Plan Trustees, Plan Administrator, and Plan Participants
Safe 1 Credit Union 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Safe 1 Credit Union 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Safe 1 Credit Union 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Safe 1 Credit Union 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe 1 Credit Union 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Safe 1 Credit Union 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Safe 1 Credit Union 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2023 and the Schedule H, line 4a – schedule of delinquent participant contributions for the year ended December 31, 2023, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the Safe 1 Credit Union 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Safe 1 Credit Union (Employer) who have attained age 21 and completed one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Trustees determine the appropriateness of the Plan's investment offerings and monitor investment performance.

Contributions

Each year, participants may elect to contribute up to the maximum legal limit, as determined by the Internal Revenue Service (IRS), of annual compensation as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. A participant's elective contribution shall be non-forfeitable at all times. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various pooled separate accounts as investment options to participants.

The Employer will make a matching contribution equal to 200% of a participant's salary deferrals that do not exceed 4% of Plan compensation. In addition, the Employer has the discretion to make profit-sharing contributions at the option of the Employer's Board of Directors. There were no profit-sharing contributions for the year ended December 31, 2023.

Contributions are subject to certain IRS limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and Employer's matching contribution, and an allocation of (a) the Employer's profit-sharing contributions and (b) plan earnings. Participant accounts may be charged with an allocation of administrative expenses that are paid by the Plan and administrative expenses attributable to the use of specific participant transactions. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Employer's matching and discretionary profit-sharing contributions and actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service as described in the following schedule:

<u>Year of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Upon termination, the amount of a participant's account not vested is forfeited.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50 percent of their vested account balance.

The loans are secured by the balance in the participant's account. The loan interest is set at 2 percent above the prime rate, as defined. Principal and interest are paid ratably through monthly payroll deductions.

Payment of Benefits

Upon a participant's separation from service, the value of the participant's vested interest is payable in a lump-sum amount. If the vested amount is less than \$5,000, and the participant does not provide the Plan with an affirmative distribution election, the distribution must be rolled over to an individual retirement account set up in the name of the participant. Distributions of account balances exceeding \$5,000 are subject to participant consent and distribution elections. Participants who terminate service due to disability or death become 100% vested in their account balance.

Forfeited Accounts

As of December 31, 2023 and 2022, forfeited nonvested accounts totaled \$54,931 and \$10,366, respectively. These accounts can be used to reduce future employer contributions, pay plan expenses, or allocated to plan participants. During 2023, \$1,463 of accumulated forfeitures were utilized to pay third-party administrator.

Unallocated Deposits

As of December 31, 2023 and 2022, unallocated deposits totaled \$54,391 and \$10,366, respectively. Unallocated deposits represent forfeitures that have not been invested, utilized, or allocated to participants. During 2023, \$1,463 of unallocated deposits were utilized to pay third-party administrator.

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by John Hancock Life Insurance Company (U.S.A), the trustee of the Plan. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability of \$18,343 with a corresponding reduction to contributions of \$14,304 and related earnings of \$4,039 for the year ended December 31, 2023. The Plan distributed the 2023 excess contributions to the applicable participants prior to March 15th of the subsequent plan year. There were no excess contributions for the year ended December 31, 2022.

Payment of Benefits

Benefit payments are recorded when paid. Under the rules for preparation of Form 5500, the Plan's Form 5500 will reflect an accrual for the amount to be paid to participants who withdrew from the Plan prior to year-end, and who had requested a distribution which was approved but not yet paid at year-end, if any. There were no unpaid distributions at December 31, 2023 and 2022.

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies (Continued)

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. The Employer does not intend to request a reimbursement from the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through September 26, 2024, the date the financial statements were available to be issued.

Note 3. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedules, including investments and notes receivable from participants held at December 31, 2023 and 2022, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended December 31, 2023, was obtained by plan management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A), the trustee of the Plan. The following table sets forth the certified information as follows:

	2023	2022
Cash	\$ 54,931	\$ 10,366
Investments:		
Pooled separate accounts, at fair value	14,924,112	12,128,075
Notes receivable from participants	242,651	218,752
Investment income:		
Net appreciation in fair value of investments	2,307,858	
Interest income on notes receivable from participants	11,023	

Note 4. Fair Value Measurements

U.S. GAAP provides a framework for fair value measurements. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The methodology for measuring fair value specifies a three-tier hierarchy of valuation techniques based upon whether the inputs to those valuation techniques are based on quoted prices of identical assets or liabilities (Level 1), significant other observable inputs (Level 2), or significant other unobservable inputs that reflect the Plan's own assumptions of market participant valuation (Level 3).

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs

All financial assets and liabilities as of December 31, 2023 and 2022 are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Investments held with John Hancock Life Insurance Company (U.S.A), the trustee, are held in pooled separate accounts which invests in various publicly traded mutual funds and are recorded at unit value. Unit value is determined daily using publicly traded net asset value or share prices, adjusted for dividend rates and management fee rates. The management fee rates are considered a Level 2 input; therefore, the Plan has determined that the various publicly traded mutual funds held in pooled separate accounts are classified within Level 2 of the fair value hierarchy. There are no significant unfunded commitments or restrictions on redemptions related to these types of investments.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 5. Related Party Transactions and Party in Interest Transactions

Parties-in-interest are defined under Department of Labor regulations as a fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others.

Plan investments are managed by John Hancock Life Insurance Company (U.S.A), the trustee of the Plan. Hicks Pension Services and Qualified Services, Inc. (a related party to Hicks Pension Services) are the third-party administrators of the Plan. Each of these service providers are a party-in-interest to the Plan. Fees paid by the Plan for administrative services amounted to \$18,870 for the year ended December 31, 2023.

Jones, Nale & Mattingly PLC is the independent auditor of the Plan. Fees paid by the Employer for audit services are excluded from these financial statements.

NOTES TO FINANCIAL STATEMENTS

Note 5. Related Party Transactions and Party in Interest Transactions (Continued)

The unit value used to value participant accounts is reduced by the applicable fees, including administrative charges owed to John Hancock Life Insurance Company (U.S.A) as well as investment mutual fund service providers. If revenue received by John Hancock Life Insurance Company (U.S.A) from such mutual fund service providers exceeds the amount owed to John Hancock Life Insurance Company (U.S.A) for administrative services provided to the Plan, then an annualized credit is allocated to the accounts of the participants with an account balance at the end of each month. For the year ended December 31, 2023, \$18,169 was allocated to participant accounts. The amount remitted to the Plan's trust is included in net appreciation in fair value of investments on the statement of changes in net assets available for benefits. In July 2023, the revenue sharing agreement ceased due to a change in the investment class and fee structure.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contributions.

Note 7. Tax Status

The Plan is based on a preapproved plan which has received a favorable opinion letter from the IRS dated June 30, 2020 stating that the Plan is designed to qualify as being exempt from federal income taxes. The plan administrator has not separately applied for a determination letter from the IRS. However, the plan administrator and the Plan's legal counsel believe the Plan was designed and is currently being operated as a tax-exempt plan in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
