Plan Administrator and Trustees
Community Heritage Financial 401(k) Plan
Middletown, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Community Heritage Financial 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for plan benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Community Heritage Financial 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively "Empower"), qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Community Heritage Financial 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Heritage Financial 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Community Heritage Financial 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Heritage Financial 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, line 4i – Schedule of Assets (Held at Year End) and Schedule H, Part IV, line 4a – Schedule of Delinquent Participant Contributions, as of or for the year ended December 31, 2023 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

COMMUNITY HERITAGE FINANCIAL 401(K) PLAN

Notes to the Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrator and Plan Trustees determine the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Contributions

Contributions from Plan participants and the matching and profit-sharing contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation and on compensation paid during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred.

Payment of Benefits

Benefits are recorded when paid.

COMMUNITY HERITAGE FINANCIAL 401(K) PLAN

Notes to the Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses incurred maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefit payments paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

NOTE 2 DESCRIPTION OF THE PLAN

The following description of Community Heritage Financial 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Middletown Valley Bank and Millennium Financial Group, Inc. (collectively the "Company") who have completed 90 days of service and are age 21 or older. Effective December 1, 2023, the age requirement was changed to 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator and Plan Trustees are responsible for oversight of the Plan and determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Contributions

Participants may elect to defer a portion of their annual compensation on a pre-tax or Roth basis up to the maximum amount allowed under IRS regulations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants direct the investment of their contributions and any Company contributions into various investment options offered by the Plan. Effective October 1, 2022, the Plan added an auto-enrollment feature for all eligible new hires or current employees who do not defer and do not have an opt out election already in place. These employees will be automatically enrolled into the Plan with a 4% contribution rate.

The Company contributes a discretionary matching contribution to participants at a rate allocated proportionate to the amount of salary deferrals that is determined by the Company each year. The matching contribution is 50% of the first 6% contributed by the participant. Additional profit-sharing amounts may be contributed at the option of the Company. During the year ended December 31, 2023, no profit-sharing contributions were made. Contributions are subject to certain IRS limitations.

COMMUNITY HERITAGE FINANCIAL 401(K) PLAN

Notes to the Financial Statements

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the participant's contribution and Company's matching contribution, as well as allocations of the Company's profit sharing contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's discretionary employer matching contributions and profit-sharing contributions is based on years of service. Participants automatically become fully vested upon reaching normal retirement age (65 years old) or in the event of disability or death.

Participants become vested in the discretionary employer matching and profit-sharing contribution as follows:

<u>Years of Vesting Service</u>	<u>Vesting Percentage</u>
1	25%
2	50%
3	75%
4	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at one percent above the prime rate, as defined. Principal and interest is paid ratably through bi-weekly or semi-monthly payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement, or other reasons, a participant or his or her beneficiary will receive a lump sum amount equal to the value of the participant's vested interest in his or her account. Distributions of less than \$5,000 that meet the provisions for a mandatory distribution will be rolled over into an IRA in the participants name with a qualified institution, if the participant does not elect the distribution method. In addition, hardship, and in-service distributions are permitted if certain criteria are met.

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Forfeited Accounts

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$8,825 and \$8,162, respectively. These accounts will be used to offset future employer contributions or pay administrative expenses. Also, in 2023, plan expenses were reduced by \$5,307 from forfeited nonvested accounts.

NOTE 3 INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The financial statements as of December 31, 2023 and 2022 and for the year ended December 31, 2023 were prepared from information provided by Empower Annuity Insurance Company of America and Empower Trust Company, LLC (collectively, "Empower"), which they certified to be complete and accurate to the best of their knowledge. Following is a summary of the unaudited information included in the accompanying financial statements and supplemental schedules that was prepared by the trustee of the Plan, and furnished to the Plan Administrator.

COMMUNITY HERITAGE FINANCIAL 401(K) PLAN

Notes to the Financial Statements

NOTE 5 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to methodologies used at December 31, 2023 and 2022.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective Trust Funds

Valued at the net asset value of the underlying funds on the last day of the plan year. The net asset value of the fund is based on the market value of its underlying investment, but it is not a publicly quoted price in an active market.

