**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

**SHIMADZU PRECISION INSTRUMENTS, INC. 401(k) PLAN**

FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

## **INDEPENDENT AUDITOR'S REPORT**

To the Participants and Plan Administrator of the  
Shimadzu Precision Instruments, Inc. 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the Shimadzu Precision Instruments, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

To the Participants and Plan Administrator of the  
Shimadzu Precision Instruments, Inc. 401(k) Plan

certified by an institution that management determined meets the requirements of ERISA Section  
103(a)(3)(C).

**SHIMADZU PRECISION INSTRUMENTS, INC. 401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022

**NOTE 1 - DESCRIPTION OF THE PLAN**

The Shimadzu Precision Instruments, Inc. 401(k) Plan (the "Plan"), effective January 1, 1992, is a defined contribution plan established to provide retirement benefits to eligible employees of the Plan's sponsor, Shimadzu Precision Instruments, Inc. (the "Company" or the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was restated effective September 30, 2015.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

**A. Participation**

The Plan specifically excludes employees covered by a collective bargaining agreement, leased employees, nonresident aliens, employees under third party contract or direct contract, and employees who do not reside in the mainland United States. Interns, irregular employees, direct temporary employees, and employees on temporary assignment in the United States from Shimadzu Corporation are eligible to participate in the Plan after attaining 1,000 hours of service and are 21 or older. All other employees of the Company are eligible to participate in the Plan after completing 3 months of service. Once eligible, employees will enter the Plan on the first day of the next calendar month.

**B. Contributions**

Participants may contribute to the Plan through tax-deferred salary deductions of eligible compensation, as defined in the Plan, up to the statutory maximum allowed by the Internal Revenue Code (the "Code"). Effective June 1, 2023, the Plan was amended to allow roth contributions. The Company may elect to contribute discretionary matching contributions. In 2023, the Company made matching contributions of 100% of deferrals up to the first 3% of compensation. Participants are eligible to receive an employer matching contribution after completing one year of service with 1,000 hours.

**C. Benefits**

Normal retirement age is 65. Benefits under the Plan are generally paid as a lump sum when a participant retires, dies, or ceases to be an employee, whichever applies. Effective December 1, 2022, benefits may also be paid as installment payments. Hardship and age 59½ withdrawals are permitted by the Plan.

**D. Vesting**

A participant is fully vested immediately as to voluntary contributions, rollover contributions and related earnings. Employer contributions are vested as follows:

| <u>Vesting Service<br/>(Years)</u> | <u>Vesting<br/>Percentage (%)</u> |
|------------------------------------|-----------------------------------|
| 1                                  | 20                                |

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

**E. Notes Receivable from Participants**

Participants may borrow from their accounts up to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan is \$1,000. A maximum of three loans may be outstanding at any one time. Loans are secured by the balance in the participant's account and bear interest at the prime rate plus one percent. Loans must be repaid within five years, except that loans for the purchase of a principal residence may be repaid over a term of ten years. Notes receivable from participants at December 31, 2023 carry interest rates ranging from 4.25% to 9.50%.

**F. Forfeitures**

Forfeitures will be used to pay administrative expenses, reduce future Company contributions, or reallocated to participant accounts in proportion to matching contributions. Only participants employed on the date that forfeitures are determined will be eligible to receive reallocated forfeitures. For the year ended December 31, 2023, forfeitures totaled \$5,498 and \$13,214 of forfeitures were used to pay fees. The forfeiture balance as of December 31, 2023 and 2022 was \$10,220 and \$17,342, respectively.

**G. Administrative Expenses**

Investment fund operating expenses are incurred directly by the funds and are factored into each fund as a reduction in investment return. Recordkeeping and administrative fees charged by Fidelity Trust Management Company are calculated as 23 basis points of total Plan assets. Participant loan administration, account withdrawal fees, and recordkeeping and administrative fees are charged directly to the accounts of participants. The Company pays substantially all other Plan administrative costs.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Accounting**

The financial statements of the Plan are maintained on the accrual basis of accounting.

**B. Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**C. Investment Valuation and Income Recognition**

The participants select how their share of plan assets will be invested among those investment vehicles made available. Participants may change their investment options at any time during the Plan year.

DECEMBER 31, 2023 AND 2022

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Investment Valuation and Income Recognition (Continued)**

GAAP establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The following tables summarize the Plan's investments at December 31 based on the inputs used to value them:

<sup>A</sup> In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consist of mutual funds and money market funds, both of which are valued at their quoted market prices. Level 2 investments are comprised of variable annuity contracts that are valued at contract value, which approximates fair value.

The following table summarizes Plan investments valued at net asset value as of December 31, 2003 and 2022, respectively:

**NOTE 3 - INCOME TAX STATUS**

The Plan is a Fidelity Management & Research Company volume submitter plan that has received a letter of opinion from the Internal Revenue Service stating that the form of the Plan qualifies under the applicable sections of the Code. The Plan has been amended since receiving the determination letter, however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 4 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would be 100% vested in their accounts and Plan assets would be distributed based upon the participants' account balances at that time.

**NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at December 31, 2023 and 2022 and investment income for the year ended December 31, 2023 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

**NOTE 8 - RISK AND UNCERTAINTIES**

Plan investments are exposed to interest rate, market fluctuations, and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

## **INDEPENDENT AUDITOR'S REPORT**

To the Participants and Plan Administrator of the  
Shimadzu Precision Instruments, Inc. 401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of the Shimadzu Precision Instruments, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

To the Participants and Plan Administrator of the  
Shimadzu Precision Instruments, Inc. 401(k) Plan

certified by an institution that management determined meets the requirements of ERISA Section  
103(a)(3)(C).

**SHIMADZU PRECISION INSTRUMENTS, INC. 401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022

**NOTE 1 - DESCRIPTION OF THE PLAN**

The Shimadzu Precision Instruments, Inc. 401(k) Plan (the "Plan"), effective January 1, 1992, is a defined contribution plan established to provide retirement benefits to eligible employees of the Plan's sponsor, Shimadzu Precision Instruments, Inc. (the "Company" or the "Employer"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was restated effective September 30, 2015.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS AND OTHER INTERESTED PARTIES SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

**A. Participation**

The Plan specifically excludes employees covered by a collective bargaining agreement, leased employees, nonresident aliens, employees under third party contract or direct contract, and employees who do not reside in the mainland United States. Interns, irregular employees, direct temporary employees, and employees on temporary assignment in the United States from Shimadzu Corporation are eligible to participate in the Plan after attaining 1,000 hours of service and are 21 or older. All other employees of the Company are eligible to participate in the Plan after completing 3 months of service. Once eligible, employees will enter the Plan on the first day of the next calendar month.

**B. Contributions**

Participants may contribute to the Plan through tax-deferred salary deductions of eligible compensation, as defined in the Plan, up to the statutory maximum allowed by the Internal Revenue Code (the "Code"). Effective June 1, 2023, the Plan was amended to allow roth contributions. The Company may elect to contribute discretionary matching contributions. In 2023, the Company made matching contributions of 100% of deferrals up to the first 3% of compensation. Participants are eligible to receive an employer matching contribution after completing one year of service with 1,000 hours.

**C. Benefits**

Normal retirement age is 65. Benefits under the Plan are generally paid as a lump sum when a participant retires, dies, or ceases to be an employee, whichever applies. Effective December 1, 2022, benefits may also be paid as installment payments. Hardship and age 59½ withdrawals are permitted by the Plan.

**D. Vesting**

A participant is fully vested immediately as to voluntary contributions, rollover contributions and related earnings. Employer contributions are vested as follows:

| <u>Vesting Service<br/>(Years)</u> | <u>Vesting<br/>Percentage (%)</u> |
|------------------------------------|-----------------------------------|
| 1                                  | 20                                |
| 2                                  | 40                                |
| 3                                  | 60                                |
| 4                                  | 80                                |

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2023 AND 2022**

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

**E. Notes Receivable from Participants**

Participants may borrow from their accounts up to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan is \$1,000. A maximum of three loans may be outstanding at any one time. Loans are secured by the balance in the participant's account and bear interest at the prime rate plus one percent. Loans must be repaid within five years, except that loans for the purchase of a principal residence may be repaid over a term of ten years. Notes receivable from participants at December 31, 2023 carry interest rates ranging from 4.25% to 9.50%.

**F. Forfeitures**

Forfeitures will be used to pay administrative expenses, reduce future Company contributions, or reallocated to participant accounts in proportion to matching contributions. Only participants employed on the date that forfeitures are determined will be eligible to receive reallocated forfeitures. For the year ended December 31, 2023, forfeitures totaled \$5,498 and \$13,214 of forfeitures were used to pay fees. The forfeiture balance as of December 31, 2023 and 2022 was \$10,220 and \$17,342, respectively.

**G. Administrative Expenses**

Investment fund operating expenses are incurred directly by the funds and are factored into each fund as a reduction in investment return. Recordkeeping and administrative fees charged by Fidelity Trust Management Company are calculated as 23 basis points of total Plan assets. Participant loan administration, account withdrawal fees, and recordkeeping and administrative fees are charged directly to the accounts of participants. The Company pays substantially all other Plan administrative costs.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Accounting**

The financial statements of the Plan are maintained on the accrual basis of accounting.

**B. Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**C. Investment Valuation and Income Recognition**

The participants select how their share of plan assets will be invested among those investment vehicles made available. Participants may change their investment options at any time during the Plan year.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2023 AND 2022

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**C. Investment Valuation and Income Recognition (Continued)**

GAAP establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The following tables summarize the Plan's investments at December 31 based on the inputs used to value them:

| December 31, 2023                                       |                      |                   |             |                      |

<sup>A</sup> In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consist of mutual funds and money market funds, both of which are valued at their quoted market prices. Level 2 investments are comprised of variable annuity contracts that are valued at contract value, which approximates fair value.

The following table summarizes Plan investments valued at net asset value as of December 31, 2023 and 2022, respectively:

**NOTE 3 - INCOME TAX STATUS**

The Plan is a Fidelity Management & Research Company volume submitter plan that has received a letter of opinion from the Internal Revenue Service stating that the form of the Plan qualifies under the applicable sections of the Code. The Plan has been amended since receiving the determination letter, however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 4 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would be 100% vested in their accounts and Plan assets would be distributed based upon the participants' account balances at that time.
