Independent Auditor's Report

To the Plan Administrator and Participants
Skyview Cooling Company 401(k) Profit Sharing Plan
Yuma, Arizona

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the financial statements of the Skyview Cooling Company 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audits"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audits opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audits does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule, schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

December 31, 2023 and 2022

1. Summary of Significant Plan Provisions

The following description of the Skyview Cooling Company 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreements for a more complete description of the Plan’s provisions.

- a. **General** – The Plan is a defined contribution plan for the benefit of eligible employees of Skyview Cooling Company. The Plan allows other employers under common control to adopt its provisions. Participating employers who have adopted the Plan include J-V Farms, Inc., Skyline Potato Company, JV Farms Organic, LLC, Fresh Innovations, LLC, Promotora Agricola El Toro U.S.A., L.L.C., Triangle Farms, Inc., and Southern Colorado Farms, LLC (collectively, the “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.
- b. **Eligibility** – Employees who are not members of a collective bargaining unit or nonresident aliens are eligible to participate in the Plan provided that the employee has completed a three-month period of service. Plan entry dates are January 1 and July 1.
- c. **Contributions** – Participants may contribute through payroll deductions and eligible rollover contributions. Contributions made through payroll deductions can be made in an amount up to the maximum amount allowed by the Internal Revenue Code (“IRC”). An automatic deferral equal to 3% of employee plan compensation is withheld from the participant’s paycheck each pay period upon meeting the Plan’s eligibility requirements, unless the employee declines or elects to defer a different percentage of their compensation. Effective January 1, 2023, the Plan was amended to remove the automatic deferral provision. The Employer makes a safe harbor matching contribution in the amount of 100% of the participant’s salary deferral up to 3% of the participant’s plan compensation, plus 50% of a participant’s salary deferral up to the next 2% of the participant’s plan compensation, as defined in the Plan document. The Employer may also make an additional matching and/or profit sharing contribution to the Plan, solely at their discretion. There were no additional matching or profit sharing contributions made to the Plan for the year ended December 31, 2023.
- d. **Participant accounts** – Each participant’s account is credited with the participant’s and Employer contributions and allocations of Plan earnings/losses, and is charged with applicable withdrawals and an allocation of administrative expenses. Allocations are based on participant’s earnings, contributions, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.
- e. **Vesting** – Participants are, at all times, fully vested with respect to their own contributions and the Employer safe harbor matching contributions, plus earnings/loss thereon. All benefits attributable to a participant shall be fully vested if they become totally disabled, or upon death. If a participant terminates employment for any reason, other than those previously mentioned, they are entitled to a vested percentage of the Employer additional matching and profit sharing contributions and earning/losses thereon.

Notes to Financial Statements

December 31, 2023 and 2022

1. Summary of Significant Plan Provisions (cont.)

The vested percentage is as follows:

<u>Years of Service</u>	<u>Percentage of Account Vested</u>
Less than 2 years	0%
2 years or more	100%

- f. **Investment options** – Upon enrollment in the Plan, a participant may direct contributions to any of the investment options available under the Plan. Participants may change their investment selections at any time.
- g. **Notes receivable from participants** – Participants may borrow from their vested fund balance a minimum of \$1,000 up to a maximum of the lesser of \$50,000, as reduced in accordance with the Plan agreement; or one-half of the participant’s vested account. Note terms range from one to five years unless the note is used to purchase a primary residence in which case the note term cannot exceed 15 years. The notes are secured by the participant’s account and bear a reasonable interest rate of Prime plus 1%. Principal and interest payments are made ratably through payroll deductions.
- h. **Payment of benefits** – Upon separation of service due to death, disability, retirement, or termination, the vested portion of the participant’s account will be paid in a lump sum as soon as administratively feasible following the date on which a distribution is requested or is otherwise payable. Participants, upon termination of employment, may also elect to defer payment on their account balance if it exceeds \$5,000. If a terminated participant’s account balance is equal to or less than \$5,000, the account will be automatically distributed. In-service withdrawals are available to participants who attain age 59½ or who meet certain hardship requirements.
- i. **Termination of the Plan** – Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer accounts.