Fair Value of Investments that Calculate Net Asset Value (Continued)

- (a) These funds seek capital appreciation by investing in equities of large-cap companies mostly outside of the United States. They primarily invest in stocks that have market caps in the top 70 percent of each economically integrated market and typically have less than 20 percent of assets invested in U.S. stocks.
- (b) This fund seeks total return over full market cycles and invests mainly in big international stocks that are less expensive or growing more slowly than other large-cap stocks.
- (c) This fund seeks to preserve capital by concentrating on lower-quality bonds, which are riskier than those of higher-quality companies and generally offer higher yields but are more vulnerable to economic and credit risk.
- (d) This fund seeks capital appreciation by investing primarily in big U.S. companies that are projected to grow faster than other large-cap stocks. It employs a bottom-up, research driven investment process on building an portfolio of companies demonstrating the potential for long-term sustainable growth.
- (e) This fund seeks capital appreciation by investing in equity securities of issuers with medium market capitalization with a focus on investments in companies that have above average earnings growth potential.
- (f) This fund seeks to deliver long-term growth of capital and are generally comprised of companies in up-and-coming industries or young firms in their early growth stages.
- (g) This fund seeks capital appreciation by investing in value-oriented common stocks of small-sized US companies.

NOTE 6 INVESTMENT CONTRACT

The Plan maintains a traditional fully benefit-responsive guaranteed investment contract with Empower Annuity Insurance Company of America ("Empower") totaling \$78,943 and \$12,105 at December 31, 2023 and 2022, respectively. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administration expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0 percent. The crediting rate is reviewed on a quarterly basis for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the schedule maturity date.

COMMUNITY HERITAGE FINANCIAL 401(K) PLAN

Notes to the Financial Statements

NOTE 6 INVESTMENT CONTRACT (CONTINUED)

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower Annuity Insurance Company of America, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a break of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

NOTE 7 RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are held by Empower. Empower is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in- interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment.

Empower provides certain administrative services to the Plan pursuant to a service agreement between the Company and Empower. Empower receives revenue from mutual fund service providers for services Empower provides to the funds. The revenue is used to offset certain amounts owed to Empower for its administrative services to the Plan.

COMMUNITY HERITAGE FINANCIAL 401(K) PLAN

Notes to the Financial Statements

NOTE 7 RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS (CONTINUED)

If the revenue received by Empower from such mutual fund service providers exceeds the amount owed under the service agreement, Empower remits the excess to the Plan's trust on a quarterly basis into the Plan's designated expense account. The revenue received during the plan year is included in the net appreciation in fair value of investments on the statement of changes in net assets available for plan benefits. Such amounts may be applied to pay administrative expenses or allocated to the accounts of participants. During 2023, \$2,833 of excess revenue was used to pay for administrative expenses. At December 31, 2023, the Plan's expense account totaled \$3,484.

The Plan made a direct payment to Empower for recordkeeping and investment management services of \$17,525, a direct payment to Massachusetts Mutual Life Insurance Company for investment advisory services of \$31,051, and a direct payment to the third-party administrator (Tiger's Eye Benefits & Consulting) of \$9,970. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE 8 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and terminate the Plan. In the event of a termination, participants would become 100 percent vested in their employer contributions.

NOTE 9 TAX STATUS

The Company adopted the Tiger's Eye Benefits Consulting Non-Standardized Pre-Approved Profit Sharing/Money Purchase Plan with CODA as the base for the Community Heritage Financial 401(k) Plan. An IRS opinion letter dated June 30, 2020 has been obtained for this prototype plan. Although the plan has been amended since receiving the opinion letter, the Plan administrator believes the Plan is designed, and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan is subject to routine audits by taxing jurisdictions; generally for a period of three years after the returns are filed; however, there are currently no audits for any tax periods in progress.

NOTE 10 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for plan benefits.

NOTE 11 DELINQUENT PARTICIPANT CONTRIBUTIONS

During the plan years ended December 31, 2023 and 2022, the plan sponsor did not remit certain participant contributions to the plan in a timely manner, as defined by ERISA, which constitute prohibited transactions. The late contributions were funded in 2022 and 2023. The Company is in the process of working with their third-party administrator to determine the total lost earnings to be funded for the delinquent participant contributions remitted during 2023. See the attached Schedule of Delinquent Participant Contributions for pay dates and amounts affected.
