Independent Auditor's Report

To the Board of Trustees of
Cooper Companies Retirement Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Cooper Companies Retirement Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Cooper Companies Retirement Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by the state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Cooper Companies Retirement Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Cooper Companies Retirement Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The

risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cooper Companies Retirement Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cooper Companies Retirement Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule titled Schedule H, Line 4i-Schedule of Assets (Held At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 - Description of Plan

The following description of the Cooper Companies Retirement Plan and Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General - The Plan is a combined defined contribution plan covering all full-time employees of the Cooper Hatchery, Inc. (the “Company”) who have one year of service and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees oversees governance of the Plan. The Plan’s Investment Committee determines the appropriateness of the governance of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Board of Trustees.

Contributions - Effective January 1, 2023, the Plan has an automatic four percent deferral for all eligible employees unless they proactively opt-out. Participants may make contributions through the salary deferral provisions of the 401(k) portion of the Plan subject to maximum tax-deferred limitations established by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a fixed annuity contract as investment options for participants. Participants may change their investment options anytime. Each year, the Company contributes to the Plan solely at the option of the Company’s Board of Directors. In 2023, the Company made a contribution of 100% of employee withholding up to 4%. In 2022, the Company made a contribution of 50% of employee withholding up to 4%. This matching Company contribution is invested as directed by the participants. Additional profit-sharing amounts may be contributed at the option of the Board of Directors of the Company and are also invested as directed by the participants. Participants may share in the Company match and additional profit-sharing amounts provided they meet certain requirements defined in the Company’s Plan.

Participant Accounts - Each participant’s account is credited with the participant’s contributions and allocation of (a) the Company’s matching contribution and (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Note 1 - Description of Plan (cont.)

Vesting - Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Payment of Benefits - On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account, or in installments.

Distribution Prior to Termination - In-service withdrawals are subject to varying rules depending on the source of the funds in the participant's account. Participants may withdraw all or part of their deferral contributions account and qualified non-elective contributions account provided they have attained age 59½. Participants may take hardship distributions from their vested account balances. These distributions would be subject to potential penalties and taxation. Participants are advised to consult a tax advisor for the most recent tax laws.

Death Benefits - Upon the death of a participant, the vested portion of the account becomes available for distribution to the participant's beneficiaries.

Forfeited Accounts - Forfeited amounts attributable to the Company matching portion of a participant's account will be applied to reduce the Company contribution for the Plan year in which such forfeitures occur. Forfeited amounts attributable to the Company discretionary portion of a participant's account will be reallocated to all participants based on compensation, as defined. At December 31, 2023 and 2022, forfeited amounts used during the year totaled \$80,049 and \$98,943, respectively. At December 31, 2023 and 2022, amounts of non-vested accounts forfeited during the year totaled \$137,142 and \$79,029, respectively. The balances are reviewed and typically redistributed annually, subject to the discretion of the plan administrator.

Recently Issued Accounting Standards - In June 2016, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2016-13, Financial Instruments – Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments (CECL) ("ASU 2016-13" or "ASC 326"). ASU 2016-13 revises the accounting requirements related to the measurement of credit losses and requires organizations to measure all expected credit losses for financial assets based on historical experience, current conditions, and reasonable and supportable forecasts about collectability. Assets must be presented in the financial statements at the net amount expected to be collected. During 2019, the FASB issued additional ASUs amending certain aspects of ASU 2016-13 extending the effective date for annual periods beginning after December 15, 2022.

Notes to Financial Statements

December 31, 2023 and 2022

Note 1 - Description of Plan (cont.)

On January 1, 2023, the Plan adopted the new accounting standard and all of the related amendments using the modified retrospective method. The Plan recognized the cumulative effect of initially applying the new credit loss standard to its contributions receivable by recording \$0 adjustment, to the opening balance of net assets available for benefits. Results for reporting periods beginning after January 1, 2023 are presented under ASC 326. The comparative information has not been restated and continues to be reported under the accounting standards in effect in those reporting periods. There was no material impact to the financial statements as a result of adoption of ASU 2016-13.

