National DCP 401(k) Profit Sharing Plan and Trust

**Scope and nature of the ERISA Section 103(a)(3)(C) audit**

We have performed audits of the financial statements of National DCP 401(k) Profit Sharing Plan and Trust (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other matter – supplemental schedule required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **National DCP 401(k) Profit Sharing Plan and Trust**

### **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2023 and 2022**

#### **NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of National DCP 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan is a defined contribution plan established for the benefit of the employees of National DCP, LLC (the "Company," "Sponsor," or "Employer").

##### ***General***

The Plan is sponsored by the Company and is a profit-sharing plan under Internal Revenue Code (the IRC) Section 401(a) and includes a cash or deferred arrangement that is intended to qualify under IRC Section 401(k). The Plan is established and maintained for the exclusive benefit of eligible employees and their beneficiaries. The Plan covers all employees of the Sponsor who have completed 90 days of service and are age 18 or older except for collectively bargained employees, non-resident aliens who receive no compensation from the Company which constitutes U.S. source income and leased employees. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

John Hancock Trust Company, LLC ("John Hancock") serves as the custodian and trustee of the Plan.

##### ***Contributions***

Participants may elect to contribute any percentage of their eligible compensation, not to exceed annual limitations as provided by the IRC. Participants may also rollover amounts representing distributions from other qualified defined benefit or contribution plans. The Plan also allows for Roth contributions. The Plan offers an automatic deferral and escalation election. Under this feature, upon satisfaction of eligibility requirements, participants will be automatically enrolled in the Plan with a deferral of 3% of compensation. The automatic deferral will increase each year by 1% of the participant's compensation up to a maximum of 6%, unless the participant designates otherwise under a salary reduction agreement.

The Plan qualifies as a safe harbor plan. Based upon the safe harbor provisions, the Sponsor will make a safe harbor matching contribution equal to 100% of the first 1% of the employee's compensation plus 50% of the next 5% of compensation. In addition, the Sponsor may elect to make matching contributions under the Plan. This Sponsor match is discretionary and is limited to 4% of a participant's compensation. A participant must complete one year of service, as defined, and generally be employed with the Sponsor on the last day of the Plan year to be eligible for the Sponsor's discretionary contribution. Additional profit-sharing amounts may be contributed at the option of the Company's Board of Directors (the Board) and are invested in a portfolio of investments as directed by the Company. For the year ended December 31, 2023, the Company did not make a profit sharing contribution to the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

##### ***Vesting***

Participants are immediately vested in their voluntary contributions plus the allocation of Plan earnings on those contributions at the time of allocation. Participants vest in the Company contributions as follows: 20% after one year, 40% after two years, 60% after three years, 80% after four years and 100% after five years. Each participant shall be 100% vested in his or her Company account upon death or disability. A participant's vested interest in the participant's safe harbor matching contributions shall be 0% until the participant has completed two years of vesting service, at which time the participant's vested interest in the safe harbor matching contributions shall be 100%.

##### ***Participant Accounts***

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and (b) Plan earnings and charged with an allocation of administrative expenses

and withdrawals. Allocations are based on participant deferral contributions, compensation, or account balances, as applicable and pursuant to the terms of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

***Forfeited Accounts***

At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$201,072 and \$221,035, respectively. These accounts will be used to reduce plan expenses and future employer contributions. In 2023, employer contributions were reduced by \$201,016 and no plan expenses were reduced from forfeited nonvested accounts.

***Notes Receivable from Participants***

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the vested balance in the participant's account and bear interest at prime plus 1%. Note terms are up to five years, except for notes used to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may exceed five years but may not extend beyond 10 years. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator. The interest rates charged on all participant loans outstanding ranged from 4.25% to 9.50% for the year ended December 31, 2023 and between 4.25% to 8.50% for the year ended December 31, 2022. Principal and interest are paid ratably through payroll deductions. A participant may only have one loan outstanding from the Plan at any time.

***Benefit Payments***

Upon retirement, death, disability, termination of service, financial hardship, or the attainment of age 59½, the participant will receive a lump sum distribution of his or her vested account balance as soon as administratively practicable following the date the request for distribution is made or is otherwise due. The participant may request an alternative payment schedule as specified in the Plan document.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements have been prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

***Risks and Uncertainties***

The Plan provides for investment options such as, but not limited to, a variety of investment securities. Investment securities in general are exposed to various risks, such as interest rate, market volatility, and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**December 31, 2023 and 2022**

***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). The Sponsor's Board determines the Plan's valuation policies utilizing information provided by the investment advisors.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

***Administrative Expenses***

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees paid by the Plan include recordkeeping fees and investment advisor fees. Investment related expenses are included in net appreciation in fair value of investments.

***Benefit Payments***

Benefit payments are recorded when paid.

***Notes Receivable from Participants***

Notes receivable from participants represent loans to participants and are measured at the unpaid principal balance plus any accrued and unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

***Subsequent Events***

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 8, 2024, the date the financial statements were available to be issued. On May 6, 2024, the Company signed a Trust Agreement with Voya Institutional Trust Company to serve as the custodian and trustee of the Plan.

**NOTE 3 - CERTIFIED INVESTMENTS**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and the Schedule H, line 4i – schedule of assets (held at end of year), including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivables from participants for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Trust Company LLC.

**NOTE 4 - FAIR VALUE OF MEASUREMENTS**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. No changes have been made in investment methodology at December 31, 2023 and 2022.

Following is a description of the valuation methodologies used for assets measured at fair value:

*Mutual funds* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Pooled separate account* - Valued at the net asset value ("NAV"), of the units held by the Plan at year end, which is provided by the trustee. NAV is used as a practical expedient to estimate fair value. The NAV is generally based on the fair value of the underlying investments, which are based on the current market prices or quotations readily available on the day of valuation. Participant transactions (purchases and sales) may occur daily. There are no redemption restrictions in place for the pooled separate account. There were no unfunded commitments due to the pooled separate account as of December 31, 2023 and 2022.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

<sup>(a)</sup> In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

**NOTE 5 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

**NOTE 6 - TAX STATUS**

The Plan operates under a John Hancock sponsored volume submitter profit-sharing plan during the year. The volume submitter profit-sharing plan has received an advisory letter from the IRS dated June 30, 2020 stating that the form of the volume submitter plan is qualified under Section 401(a) of the IRC and, therefore, the related trust is tax-exempt. Although the Plan has been amended since receiving the opinion letter, the

**National DCP 401(k) Profit Sharing Plan and Trust**  
**NOTES TO FINANCIAL STATEMENTS - CONTINUED**  
**December 31, 2023 and 2022**

Plan Administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC. The Plan Administrator believes the Plan is qualified and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the Company to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements and has determined that there are no such tax positions as of December 31, 2023 and 2022. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS**

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Sponsor and certain others. Actual fees incurred by the Plan for record keeping and custodial service during 2023 are included within administrative expenses and also qualify as party-in-interest transactions. The Plan also held notes receivable from participants which qualify as party-in-interest transactions.
