INDEPENDENT AUDITORS' REPORT

**To the Benefits Plan Committee of
the Epstein Becker & Green, P.C. Target Benefit Plan:**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Epstein Becker & Green, P.C. Target Benefit Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets in liquidation as of December 31, 2023 and 2022, and the related statement of changes in net assets in liquidation for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Epstein Becker & Green, P.C. Target Benefit Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion (Continued)

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Epstein Becker & Green, P.C. Target Benefit Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the board of directors of Epstein Becker & Green, P.C. approved a plan of liquidation on October 12, 2022 and the Company determined liquidation is imminent. As a result, the Company changed its basis of accounting on December 31, 2022 from the going concern basis to a liquidation basis. As of December 31, 2023, the Plan has been fully distributed. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Epstein Becker & Green, P.C. Target Benefit Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Epstein Becker & Green, P.C. Target Benefit Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

TARGET BENEFIT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN

General

The following description of the Epstein Becker & Green, P.C. Target Benefit Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan’s provisions.

Plan Termination

In October 2022, the board of directors of Epstein Becker & Green, P.C. (the “Company”) signed a resolution to terminate the Plan effective December 31, 2022 and the Plan provided participants with notice that the Plan would be terminated as of December 31, 2022. The plan paid out all amounts due to participants during the year ended December 31, 2023. In accordance with the Plan’s provisions, any participant with a vested benefit under the Plan that the Company was not able to locate as of December 31, 2023 were forwarded to the Pension Benefit Guaranty Corporation pursuant to its Missing Participant Program. As of December 31, 2023, all assets have been distributed from the Plan.

Eligibility and Vesting

Prior to the Plan’s termination, the Plan was a defined contribution plan, covering any employee who was designated as a shareholder, contract partner, senior attorney, income partner and national administrative chief of the Company following their completion of two years of service with the Company including six months of such designation. A contract partner or senior attorney who was not eligible to participate as of December 31, 2001 was precluded from participating in the Plan. Employees were immediately vested as to the employer contributions. The Plan was subject to the provisions of ERISA. The Benefits Plan Committee was responsible for the oversight of the Plan and determined the appropriateness of the Plan’s investment offerings and monitored investment performance.

Contributions

Prior to the termination, the Company contributed on behalf of each participant the level funding amount which was projected to be necessary to fund the participant’s target benefit. The Plan limited the minimum contribution percentage for any non-highly compensated participants to 4.83% of eligible compensation. The target benefit was a monthly pension commencing on the participant’s retirement date and continuing for life.

EPSTEIN BECKER & GREEN, P.C.
TARGET BENEFIT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Contributions (Continued)

The level funding amount was determined each year for each participant under the Unit Credit Actuarial Funding Method, determined without unfunded liabilities, and used actuarial assumptions as follows:

Pre-retirement Interest	6%
Post-retirement Interest	6%
Mortality Table	IA83m

There were no contributions made to the Plan for the year ending December 31, 2023.

Participant Accounts

Prior to the termination, the plan administrator had set investment objectives and had appointed investment advisors to make investment decisions to meet these objectives. Each participant's account was credited with the employer's contribution and allocations of the Plan's earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Income was allocated quarterly, based on the prior quarter's account balance plus the time weighted average of transactions.

Notes Receivable from Participants

Prior to the termination, participants were permitted to borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested portion of their account balance. Loan terms could not exceed five years unless the loan was for the purpose of acquiring a principal residence in which case the term may have been in excess of five years. The loans were secured by the vested balance in the participant's account. The loans bore interest at the prime rate of interest at the time the loan was applied for plus 1%. There were no loans outstanding from participants at December 31, 2023 or 2022.

Payments of Benefits

Prior to termination, the Plan provided for benefits to be paid upon retirement, termination, death or disability. Payments were made in the form of an annuity or lump sum payments as prescribed in the Plan. The benefit to which a participant was entitled was the benefit that could be provided from the participant's account.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Administrative Expenses

Certain administrative expenses of the Plan have been paid by the Company without charge to the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the liquidation basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP"). On October 20, 2022, the Board of Directors of the Company adopted a resolution to terminate the Plan effective December 31, 2022. As a result, the Plan's financial statements changed to the liquidation basis in accordance with GAAP. This basis of accounting is considered appropriate when, among other things, liquidation of a plan is probable, and the net realizable value of assets are reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realized cash value and liabilities are stated at their anticipated settlement amounts. The liquidation value of the investments approximates fair value.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation

Investments are reported at fair value as described in Note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Benefits Plan Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian.

TARGET BENEFIT PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation (Continued)

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Liquidation Adjustment

For the year ended December 31, 2022, the Plan recorded actual income received and expenses paid through June 30, 2023 and estimated the remaining additional expenses expected to incur subsequent to December 31, 2022 through the date of final liquidation. Estimated amounts were adjusted to actual upon final payments during the year ended December 31, 2023.

Notes Receivable from Participants

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they are incurred. Delinquent participant loans were reclassified as distributions based upon the terms of the plan document.

Payment of Benefits

Benefits were recorded when paid, except for the final distribution payments which were accrued in accordance with the liquidation basis during the year ended December 31, 2022.

NOTE 3 - UNAUDITED INFORMATION

Certain information related to investments disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments at December 31, 2023 and 2022, and interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by Principal Trust Company (the trustee/custodian of the Plan.).

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED)

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under the framework are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. In evaluating the level at which the Plan's investments have been classified, the Plan has assessed factors including, but not limited to price transparency, the ability to redeem at net asset value at the year-end and the existence or absence of certain restrictions at year-end.

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022:

Money market fund: Valued at the daily closing price as reported by the fund. Money market funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The money market funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of December 31, 2023, there were no remaining plan investments.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2022:

<u>2022</u>	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Money market fund	\$ 58,144,302	\$ 54,144,302	\$ -	\$ -
Total investments at fair value	\$ 54,144,302			

NOTE 5 - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of money market funds managed by Principal Trust Company for the year ended December 31, 2023. Principal Trust Company is the trustee/custodian as defined by the Plan and the transactions qualify as party-in-interest transactions. Fees paid by the Plan to this trustee/custodian for investment expenses amount to \$80,583 for the year ended December 31, 2023.

NOTE 6 - TAX STATUS

The Plan was amended and restated effective January 1, 2014. The plan administrator has not received a determination letter from the Internal Revenue Service (“IRS”) on the amended and restated plan. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code (“IRC”), and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Company has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