2. Summary of Significant Accounting Policies

- a. **Basis of accounting** – The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).
- b. **Estimates** – The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Notes to Financial Statements**December 31, 2023 and 2022****2. Summary of Significant Accounting Policies (cont.)**

- c. **Investment valuation and income recognition** – Investments are reported at fair value. See Note 4 for disclosure of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest on notes receivable from participants is recorded on the accrual basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

- d. **Notes receivable from participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid, interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan documents.
- e. **Payment of benefits** – Benefits are recorded when paid.
- f. **Administrative expenses** – Administrative expenses charged to the Plan are allocated pro rata based on each participant's account balance. Fees related to distributions are charged directly to the participant's account. Certain other plan expenses which are paid by the Employer are excluded from these financial statements.

3. Investments

Accordingly, as permitted under such election, the following information was certified by John Hancock Life Insurance Company (U.S.A.) ("John Hancock"), the custodian of the Plan, and was not subjected to any audit procedures, except for comparing such information with the related information included in the financial statements and supplemental schedule:

- a. Investments at fair value as shown on the accompanying statement of net assets available for benefits of \$15,607,073 and \$13,172,874 as of December 31, 2023 and 2022, respectively.
- b. Net change in fair value of investments as shown on the accompanying statement of changes in net assets available for benefits of \$1,848,124 for the year ended December 31, 2023.
- c. All investment transactions that occurred during the year ended December 31, 2023.
- d. All information included in the schedule of assets (held at end of year), excluding participant loans.

The Plan provides for investments in various investment securities which, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Further, due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Notes to Financial Statements

December 31, 2023 and 2022

4. **Fair Value Measurements**

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2023 or 2022.

Pooled separate accounts: These investments are valued based on the net asset value (“NAV”) of the pooled separate account multiplied by the number of shares held by the Plan at year-end. The NAV is determined based on the fair value of the underlying investments, adjusted for expenses. The NAV is used as a practical expedient to estimate fair value.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table summarizes investments for which fair value is based on the NAV practical expedient:

	Fair Value as of December 31,		Unfunded	Redemption	Redemption
	<u>2023</u>	<u>2022</u>	<u>Commitments</u>	<u>Frequency</u>	<u>Notice Period</u>
Pooled separate accounts					
Asset Allocation	\$ 12,326,563	\$ 10,504,353	N/A	Daily	None
Growth	1,693,283	1,305,888	N/A	Daily	None
Income	1,006,922	847,669	N/A	Daily	None
Aggressive Growth	392,512	345,003	N/A	Daily	None
Conservative	<u>187,793</u>	<u>169,961</u>	N/A	Daily	None
	<u>\$ 15,607,073</u>	<u>\$ 13,172,874</u>			

5. **Tax Status**

The Plan is utilizing a non-standardized pre-approved profit sharing plan document with cash or deferred arrangement (the “Plan Document”), which received an opinion letter dated June 30, 2020, in which the Internal Revenue Service (“IRS”) stated the Plan Document is designed in accordance with the applicable sections of the IRC. As allowed by the IRS, the Plan is relying on the opinion letter of the Plan Document for its own qualification. Although the Plan Document has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan’s financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in process.

Notes to Financial Statements**December 31, 2023 and 2022****6. Parties-in-Interest Transactions**

John Hancock is the Plan's custodian and Edberg Perry, LLC ("Edberg Perry") provides third party administrative services for the Plan. Edward D. Jones & CO. L.P. ("Edward Jones") and Wilshire Associates, Inc. (USA) ("Wilshire") serves as the Plan's investment advisors. The Plan pays John Hancock, Edberg Perry, Edward Jones, and Wilshire for their services. The Plan also holds notes receivable from participants. As a result, these notes receivable and related transactions were with parties-in-interest. All of these transactions are exempt from being prohibited transactions under ERISA.

7. Subsequent Events Evaluation Date

Management of the Plan evaluated the events and transactions subsequent to its December 31, 2023 financial statement date and determined there were no significant events necessary for disclosure through August 27, 2024, which is the financial statement issuance date.
