INDEPENDENT AUDITORS' REPORT

TO THE INVESTMENT COMMITTEE OF KAISERAIR, INC. SAVINGS AND PROFIT SHARING PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of KaiserAir, Inc. Savings and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental Schedule H – Line 4a: Schedule of Delinquent Contributions for the year ended December 31, 2023 and Schedule H – Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of KaiserAir, Inc. Savings and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution profit sharing plan covering all eligible employees of KaiserAir, Inc. and its subsidiary, Santa Rosa Jet Center, LLC, collectively the “Company”. Employees are eligible to participate in the Plan as of the enrollment date coinciding with or next following the date on which the employee has both attained age 18 and completed one month of eligible service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (the “IRC”). The Investment Committee is responsible for oversight of the Plan which includes, among other matters, determining the appropriateness of the Plan’s investment offerings and monitoring investment performance.

The Plan provides for a plan administrator who is responsible for keeping accurate and complete records of the Plan’s operations, informing participants of changes or amendments to the Plan, ensuring the Plan conforms to the law and government regulations, and providing participants with any reports and documents required by law.

Participant Contributions – Each year, participants may voluntarily contribute up to 100% of their annual compensation, as defined by the Plan, on a tax-deferred and/or after-tax basis, up to a maximum amount allowed by the IRC. The maximum allowed deferral amount was \$22,500 for the year ended December 31, 2023. Participants who have attained age 50 before the end of the Plan year are also eligible to make additional catch-up contributions of \$7,500 in 2023.

Participants may also make rollover contributions from other qualified defined benefit or defined contribution plans.

The Plan provides for an Automatic Contribution Arrangement whereby all newly eligible employees will be automatically enrolled at a contribution rate of 2% of eligible compensation. In addition, the automatic deferral amount is subject to an automatic increase of 1% of eligible compensation each Plan Year up to a maximum of 10%. All automatically enrolled employees may subsequently elect to stop or change the automatic contribution percentage and the automatic deferral increase.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Employer Contributions – The Company makes a Safe Harbor Matching Contribution on behalf of each of its eligible employees who have made tax-deferred and/or after-tax contributions for the year. The amount of the Safe Harbor Matching Contribution is equal to 100% of the first 4% of the eligible employee’s compensation that is contributed to the Plan. In addition, the Company may, at its discretion, make additional contributions, including profit sharing contributions, to the Plan in an amount determined by the Company. The Plan allows all employees who meet the eligibility requirement to receive discretionary profit sharing contributions, if any, regardless of whether they make any voluntary contributions. There was no discretionary profit sharing contribution during the year ended December 31, 2023.

Participant Accounts – The Plan maintains an account for each participant, which is credited with the participant’s and employer matching contributions, as well as allocations of Plan investment earnings or losses and additional employer contributions, and charged for an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that may be provided from the participant’s vested account.

Vesting – Participants are immediately vested in their voluntary contributions and Safe Harbor Matching Contributions. A participant’s vested interest in additional Company contributions shall be determined in accordance with the following schedule:

<u>Years of Vesting Service</u>	<u>Vesting Interest</u>
Less than 1	0%
1, but less than 2	20%
2, but less than 3	40%
3, but less than 4	60%
4, but less than 5	80%
5 or more	100%

Participants are fully vested upon retirement, death, disability, or plan termination.

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Benefit Payments – Upon termination of service, death, disability or retirement, a participant may elect to receive a lump-sum distribution, installments over a period of not more than the assumed life expectancy of the participant or beneficiary, an annuity purchased with the participant's vested account balance, or a rollover distribution. A participant may also elect to receive a pre-retirement distribution if the participant is 100% vested in the amount being distributed and has reached 59½ years of age or incurs a financial hardship as defined by the Plan documents. Benefit payments to the participant generally must begin no later than April 1st following the later of the end of the year after the participant attains age 73.

Terminated participant accounts with balances less than \$5,000 but more than \$1,000 will be automatically distributed to the participant in the form of either a lump-sum payment or rolled over to an IRA per the participant's election. Terminated participant accounts with balances less than \$1,000 will be automatically distributed to the participant in the form of a lump-sum payment.

Investment Options – Upon enrollment in the Plan, a participant may direct his or her contributions in percentage increments into a series of mutual funds and a guaranteed interest account offered by the Plan. Participants may change their investment options at any time.

