INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Sanctuary For Families 403(b) Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Sanctuary For Families 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter

Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – Schedule of Assets (Held At End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the Sanctuary For Families 403(b) Plan (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of Sanctuary for Families, Inc.'s (the "Employer" or "Plan Sponsor") management, who is responsible for the integrity and objectivity of the financial statements. These accounting policies have been consistently applied in the preparation of the financial statements and supplemental schedule.

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition: Investments in mutual funds and the fixed interest account are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income on investments is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. During the year ended December 31, 2023, the Plan's net appreciation in fair value of investments was \$2,031,890.

Notes Receivable From Participants: Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits: Benefits are recorded when paid to the Plan's participants.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses paid by the Plan Sponsor are excluded from these financial statements. Certain investment-related Plan expenses like fees paid to those who administer and manage the funds are paid from the assets of the funds, and therefore reduce the overall return offered by the funds.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

PLAN SPONSOR EIN: 13-3193119

PLAN NUMBER: 001

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Events Occurring After Report Date: The Plan Sponsor has evaluated events and transactions that occurred between January 1, 2024 and August 5, 2024, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

Reclassifications: Certain amounts in the prior year financial statements have been reclassified to conform to the current year presentation. This affects figures presented on the statements of net assets available for benefits. As a result of reclassifying these balances, investments, at fair value for the year ended December 31, 2022 decreased by \$280,521 and notes receivable from participants for the year ended December 31, 2022 increased by \$280,521.

NOTE 2 - DESCRIPTION OF THE PLAN

The following description of the Plan provides general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan, restated effective July 1, 2011, is a participant-directed defined contribution plan covering all eligible employees of the Plan Sponsor who will complete 1,000 hours of service within a Plan year (i.e. hired to work more than twenty hours per week). Eligible employees can become participants as soon as they commence employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Hands Benefits & Trust Company ("Custodian") serves as the custodian of the Plan assets and Benefits Plans Administrative Services ("BPAS") serves as the recordkeeper as of and for the years ended December 31, 2023 and 2022.

Effective July 1, 2016 the Plan was amended to include an auto enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Auto-enrolled employees are enrolled to defer 2% of eligible compensation. Contributions are automatically invested in a qualified default investment alternative until changed by the participant.

Contributions: Each year, participants may contribute to the Plan a percentage of eligible compensation (defined in the Plan document as W-2 wages plus elective deferrals, excluding bonus compensation) or in specific dollar amounts. In addition, the Plan allows participants to designate a portion of their contributions to be treated as "Roth" contributions. A contribution treated as a Roth contribution is subject to current federal income tax at the time it is contributed to the Plan. However, if certain requirements are satisfied prior to the distribution of such amounts from the Plan, distributions of amounts attributable to Roth contributions (including earnings thereon) will not be subject to federal income tax at the time of distribution. Participant contributions other than those treated as Roth contributions are excluded from the

participants' federal taxable income until received as withdrawals or distributions from the Plan. Participants may also contribute amounts distributed from other qualified plans.

All contributions are subject to certain limitations. Employees may elect to defer a maximum amount not to exceed \$22,500 (the annual threshold as established by the IRS) for the Plan year ended December 31, 2023. In addition, participants who attained age 50 by December 31 were eligible to make an additional catch-up deferral of \$7,500 for the Plan year ended December 31, 2023.

During the year ended December 31, 2023, the Plan provided for employer discretionary contributions of 3% of eligible participants' gross salaries. Employer discretionary contributions are approved by the Board of the Plan Sponsor. In order to participate in the employer discretionary contributions, an employee must have one year of service with at least 1,000 hours. Employees who normally work under 20 hours per week are not eligible to participate in the Plan. Employer discretionary contributions for the year ended December 31, 2023 were \$395,534, net of forfeitures of \$19,303.

Participant Accounts: The Plan is a defined contribution plan under which a separate individual account is established for each participant. Each participant's account is credited with each participant's contribution and earnings, and an allocation of any employer discretionary contributions and administrative expenses. As a participant-directed plan, each participant's investment choices determine his/her share of earnings or losses.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. In addition, they are 100% vested in their shares of employer contributions after three years if they are hired on or after March 26, 2003. Those participants who were hired prior to March 26, 2003 are 100% vested in their shares of employer contributions after two years. Each employee must complete 1,000 hours of service during the Plan year to be credited with a year of service. Participants shall become fully vested upon death.

