INDEPENDENT AUDITORS' REPORT

To the Retirement Plan Committee of

MERITAGE HOMES CORPORATION 401(k) SAVINGS PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of **Meritage Homes Corporation 401(k) Savings Plan** ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022 and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

MERITAGE HOMES CORPORATION
401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) Description of the Plan

The following brief description of the **Meritage Homes Corporation 401(k) Savings Plan** (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General - The Plan is a defined contribution plan sponsored by **Meritage Homes Corporation** (the “Company”) for the benefit of its employees who are eligible at their hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan has appointed Bank of America, N.A. as the Plan’s trustee and custodian and Merrill Lynch as the primary recordkeeper.

Contributions - Participants may elect to contribute from 1% to 75% of their compensation between pre-tax and after-tax Roth contributions subject to Internal Revenue Code (IRC) limitations. Employees are automatically enrolled in the Plan at a pre-tax deferral rate of 3% of eligible compensation, which is increased by 1% at the beginning of each subsequent Plan year up to a maximum of 6%, unless they elect a different deferral rate, or elect not to participate in the Plan. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions not to exceed \$7,500 for the year ended December 31, 2023. Participants may also contribute amounts representing rollover distributions from other qualified plans and certain individual retirement accounts.

Employer matching contributions are discretionary, and a participant must complete six months of service to be eligible. The Company elected to match 50% of a participant’s elective deferral, limited to 6% of qualifying compensation. As of December 31, 2023 and 2022, \$733,597 and \$881,652, respectively, relates to an additional discretionary matching contribution equal to the contribution that would have been required if the match was calculated on a full Plan year basis. As of December 31, 2023, \$170,349 relates to 2023, which were remitted to the plan after year end.

The Company may also make discretionary profit sharing contributions. No such discretionary profit sharing contributions were made for the years ended December 31, 2023 and 2022.

Participant accounts - Each participant’s account is credited with (a) contributions, (b) the Company matching contribution, and (c) an allocation of Plan earnings (losses) and expenses. Allocations of Plan earnings and expenses are based on participant account balances. The benefit to which a participant is entitled is the participant’s vested account balance. Upon enrollment in the Plan, a participant may direct employee and employer contributions in the investment options offered by the Plan, which consist of a variety of mutual funds, common collective trust funds and a money market fund.

Vesting - Participants are immediately vested 100% in their elective deferrals contributions plus earnings thereon. Employer matching and profit sharing contributions vest and become non-forfeitable as follows:

<u>Years of Service</u>	<u>Vested %</u>
After 1 year	25%
After 2 years	50%
After 3 years	75%
After 4 years	100%

NOTES TO FINANCIAL STATEMENTS

December 31, 2023 and 2022

(1) Description of the Plan (continued)

Benefits - Benefits are recorded when paid. Upon termination of service, disability or death, participants or beneficiaries may elect to receive a distribution of their account balances. Distributions are made as a lump-sum payment or installment payments at the election of the participant. Installment payments may not exceed ten years.

Notes receivable from participants - The Plan makes loans available to all participants and their beneficiaries on a uniform and non-discriminating basis. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of one-half the participants vested account balance or \$50,000. Balances are payable through payroll deductions. All notes are secured by the participant's vested account balance. All loans shall bear a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for similar types of loans. Interest rates on outstanding notes receivable ranged from 4.25% to 9.50% as of December 31, 2023. Notes are immediately due and payable upon a participant's termination of employment, death or disability.

Forfeitures - Forfeited nonvested contributions are available to pay Plan expenses or reduce future Company contributions. At December 31, 2023 and 2022, forfeited nonvested accounts totaled approximately \$270,000 and \$17,000, respectively. During the year ended December 31, 2023, approximately \$529,000 was used to reduce Company contributions.

Plan termination - Although the Company has not expressed an intention to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants are fully vested in their accounts, including the Company Matching Contributions.

(2) Significant accounting policies

Basis of accounting - The financial statements of the Plan are prepared on the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("US GAAP"). Accordingly, income and contributions are recognized when earned and expenses are recorded when incurred.