Note 2 - Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting - The Plan prepares its financial statements on the accrual basis. Unrealized gains and losses on the Plan's assets are reported even though no sales of such assets actually took place.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Contributions - Contributions to the Plan are accrued, if necessary, to the year to which they apply. The Plan evaluates contribution receivables based on risk characteristics, such as historical losses, current economic conditions and on a case-by-case basis. The Plan provides for probable uncollectible contributions through a provision for bad debts and an adjustment to a valuation allowance based on its assessment of the status of the receivables. Balances that are still outstanding after the Plan has made a reasonable collection effort are written off through a charge to the valuation allocation and a credit to the contribution receivable. The allowance for credit losses for the year ended December 31, 2023 was \$0. The allowance for doubtful accounts for the year ended December 31, 2022 was \$0.

Payment of Benefits - Benefits are recorded when paid.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly fashion between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Net appreciation (depreciation) in fair value of investments is reflected in the statements of changes in net assets available for benefits and includes realized gains and losses on investments bought and sold and the change in value from one period to the next. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Income from investments is recorded as earned on the accrual basis. Realized gains and losses on sales of securities are based on the actual cost and the selling price of the securities.

Note 2 - Summary of Significant Accounting Policies (cont.)

Information Certified by Custodian - The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained certifications from Empower Annuity Insurance Company of America ("Empower") that all information relating to the Plan's investments and related investment income is complete and accurate. Information as to the value of the investments in the trust fund managed by the custodian, investment income, and all information in the supplemental schedule is presented in reliance solely upon those certifications.

Note 3 - Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 4 - Investments (Unaudited)

At December 31, 2023 and 2022, all of the Plan's assets listed on the supplemental schedule of assets held for investment purposes were certified and held by Empower. Investments included in the Plan's Net Assets Available for Plan Benefits at December 31, 2023 and 2022, were \$114,773,412 and \$97,755,441.

During 2023 and 2022, the Plan's investments, including gains and losses on investments bought and sold, as well as the change in value for those investments held during the year, appreciated in value by \$12,590,773 and depreciated in value by \$19,209,425, respectively. Interest and dividends on all investments totaled \$3,139,417 and \$2,624,404 for the years ended December 31, 2023 and 2022, respectively.

Note 5 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Financial Accounting Standards Board ASC 820, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels. Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets,

Cooper Companies Retirement Plan and Trust

Notes to Financial Statements

December 31, 2023 and 2022

Note 5 - Fair Value Measurements (cont.)

and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which level 1 inputs were not available. There are no plan assets requiring the use of level 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2023 and 2022.

Level 1 Fair Value Measurements - The fair value of mutual funds is based on quoted prices in active markets such as the National Securities Clearing Corporation or secondary pricing sources such as Interactive Data Corporation.

Level 2 Fair Value Measurements - The fair value of fixed annuities is based on daily reported values calculated by the annuity provider in accordance with the applicable annuity contracts.

The following tables sets forth by investment type, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

	Fair Value Measurement Using:		
	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Fair Value Total
December 31, 2023:			
Mutual Fund Accounts	\$ 105,866,441	\$ -	\$ 105,866,441
Insurance Company Fixed Annuities	-	8,906,971	8,906,971
Total Investments	<u>\$ 105,866,441</u>	<u>\$ 8,906,971</u>	<u>\$ 114,773,412</u>
December 31, 2022:			
Mutual Fund Accounts	\$ 86,382,493	\$ -	\$ 86,382,493
Insurance Company Fixed Annuities	-	11,372,948	11,372,948
Total Investments	<u>\$ 86,382,493</u>	<u>\$ 11,372,948</u>	<u>\$ 97,755,441</u>

Note 6 - Party-In Interest

Certain plan investments are shares of funds managed by Empower. Empower is the custodian of the Plan, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. The Company serves as the plan administrator. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

December 31, 2023 and 2022

Note 7 - Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated August 25, 1996, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore, believe the Plan is qualified, and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 9 - Subsequent Events

Management has evaluated subsequent events through September 20, 2024, the date on which the financial statements were available to be issued. There are no subsequent events to disclose.