Forfeited Accounts: When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account represents a forfeiture. Forfeitures in each Plan year are used to pay any reasonable Plan expenses or reduce employer contributions for the Plan year. During the year ended December 31, 2023, there were new forfeitures of \$8,606. Forfeitures totaling \$19,303 were used to offset employer contributions during 2023. As of December 31, 2023 and 2022, there were \$19 and \$10,246, respectively, of forfeitures remaining.

Investment Options: Upon enrollment in the Plan, participants may direct BPAS to invest contributions in various investment options managed by the Custodian, its affiliates, and other large investment management companies. Participants may change their investment options, transfer part or all of past investments to other funds, and change their deferral percentages at any time.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED DECEMBER 31, 2023

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Notes receivable from participants: BPAS offers collateral loans to participants. Such loans are made outside of Plan assets. Such loans do not reduce the participants' account balances since they are made directly with BPAS. The loans are secured by the balances in the participants' accounts, and bear interest at rates ranging between 4.25% and 8.50%. The collateral amount of the loans is reported as notes receivable from participants in the accompanying statements of net assets available for benefits.

Deemed Distributions: When a participant fails to make loan repayments under the terms of the loan agreement, the loan is considered to be in default. A loan in default is considered a distribution from the Plan (deemed distribution) that would result in taxable income to the participant. However, until the participant either repays the loan or formally requests that BPAS distribute it out, the balance will remain in notes receivable from participants. Upon the occurrence of a qualifying event (as defined by the IRS and the Plan document), defaulted loans will be offset against the participant's account balance and removed from receivables. As of December 31, 2023, \$65,995 of outstanding loans represent defaulted loans (deemed distributions for which the participant was taxed through an IRS Form 1099-R. As of December 31, 2022, there were no outstanding loans representing defaulted loans (deemed distributions).

In-Service Withdrawals: In-service or hardship withdrawals are permitted by the Plan.

Payment of Benefits: Participants receive the full amount in their accounts when their employment terminates due to death, disability, or normal retirement. Terminations due to any other reasons only entitle the participants to receive the vested percentage of their account balances. Under the terms of the Plan, participants are eligible for normal retirement upon reaching age 65. Participants must start receiving required minimum distributions of benefits by April 1st following the year in which they reach the age of 72 (if born after June 30, 1951), even if they are still employed by the Plan Sponsor. Participants can elect to receive retirement benefits through lump-sum distributions or installments. In addition, the Plan will make a mandatory distribution of a participant's vested account balance following severance from employment if the amount is less than or equal to \$5,000.

A participant may receive a distribution up to \$5,000 during the 1-year period beginning on the date on which the Participant's child is born or on which the legal adoption by the Participant of an eligible adoptee is finalized. An eligible adoptee is any individual (other than a child of the Participant's spouse) who has not attained age 18 or is physically or mentally incapable of self-support. The \$5,000 maximum is an aggregate amount of such distributions from all plans maintained by the Employer.

Plan Amendments: The Plan Sponsor has the right under the Plan to amend the Plan at any time. The Plan was last amended in June 2024, with an effective date of July 1, 2024, to add union provisions to the Plan.

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed pursuant to the Plan document.

NOTE 3 - INFORMATION CERTIFIED BY CUSTODIAN

Investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest on notes receivable from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian.

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value, providing a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The three levels of the value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 – FAIR VALUE MEASUREMENTS *(continued)*

Following is a description of the valuation methodology used for assets measured at fair value. There has been no change in the methodology used at December 31, 2023.

Mutual Funds (Registered Investment Companies): Valued at the net asset value (“NAV”) of shares held by the Plan at year-end. The NAV is based upon quoted market prices.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,006,490	\$ -	\$ -	\$ 18,006,490
Total investments at fair value	\$ 18,006,490	\$ -	\$ -	\$ 18,006,490

Assets at Fair Value as of December 31, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,445,144	\$ -	\$ -	\$ 14,445,144
Total investments at fair value	\$ 14,445,144	\$ -	\$ -	\$ 14,445,144

NOTE 5 – INCOME TAX STATUS

The Plan Sponsor elected to adopt BPAS’ prototype plan. The Plan administrator and BPAS believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The

NOTE 5 - INCOME TAX STATUS (continued)

Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

NOTE 7 - TRANSACTIONS WITH PARTY-IN-INTEREST

Certain Plan investments are managed by BPAS and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in the fair value of investments.

NOTE 8 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2023:

Net increase in assets available for benefits per the financial statements.....	\$ 3,541,421
Less: certain deemed distributions of participant loans.....	<u>(65,995)</u>
Net assets increase in available for benefits per Form 5500.....	<u>\$ 3,475,426</u>
