Wellspring Senior Support Services 403(b) Plan  
Flint, Michigan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audits**

We have performed audits of the accompanying financial statements of Wellspring Senior Support Services 403(b) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.
- The information in the financial statements referred to above related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with U.S. generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. generally accepted accounting principles, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibility for the Audits of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## WEINLANDER FITZHUGH

Certified Public Accountants & Advisors

In performing an audit in accordance with U.S. generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtaining an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. generally accepted accounting principles.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. generally accepted accounting principles.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

**Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held at end of year as of December 31, 2023 is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves and other additional procedures in accordance with U.S. generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirement of ERISA Section 103(a)(3)(C).

WELLSPRING SENIOR SUPPORT SERVICES  
403(b) RETIREMENT PLAN  
Notes to Financial Statements  
For the Years Ended December 31, 2023 and 2022

**NOTE 1 - PLAN DESCRIPTION**

The following description of the Wellspring Senior Support Services 403(b) Retirement Plan (formerly known as the Wellspring Lutheran Services 403(b) Retirement Plan) (Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

**General.** The Plan is a defined contribution plan covering all employees, with the exception of per diem employees who work less than 1,000 hours and Elder Housing employees prior to July 1, 2009, of Lutheran Homes of Michigan, Inc. d/b/a Wellspring Lutheran Services (Organization) who are eligible to participate in the Plan as of their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective June 1, 2017, the Plan was amended to change the name of the Plan from Wellspring Lutheran Services 403(b) Retirement Plan to the Wellspring Senior Support Services 403(b) Retirement Plan.

**Plan Administration.** The Plan is administered by the Plan Administrators who are appointed by the board of directors of the Organization. The Plan's custodians and insurance companies, Empower Trust Company, LLC (Empower Trust), Thrivent Financial for Lutherans (Thrivent), AXA Equitable Life Insurance Company (AXA), Empower Annuity Insurance Company (Empower Annuity), and Massachusetts Mutual Life Insurance Company (MassMutual) are responsible for the custody and management of the Plan's assets.

**Contributions.** The Plan allows Eligible employees to contribute up to the maximum amount of compensation not to exceed the dollar amount permissible under Section 402(g) of the IRC and not to exceed the limits of Code Sections 403(b), 404 and 415. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan. The participant contributions and the Organization matching contributions may be allocated to various investments as the participant directs.

The Plan provides for employer discretionary matching contributions to participants who are not per diem employees and are at least 18 years of age with 12 consecutive months of employment and 1,000 hours of service, with the amounts to be determined by the Organization. The employer discretionary matching contribution was reinstated effective April 1, 2022 after having previously been suspended. The employer matching contributions for the year ended December 31, 2023 was 1% of a participant's eligible compensation.

**Vesting.** Participants are immediately vested 100% in all contributions and related earnings.

**Payment of Benefits.** Distributions are payable in the form of installments, an annuity, or a lump-sum amount equal to the vested balance of a participant's account upon the retirement, death, disability, or termination of employment.

Participants may request that all or a portion of their account be distributed in the case of financial hardship, as defined in the plan document. The Organization must approve any such hardship withdrawals.

Notes to Financial Statements  
For the Years Ended December 31, 2023 and 2022

**NOTE 1 - PLAN DESCRIPTION (CONTINUED)**

***Participant Accounts.*** Each participant's account is credited with the participant's contributions and allocations of the Organization's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting and Use of Estimates**

The accompanying financial statements are prepared on the accrual basis of accounting. The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires the Plan's management to use estimates and assumptions that affect the accompanying financial statements and disclosures. Actual results could differ from these estimates.

**Income Recognition**

Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Investment Valuation**

The Plan's investments are stated at fair value, except as noted below. The MassMutual Variable Annuity unallocated contract is not considered benefit responsive and is presented at fair value. The fair value of the nonbenefit-responsive unallocated contract is based on contract value adjusted for certain contractual provisions. The MassMutual Capital Preservation Account (managed by Empower Annuity Insurance Company) and AXA Guaranteed Insurance Option contracts are fully benefit-responsive unallocated contracts and are valued at contract value. Contract value for all unallocated contracts represents deposits made to the contract, plus earnings, less withdrawals and fees.

The pooled separate accounts are valued at net asset value per share (NAV) (or its equivalent) of the funds, which is based on the fair value of the funds' underlying assets. There are no redemption restrictions or unfunded commitments on these investments. All other investments are valued based on quoted market price. See Note 6 for additional information.

**Net Appreciation (Depreciation) in Fair Value of Investments**

Net realized and unrealized depreciation is recorded in the accompanying statement of changes in net assets available for benefits as net appreciation in fair value of investments.

Brokerage fees are added to the acquisition costs of assets purchased and subtracted from the proceeds of assets sold.

Notes to Financial Statements  
For the Years Ended December 31, 2023 and 2022

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Risks and Uncertainties**

The Plan invests in various investment securities. The underlying investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that the changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

**Events Occurring After Reporting Date**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through the date of the accompanying Independent Auditor's Report, which is the date the financial statements were available to be issued.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid by the Companies and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) in fair value of investments. Administrative expenses of the plan are allocated to participant accounts.

