## INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of  
Summit Racing Equipment Retirement Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the accompanying financial statements of Summit Racing Equipment Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section —

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Other Matter - Supplemental Schedules Required by ERISA***

The supplemental Schedules of Delinquent Participant Contributions and Assets (Held at End of Year) as of December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## SUMMIT RACING EQUIPMENT RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

#### NOTE 1 – DESCRIPTION OF PLAN

The following description of Summit Racing Equipment Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering substantially all employees of Autosales, Incorporated, Summit Racing Management Co., Inc., Nickels Performance Distributors, LLC, and effective January 1, 2023, Major Projects, LLC, all employers under common ownership (collectively, the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The plan administrator is responsible for oversight of the Plan. The Plan's Administrative/Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the plan administrator.

**Eligibility:** To be eligible, employees must have attained the age of 18 and have completed three months of service, as defined in the Plan. Leased employees and residents of Puerto Rico are excluded from participation. The Plan allows employees to enter the Plan on the first day of the month coinciding with or following the date on which the employee completes the eligibility requirements.

**Contributions:** Participants may make voluntary pre-tax or after-tax (Roth) contributions, by means of a salary deferral agreement, of up to 75% of their eligible compensation for the Plan year, in half percentage increments, subject to Internal Revenue Service ("IRS") limitations, and as defined by the Plan. Participants who are 50 years old before the close of the taxable year are eligible to make catch-up contributions. Participants may make voluntary, non-deductible, and after-tax employee contributions of up to 4% of compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may change their investment options daily and have the option to invest all or part of their contributions into the various investment funds offered under the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect to not participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced portfolio until changed by the participant. The Plan also includes an auto-increase provision whereby existing participants contributing no elective deferrals have their deferral rate automatically set at 6% of eligible compensation each January 1 and their contributions invested in a designated balanced portfolio until changed by the participant, unless they affirmatively elect to not participate in the Plan. Participants subject to the auto-enrollment or auto-increase provisions also have the option of electing a deferral percentage other than the default percentage.

The Company contributes a safe harbor employer matching contribution equal to 100% of the first 1% of base compensation that a participant contributes to the Plan and 50% of the next 5% of base compensation that a participant contributes to the Plan. The Company may, at its discretion, make non-safe harbor employer matching contributions. There were no discretionary non-safe harbor employer matching contributions authorized for 2023. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. For the year ended December 31, 2023, the Company authorized a profit sharing contribution totaling \$5,794,401, net of \$206,647 to be funded with the use of forfeitures. The net profit sharing contribution of \$5,587,754 is recorded as a receivable in the 2023 statement of net assets available for benefits and was subsequently remitted to the Plan during 2024. The Company made a net profit sharing contribution of \$3,378,826 for the year ended December 31, 2022, which was recorded as a receivable in the 2022 statement of net assets available for benefits and was subsequently remitted to the Plan during 2023. Contributions are subject to certain limitations.

**Participant accounts:** Each participant's account is credited with the participant's contributions and the Company's matching contributions, as well as allocations of (a) the Company's profit sharing contribution, if any, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts that are allocated to participants. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Notes receivable from participants:** Participants may borrow from their Plan account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The term of any loan may not exceed five years unless the purpose of the loan is to purchase the participant's primary residence, in which case the term is limited to ten years. The loans are secured by the vested balance in the participant's account and bear interest at a rate determined by the plan administrator, currently the prime interest rate at the time of the loan plus 1%. Interest rates range from 4.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

If a participant does not make loan repayments and the plan administrator considers the loan to be in default, the loan is defaulted as a deemed distribution for tax reporting purposes only. The participant's account balance is not reduced by the amount of the deemed distribution, rather the loan will continue to accrue interest. The amount of a loan that is deemed distributed, plus interest accruing on the loan (unless paid back in full), will be considered an outstanding loan for the purpose of determining the limits on any subsequent loans.

**Vesting:** Participants are vested immediately in their contributions plus actual earnings thereon. Participants are 100% vested in safe harbor matching contributions after two years of service. Vesting in the Company's non-safe harbor employer matching and profit sharing contributions is based on years of continuous service. Participants vest 20% per calendar year of service after the first calendar year of service and are 100% vested after six years of service. Participants become fully vested in all Company contributions upon death, disability or attainment of normal retirement age of 62.

**Forfeited accounts:** At December 31, 2023 and 2022, forfeited non-vested accounts totaled \$256,585 and \$836,778, respectively. These accounts are to be used to pay Plan administrative expenses, reduce employer contributions, or be otherwise allocated to participants in accordance with Plan provisions. During 2023, \$241,948 of forfeited non-vested accounts were used to pay Plan administrative expenses and \$849,111 were used to reduce employer contributions.

**Payment of benefits:** Upon separation from service, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or a partial payment. In-service distributions of employee contributions may be made to a participant who has not separated from service provided the participant has attained age 59½. In-service distributions of a participant's entire vested balance may be made to a participant who has not separated from service provided the participant has attained age 62. Involuntary distributions of amounts less than \$5,000 are permitted under the Plan. Such distributions greater than \$1,000 must be directly rolled over to an individual retirement account set up by the plan administrator for the benefit of the participant, while amounts of \$1,000 or less will be distributed as lump-sum payments. In-service hardship withdrawals of employee contributions are permitted upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need.