Forfeited Accounts – Any portion of a terminated employee's account that is not vested is forfeited, subject to the possibility of reinstatement. Forfeitures may be used to pay any Plan administrative expenses or reduce future employer contributions to the Plan. As of December 31, 2023 and 2022, forfeited non-vested accounts amounted to \$25,757 and \$21,077, respectively. No forfeitures were used to pay Plan administrative expense and reduce the Company's contributions to the Plan during the year ended December 31, 2023.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results may differ from those estimates.

KAISERAIR, INC.
SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition – Investments are reported at fair value, except for the investment in the Guaranteed Interest Account, which is reported at contract value (see Note 5). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and the trustee. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Contributions – Participant and Company contributions are recorded in the Plan year which coincides with the payroll pay date.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to certain administrative services are charged directly to participants' accounts and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

KAISERAIR, INC.
SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2023 and 2022:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments in one individual investment option made up 17% of total investments as of December 31, 2023 and two individual investment options made up 25% of total investments as of December 31, 2022. Additionally, for the years ended December 31, 2023 and 2022, the aggregate of the target date funds was 55% and 57% of total investments, respectively.

NOTE 4 – CERTIFIED INVESTMENT INFORMATION

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Empower Annuity and Insurance Company ("Empower"), the Trustee, (formerly Great-West Life & Annuity Insurance Company) has certified the completeness and accuracy of all investments reflected in the Statements of Net Assets Available for Benefits and in Note 3 as of December 31, 2023 and 2022, the supplemental Schedule H, line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2023, and the related investment income reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2023.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

KAISERAIR, INC.
SAVINGS AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023

NOTE 5 – GUARANTEED INTEREST ACCOUNT

The Plan maintains a fully benefit-responsive investment contract, the Guaranteed Interest Account, with Massachusetts Mutual Life Insurance Company (“MassMutual”). MassMutual maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The Plan is credited with an annual interest rate of no less than 1.00%, which is reset every six months. There are no reserves against contract value for credit risk of the contract issuer or otherwise. There are no unfunded commitments as of December 31, 2023 and 2022.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value. Contract value was \$1,539,238 and \$2,273,639 as of December 31, 2023 and 2022, respectively.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events may limit the ability of the Plan to transact at contract value with Empower. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (3) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, or (4) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan’s investment guidelines, (2) breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the contract without the consent of the issuer. Upon termination, a market-value adjustment may apply.

NOTE 6 – TAX STATUS

The Plan adopted the Great-West Trust Company, LLC Pre-Approved Profit Sharing/Money Purchase/CODA Plan, which received a favorable opinion letter from the Internal Revenue Service (“IRS”) on June 30, 2020, in which the IRS stated that the plan is acceptable for use by employers for the benefit of their employees under IRC Section 401. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision for federal or state income taxes has been made.

Accounting principles generally accepted in the United States of America require the Plan’s management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon an examination by the tax authorities. The Plan is subject to routine audits by applicable taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 – PLAN TERMINATION

The Company has established the Plan with the expressed intention and expectation that it will continue the Plan. However, if circumstances make it impossible or inadvisable to continue the Plan, the Company reserves the right to terminate it at any time subject to the provisions of ERISA. Benefits will be held in the trust fund which will remain in existence until the Company requests the discontinuance of the trust agreement.

NOTE 8 – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan’s assets are managed and held by an affiliate of Empower Retirement. Empower Retirement executes investment transactions, and therefore, these transactions qualify as party-in-interest transactions.

Empower provides certain administrative services to the Plan pursuant to a Recordkeeping Agreement between the Company and Empower. Empower receives revenue from certain of the investment management service providers for services Empower provides to the funds. This revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan. Empower also provides a credit to the Plan to offset some of the administrative expenses paid by the Plan.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination among the funds sponsored by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in investment values in the near term would materially affect the participants' account balances and the amounts reported in the accompanying Statements of Net Assets Available for Benefits.

NOTE 10 – DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company failed to timely remit certain employee contributions to the Plan's trustee totaling \$611 for the year ended December 31, 2023 within the period prescribed by Department of Labor regulations. The Company is in the process of calculating lost earnings, if any, and intends to take corrective action in 2024.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
