Independent Auditor's Report

To the Board of Trustees and the
Plan Administrator
InCharge 401(k) Retirement Plan
Orlando, FL

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the InCharge 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the InCharge 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2023 and 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the InCharge Institute 401(k) Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the InCharge 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in

InCharge 401(k) Retirement Plan
Independent Auditor's Report
Page Three

accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the InCharge 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the InCharge 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i – Schedule of Assets Held at End of Year as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**INCHARGE 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022**

NOTE A – DESCRIPTION OF PLAN

InCharge 401(k) Retirement Plan (formerly, InCharge Institute 401(k) Plan and Trust) is a defined contribution plan and was established on January 1, 1999, based on the prototype plan of Fidelity Management Trust Company. InCharge 401(k) Retirement Plan (the “Plan”) covers employees of InCharge Debt Solutions and InCharge Education Foundation, Inc. (collectively, the “Company”).

Effective May 12, 2023, the adoption agreement and related documents were amended and restated to reflect the new name change, InCharge 401(k) Retirement Plan; and to remove InCharge Institute of America, Inc. (“ICI”) as an employer covered by the Plan. On or about March 13, 2023, ICI ceased all business operations and dissolved as an entity. As a result, InCharge Education Foundation, Inc. was named the employer of the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

The following brief description of the Plan is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

Eligibility

Employees are immediately eligible to join the Plan provided they have attained the age of 21. Entry into the Plan is on the first day of the month following the date that eligibility is met. Effective January 1, 2016, the Plan was amended to include an automatic enrollment feature; whereby, eligible employees are automatically enrolled into the Plan with pre-tax deferral contributions of 6% of compensation.

Employer Contributions

The Company matches participant contributions equal to 100% of the first 4% of the participant’s eligible compensation contributed to the Plan, and 50% of the next 2% of the participant’s eligible compensation contributed to the Plan. The Company may also make discretionary and employer non-elective contributions. Participants are eligible to receive employer matching and employer non-elective contributions upon the completion of six months of service.

Participant Contributions

Participants may contribute a percentage of their annual pre-tax compensation, as defined in the Plan, not to exceed the maximum allowable amounts under the Internal Revenue Code (“IRC”). Participants who are at least age 50 can make additional catch-up deferral contributions as defined under the IRC.

(continued)

NOTE A – DESCRIPTION OF PLAN - continued

Rollover Contributions

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, subject to the Plan provisions.

Vesting

Under the Safe Harbor election, participants are 100% vested in both their deferral contributions and the employer's matching contributions (as adjusted for investment gains and losses). Prior to each Plan year, the Company provides written notice to all Plan participants describing their rights and obligations under the Plan.

Investment Options

The Plan provides for participant-directed investment programs, whereby the Plan determines which investment options are available and the participants may choose among the available options. Participants may have their accounts invested in any single or a combination of mutual funds, or a common collective trust. Participants may change their investment options at any time.

Participant Accounts

Each participant's account is self-directed and is credited with the participant's elective contribution (including elective deferrals, catch up contributions, and/or rollover contributions), the Company's contributions, share of any investment earnings, and increases in the value of investments. Participant accounts are reduced by any withdrawals or distributions, investment losses, decreases in values of investments, and share of fees and expenses, as applicable. Allocations are pursuant to the Plan provisions.

Notes Receivable from Participants

The Plan allows active participants to borrow from their vested account balances. Loans are provided under a separate written loan policy. Participant loans are limited to a minimum of \$1,000 up to a maximum equal to the lesser of 50% of their vested account balance or \$50,000 less the highest outstanding loan balance in the prior twelve month period. Participants are permitted to have only one outstanding loan at any time and the loan must be repaid within a five year period, unless the loan is for the acquisition of a primary residence.

(continued)

NOTE A – DESCRIPTION OF PLAN - continued

Notes Receivable from Participants (continued)

Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. The interest rate shall remain fixed throughout the duration of the loan. Principal and interest are paid ratably through bi-weekly payroll deductions. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the Plan documents.

Benefits

Participants can make withdrawals of any vested amounts from their account without penalty once they reach age 59 ½. Upon disability, termination of employment, death, or upon the Plan's termination, participants may receive their Plan benefits in a single lump-sum payment or in the form of an alternative elected distribution plan. The taxable portion of the withdrawal is subject to federal and state income taxes and under certain circumstances, an additional penalty if the participant has not reached age 59 ½, unless the amount is rolled over into an eligible employer plan or Individual Retirement Account. A minimum distribution is required for participants who have reached the age of 72. Eligible participants may request an in-service hardship distribution of elective deferrals, subject to the Plan's provisions.

Forfeited Accounts

Forfeited non-vested account balances may be used to reduce administrative expenses or to fund the Company's matching contributions. Forfeitures attributable to matching contributions will be used to reduce any future matching contributions. During the years ended December 31, 2023 and 2022, forfeited nonvested account balances totaling \$0 and \$164, respectively, were used to pay administrative expenses. As of December 31, 2023 and 2022, there was no balance in the forfeiture accounts.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

INCHARGE 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022
(continued)

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Benefit Payments

Benefit payments to participants are recorded when related expenses are incurred.

Administration and Operating Expenses

Administrative costs, except for certain investment fees and loan fees that are paid out of the related participant accounts, are paid by the Company and have not been included in the accompanying financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for those common collective trust investment contracts, which are reported at net asset value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurement.

Net asset value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to common collective trust investment contracts, because net asset value is the amount participants would receive, if they were to initiate permitted transactions under the terms of the Plan.