## **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of accounting:** The accompanying financial statements have been prepared on the accrual basis of accounting.

**Use of estimates:** The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Other than the Plan's investment in a fully benefit responsive investment contract, investments are reported at fair value using the methodologies described in Note 3. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the Plan's fully benefit-responsive investment contract, because contract value is the amount Plan participants expect to receive when executing transactions under the terms of the contract and Plan provisions. The Plan's Administrative/Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and trustee.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date and include capital gain distributions. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. When a loan defaults, the deemed distribution is a distribution for tax reporting purposes. Deemed distributions of participant notes receivable with no post-default payment activity are disregarded for Form 5500 reporting. However, the loan is still an asset of the plan and continues to accrue interest in accordance with Department of Labor and IRS regulations as the participant still has the option to pay off the loan at any time. A defaulted loan is offset against the participant's account balance for financial reporting purposes upon the occurrence of a distributable event for the participant (termination of employment, death, disability or retirement), unless otherwise repaid by the participant.

**Payment of benefits:** Benefits are recorded when paid.

**Administrative expenses:** Certain administrative expenses of the Plan have been paid by the Company and are, therefore, not expenses of the Plan. Investment related expenses are included in net appreciation or depreciation of fair value of investments. Other Plan expenses not paid by the Company, including investment management, recordkeeping, audit fees, and participant loan and distribution administrative fees, are either paid from forfeited non-vested accounts or are paid from other assets of the Plan and allocated to participant accounts.

**Subsequent events:** In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through October 9, 2024, the date the financial statements were available to be issued.

### **NOTE 3 – FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

**Mutual funds:** Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective investment trusts: Collective investment trust funds have the characteristics of a structure similar to a mutual fund and are valued based on the readily determinable quoted market price that each fund publishes at the end of each day. While the underlying assets in a common collective trust fund are actively traded on an exchange, the funds themselves are not and, therefore, are classified as Level 2 assets in the fair value hierarchy. This investment option was discontinued by the Plan during 2023.

Self-directed brokerage accounts: These accounts are invested in mutual funds, exchange-traded funds, common stocks, interest-bearing cash, and non-interest-bearing cash. The fair value of these investments are valued based on quoted prices on active markets and are included as Level 1 assets in the following tables.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022.

#### NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan, as of December 31, 2023 and 2022, and for the year ended December 31, 2023:

#### NOTE 5 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a group annuity contract with Standard Insurance Company, through which participants may direct contributions to the Standard Stable Asset Fund IV, a fully benefit-responsive guaranteed investment contract. Standard Insurance Company maintains the contributions in its general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. There are no reserves against contract value for credit risk of Standard Insurance Company.

The fully benefit-responsive guaranteed investment contract is a traditional contract, whereby the Plan owns only the contract itself. Contract value at December 31, 2023 and 2022 totaled \$8,996,322 and \$9,033,344 respectively.

The Plan's investment contract specifies that generally there are not any events that could limit the ability of the Plan to transact at contract value paid within 30 days or, in rare circumstances, contract value paid over time. There are not any events that allow the issuer to terminate the contract and which require the plan sponsor to settle at an amount different than contract value paid within 30 days or over time. Currently, management believes that the occurrence of an event that would cause the Plan to transact contract distributions at less than contract value is not probable.

The crediting interest rate of the contract is based on an agreed-upon formula with Standard Insurance Company, as defined in the contract agreement, but cannot be less than 1.0%. Such interest rates are reviewed on a quarterly basis for resetting. The key factors that influence future crediting rates could include the following: current economic and market conditions; the level of market interest rates; and both the expected and actual experience of a reference portfolio within Standard Insurance Company's general account.

#### **NOTE 6 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their employer contributions.

#### **NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments as of December 31, 2023 and 2022 were managed by affiliates of Fidelity Management Trust Company, the Plan's trustee. The Plan also had an interest in a guaranteed investment contract as of December 31, 2023 and 2022, through a group annuity contract directly between the Plan and Standard Insurance Company. The Plan also issues loans to participants, which are secured by the balances in the participants' accounts. These transactions all qualify as party-in-interest transactions.

#### **NOTE 8 – INCOME TAX STATUS**

The Plan has adopted a non-standardized pre-approved plan document on which the IRS has issued an opinion letter dated June 30, 2020, that stated that the non-standardized pre-approved plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since issuance of the most recent opinion letter. Although the Plan has not requested an individual determination letter from the IRS, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date and no provision for income taxes has been included in the Plan's financial statements.

#### **NOTE 9 – PROHIBITED TRANSACTION**

During 2023, the Company failed to remit one pay period of participant contributions totaling \$2,019 to the Plan on a timely basis, as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The delinquent contributions were not remitted to the Plan during Plan year ended December 31, 2023, and were remitted to the Plan during October 2024. The related lost earnings are currently being calculated and will be remitted to the Plan in 2024.

#### **NOTE 10 – RISKS AND UNCERTAINTIES**

The participants direct the Plan to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

**NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

|                                                                | December 31,         |                      |
