaluates expiring statutes of limitations, audits, proposed settlements, changes in tax law, and new authoritative rulings.

NOTE 11. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 12. SUBSEQUENT EVENTS

In preparing the financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through September 23, 2024, the date the financial statements were available to be issued.

On August 9, 2024, the Plan was amended, effective January 1, 2023. The amendment changed the definition of compensation to exclude bonuses and to correct a typing error in the matching contribution provisions. Both of these changes bring the plan document to the same provisions as the plan document in effect prior to the January 1, 2023, restatement, and the provisions under which the Plan was operating.