Interest is recorded as earned and dividend income is accrued as of the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE C – INFORMATION CERTIFIED BY TRUSTEE

The plan administrator has elected the alternative method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, information certified by Fidelity Management Trust Company (the “Trustee” of the Plan), as of and for the years ended December 31, 2023 and 2022, was not audited, except for comparing such information to the related information included in the accompanying financial statements and supplemental schedule.

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company.

The following investment information has been certified by Fidelity Management Trust Company as of and for the years ended December 31, 2023 and 2022:

	2023	2022
Interest-bearing cash	\$ 2	\$ 311
Investments, at fair value	10,527,010	10,097,924
Interest income on notes receivable	9,974	10,087
Dividends	275,371	410,086
Net appreciation (depreciation) in fair value of investments	1,417,769	(2,728,018)

NOTE D – FAIR VALUE MEASUREMENT

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurement*, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under ASC Topic 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

INCHARGE 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022
(continued)

NOTE D – FAIR VALUE MEASUREMENT – continued

- | | |
|---------|---|
| Level 2 | Inputs to the valuation methodology include a) quoted prices for similar assets or liabilities in active markets; b) quoted prices for identical or similar assets or liabilities in inactive markets; c) inputs other than quoted prices that are observable for the asset or liability; and d) inputs that are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specific (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. |
| Level 3 | Inputs to the valuation methodology are unobservable and significant to the fair value measurement. |

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The fair value of mutual funds are determined by using the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan invests in the Fidelity Managed Income Portfolio ("FMIP Fund"), a stable value common collective trust fund, for which quoted prices are not available in active markets. The FMIP Fund seeks to preserve the principal investment while earning a level of interest income that is consistent with principal preservation. The FMIP Fund invests in benefit-responsive investment contracts issued by insurance companies and other financial institutions, fixed income securities, and money market funds. There are no unfunded commitments and the redemption frequency is daily. The FMIP Fund is valued at net asset value ("NAV") as a practical expedient, as determined by the trustee.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE D – FAIR VALUE MEASUREMENT - continued

The following table presents the Plan's fair value hierarchy for assets measured at fair value on a recurring basis as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

The following table presents the Plan's fair value hierarchy for assets measured at fair value on a recurring basis as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 9,709,418	\$ -	\$ -	\$ 9,709,418
Total investments, at fair value	<u>\$ 9,709,418</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,709,418</u>
Investments measured at net asset value				\$ 388,506
Total				<u>\$ 10,097,924</u>

In accordance with FASB ASC 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes the Plan's investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2023. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common collective trust (stable value fund)	<u>\$ 306,928</u>	N/A	daily	up to 12 months

NOTE D – FAIR VALUE MEASUREMENT - continued

The following table summarizes the Plan’s investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2022. The redemption notice period is applicable only to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Common collective trust (stable value fund)	<u>\$ 388,506</u>	N/A	daily	up to 12 months

NOTE E – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are funds managed by Fidelity Investments Institutional Operations Company, Inc., an affiliated entity of the Trustee, which qualifies as a party in interest. Fidelity Management Trust Company is the trustee as defined by the Plan. For the years ended December 31, 2023 and 2022, fees paid by the Plan for investment management and administrative services totaled \$11,034 and \$8,319, respectively. Certain accounting and administrative functions of the Plan are performed by employees of the plan sponsor at no cost to the Plan.

NOTE F – PRIORITIES UPON PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to amend the Plan, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions of ERISA and the Plan document. Upon the Plan’s termination, participants will continue to be 100% vested in their accounts.

NOTE G – TAX STATUS

The Internal Revenue Service (“IRS”) had determined as of March 31, 2008, that the Fidelity Management & Research Company’s Volume Submitter Defined Contribution Plan was designed in accordance with applicable sections of the IRC. The Volume Submitter Defined Contribution Plan was adopted by the Plan’s trustees on October 15, 2009. The Plan was amended in 2014, and on March 31, 2014, the IRS issued a determination letter that the Fidelity Management & Research Company’s Volume Submitter Profit Sharing Plan with cash or deferred arrangement (“CODA”) was designed in accordance with the IRC. Management of the Company and the Plan’s tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

INCHARGE 401(K) RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2023 AND 2022
(continued)

NOTE G – TAX STATUS - continued

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2020.

NOTE H – RISKS AND UNCERTAINTIES

The Plan provides for investments in various investment securities. Investment securities are exposed to various risks such as interest rate, credit risks, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I – SUBSEQUENT EVENTS

In preparing these financial statements, the Plan's management has evaluated events and transactions for potential recognition or disclosure through October 7, 2024, the date the financial statements were available to be issued. There were no additional events or transactions that were discovered during the evaluation that required further recognition or disclosure.

October 7, 2024

To the Board of Trustees
InCharge 401(k) Retirement Plan
Orlando, FL

We have audited the financial statements of InCharge 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), for the year ended December 31, 2023, and we will issue our report thereon dated October 7, 2024. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company (the "trustee" of the Plan), which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 25, 2024. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by InCharge 401(k) Retirement Plan are described in Note B to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2023. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was related to the fair value of investments. We evaluated the key factors and assumptions used to develop the estimates in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 7, 2024.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of InCharge 401(k) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as of and for the year ended December 31, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered InCharge 401(k) Retirement Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company (the "trustee" of the Plan), that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control was for the limited purpose described in the first two paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, the Plan sponsors, and others within InCharge 401(k) Retirement Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,