Investment valuation and income recognition - Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividend income is recorded on the ex-dividend date. Interest income is recognized on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are measured at their unpaid principal balance plus accrued interest. Upon termination, participant notes become due and payable.

Management's use of estimates - The preparation of financial statements in conformity with U.S GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures of contingent items in these financial statements. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

(2) Significant accounting policies (continued)

Administrative expenses - The Plan document provides that administrative expenses of the Plan be paid by the Plan unless the Company, at its discretion, elects to pay for such expenses. Fees relating to loans and distributions are paid from the account of the participant requesting the loan or distribution.

Subsequent events - The Plan's management has evaluated subsequent events through October 9, 2024, which is the date the financial statements were available to be issued.

(3) Fair value measurements

FASB ASC Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 investments) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs other than quoted prices that are observable for securities, either directly or indirectly. Examples include matrix pricing utilizing yield curves, prepayment speeds, credit risks, etc.; quoted prices for similar assets in active markets; and inputs derived from observable market data by correlation or other means.

Level 3: Unobservable inputs, which contain assumptions by the party valuing those assets. For Level 3 inputs, there is no market data or correlations with market assumptions. Examples would include limited partnership interests, closely held stock, etc.

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The common collective trusts are valued at net asset value, or their equivalent, which is a practical expedient for estimating the fair values of the investments. The common collective trusts have no unfunded commitments and can be redeemed daily with no redemption notice period or other redemption restrictions.

The money market fund is valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

(3) Fair value measurements (continued)

The following table sets forth the Plan's assets at fair value as of December 31, 2023:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 151,543,099	\$ -	\$ -	\$ 151,543,099
Money market fund	-	198,695	-	198,695
Common collective trusts*	-	-	-	22,203,975
	<u>\$ 151,543,099</u>	<u>\$ 198,698</u>	<u>\$ -</u>	<u>\$ 173,945,769</u>

The following table sets forth the Plan's assets at fair value as of December 31, 2022:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 120,848,331	\$ -	\$ -	\$ 120,848,331
Money market fund	-	111	-	111
Common collective trust*	-	-	-	20,421,485
	<u>\$ 120,848,331</u>	<u>\$ 111</u>	<u>\$ -</u>	<u>\$ 141,269,927</u>

* In accordance with Subtopic 820-10, certain investments that are measured using net asset value per share (or its equivalent) as a practical expedient for fair value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

(4) Tax status

Effective October 1, 2020, the Plan adopted a volume submitter plan developed by Merrill Lynch. As such, the Plan can rely on the opinion letter, dated June 30, 2020, issued by the IRS for this volume submitter plan. The letter stated that the Plan, as designed, was in compliance with the applicable requirements of the IRS. Management has not obtained an individual determination letter for the Plan. Management and the Plan administrator believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRS, and that the Plan was qualified and the related trust remains tax-exempt at December 31, 2023. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

(5) Information certified by the Plan Trustee

The Plan administrator has elected the method of annual reporting compliance in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bank of America, N.A., the trustee of the Plan's assets, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments
- Notes receivable from participants
- Interest income on notes receivable from participants
- Interest and dividend income
- Net appreciation in fair value of investments
- Schedules of assets (held at end of year)

(5) Information certified by the Plan Trustee (continued)

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(6) Risks and uncertainties

The Plan's exposure to loss in the event of nonperformance of investments is limited to the carrying value of such instruments. The Plan's provisions as well as those of ERISA dictate the Plan's concentrations of credit risk and market risk. Due to the level of credit risk, interest rate risk and market risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in risks in the near term could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

(7) Exempt party-in-interest transactions

Certain Plan investments are managed by Bank of America, N.A., which qualify as exempt party-in-interest transactions. Merrill Lynch provided recordkeeping and administrative services to the Plan for a fee, which also qualifies as exempt party-in-interest transactions. Total administrative fees and expenses paid by the Plan to parties-in-interest were approximately \$193,000 for the year ended December 31, 2023.

(8) Reconciliation to Form 5500

The following is a reconciliation of net assets available for benefits as reported in the financial statements as of December 31, 2023 and 2022 to Form 5500:

	<u>2023</u>	<u>2022</u>