**NOTE 3 - UNCERTIFIED INFORMATION**

AXA, Empower Trust, Empower Annuity, and Mass Mutual hold the Plan's investments, with the exception of mutual funds and pooled separate accounts held by Thrivent, and execute all related investment transactions. The investment balances and related investment results included in the accompanying financial statements and supplemental schedule of assets held at end of year other than the mutual funds and pooled separate accounts held by Thrivent, are based solely on information certified by AXA, Empower Trust, Empower Annuity, and Mass Mutual.

The Plan's investments in the Thrivent mutual funds and pooled separate accounts totaling \$208,624 and \$173,825 at December 31, 2023 and 2022, respectively, and related investment income of \$1,371 and net appreciation of \$34,219 for the year ended December 31, 2023 were not certified.

**For the Years Ended December 31, 2023 and 2022**

**NOTE 4 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIANS AND INSURANCE COMPANIES**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, AXA Equitable Life Insurance Company (custodian December, 2022 and 2023), Empower Annuity Insurance Company of America (insurance company December, 2022 and 2023), Empower Trust Company (custodian December, 2022 and 2023), Great-West Trust Company ( custodian through October, 2022), Great-West Life & Annuity Insurance Company ( insurance company through October, 2022), Massachusetts Mutual Life Insurance Company ( insurance company 2022 and 2023), and Reliance Trust Company (custodian through October, 2022), have certified that the investment assets, transactions, income and supplemental schedule included in the accompanying financial statements is complete and accurate. The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

**NOTE 5 - INVESTMENTS**

There were no investments which were both acquired and disposed within the respective Plan year that are required to be disclosed.

**NOTE 6 - FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, (level 1 measurements) and the lowest priority to unobservable inputs, (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- |         |                                                                                                                                                                       |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;                             |
| Level 2 | Quoted prices in markets that are not considered to be active or financial statements for which all significant inputs are observable, either directly or indirectly. |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.                                                    |

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

- (1) Certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

Following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds:* Valued at the net asset value (NAV) of shares held by the Plan at year end.

*Pooled separate accounts:* Valued at the net asset value (NAV) of units held by the Plan at year end as provided by Massachusetts Mutual Life Insurance Company of America and Thrivent and are not assigned a level in the fair value hierarchy. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the account net of investment management fees. The practical expedient is not used when it is determined to be probable that the investment will be sold for an amount different than the reported NAV.

**NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)**

The following table summarizes investments for which fair value is measured using the NAV per share as a practical expedient as of December 31, 2023 and 2022. There are no participant redemption restrictions for these investments.

**NOTE 7 – UNALLOCATED CONTRACTS**

The Plan has benefit-responsive investment contracts with AXA and Empower Annuity Insurance Company of America. AXA and Empower Annuity Insurance Company of America maintain the contributions in their respective general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investments contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Interest is credited on contract balances using a single “portfolio rate” approach. Under this methodology, a single interest rate is applied to all contributions made to the product regardless of the timing of those contributions. For the AXA contract, interest crediting rates are reviewed on a semiannual basis for resetting. For the Empower Annuity Insurance Company of America contract, interest crediting rates are reviewed on a quarterly basis for resetting. When establishing interest credit rates for this product, AXA and Empower Annuity Insurance Company of America consider many factors, including current economic and market conditions, the general interest rate environment, and both the expected and actual experience of a reference portfolio within the issuer’s general account. The minimum credit rate under AXA and Empower Annuity Insurance Company of America contracts was 3.00 and 2.75 percent, respectively.

Generally, there are no events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in rare circumstances, contract value paid over time. There are no events that allow the issuers to terminate the contracts and which require the plan sponsor to settle an amount different than contract value paid either within 90 days or over time.

**NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan assets are shares of mutual funds managed by Empower Trust Company, LLC. Other Plan assets consist of units of pooled separate accounts held by Mass Mutual and Thrivent, as well as unallocated contracts managed by AXA, Mass Mutual and Empower Annuity & Insurance Company of America. AXA, Empower Trust Company, LLC, Empower Annuity & Insurance Company of America, Mass Mutual and Thrivent are the custodians and insurance companies as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions. Substantially all administrative fees are paid by the Plan. Administrative fees were paid to the investment advisor, third party administrator and record keepers in the amounts of \$62,936, \$21,354 and \$51,478, respectively, during 2023.

**NOTE 9 – PLAN TERMINATION**

While it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. In the event of plan termination, participants will receive the balance in their participant account.

**NOTE 10 - INCOME TAX STATUS**

The Organization adopted a Prototype 403(b) Plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service (IRS) on March 31, 2017. The IRS opinion letter stated that the Plan and related trust are designed in accordance with applicable sections of the IRC. The Organization believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 403(b) and the related trust is tax-exempt as of December 31, 2023. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

**NOTE 11 – UNCERTAINTIES**

As a result of current global events, economic uncertainties have arisen which have resulted in significant volatility of financial markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.
