Report of Independent Auditor

To the Plan Administrator and Participants
Confluence Outdoor, Inc. 401(k) Plan
Greenville, South Carolina

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Confluence Outdoor, Inc. 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the *Auditor’s Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1—Description of the Plan

The following description of Confluence Outdoor, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General – The Plan became effective on June 6, 2014 and is a defined contribution plan covering eligible employees of Confluence Outdoor, Inc. (the “Company” or the “Employer”). As of December 18, 2019, the Plan name was changed from Confluence Outdoor, LLC 401(k) Plan to Confluence Outdoor, Inc. 401(k) Plan. The Plan was amended April 11, 2018. All employees who are age 18 or older are eligible to participate in the Plan on the first day of the month following the date of their hire, with the exception of union employees governed by a collective bargaining agreement, lease employees and nonresident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Administration – The Plan is administered by the Company, which serves without compensation. The Plan administrator has the overall responsibility and authority as the named fiduciary to manage and control the operations and administration of the Plan and may designate one or more individuals to perform those responsibilities. The Company has outsourced the recordkeeping function of the Plan to Matrix Trust Company, the “Trustee” of the Plan.

Contributions - Participants may contribute up to 100% of pretax annual compensation, as defined in the Plan up to the maximum amount allowed by law (\$22,500 for 2023). Participants may also contribute Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to \$7,500 in 2023. Participants may also contribute amounts representing distributions from other qualified plans. The Employer’s matching contribution percentage was 50% of the first 4% of the compensation during 2023. The Company may also make discretionary profit-sharing contributions to the Plan. Contributions are subject to certain Internal Revenue Service (“IRS”) limitations. There were no discretionary profit-sharing contributions during 2023.

Participant Accounts – Each participant’s account is credited and/or charged with distributions, contributions, and an allocation of Plan earnings and losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Participant Investment Account Options – Participants can direct the investment of their accounts into various investment options offered by the Plan. The Plan’s investment options for participants include mutual funds and a common collective trust as investment options for participants.

Notes Receivables from Participants – Participants may borrow up to the lesser of \$50,000 or 50% of their vested account balance. Participants are allowed a maximum of two outstanding notes and the minimum amount of any note is \$1,000. The notes are secured by the balance in the participant’s account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Participant notes have a term of no more than five years, unless for the purchase of a principal residence, which term to be determined by the Plan administrator at the time of the loan. Principal and interest are paid ratably through payroll deductions.

Vesting – Participants are vested immediately in their contributions plus actual earnings thereon. Participants are 100% vested in the Employer matching and discretionary profit-sharing contributions after one year of service.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 1—Description of the Plan (continued)

Benefits Paid to Participants – Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments. For termination of service for other reasons, distribution of the value of the participant's vested interest in his or her account will begin as soon as possible after the participant's request as a lump-sum distribution. In addition, a participant may elect to receive withdrawals upon reaching the age 59½.

Hardship Withdrawals – The Plan allows participants to make hardship withdrawals to satisfy certain immediate and heavy financial needs. A participant may request a hardship withdrawal for certain qualifying expenses as defined by the Plan document, and within what the IRS deems an immediate and financial need of the participant.

Forfeitures – Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures may be used to reduce Employer contributions or administrative expenses. At December 31, 2023 and 2022, forfeited nonvested accounts totaled \$34 and \$-0-, respectively. During the year ended December 31, 2023, \$450 of forfeitures balances were used to pay administrative expenses.

Note 2—Summary of significant accounting policies

Basis of Accounting – The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in accordance with U.S. GAAP requires the Plan administrator and the Company to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Such estimates include those regarding fair value. Actual results, as determined at a later date, could differ from those estimates.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation of fair value of investments.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation reported in the statement of changes in net assets available for benefits includes the Plan's gains and losses on investments, both realized and unrealized.

Payment of Benefits – Benefits are recorded when paid.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document. Interest rates on participant loans range from 5.25% to 9.50%.

Risks and Uncertainties – Investment securities, in general, are exposed to various risks, such as interest rates, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the financial statements.

Note 2—Summary of significant accounting policies (continued)

Fair Value Measurements – U.S. GAAP defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction value hierarchy which requires an entity to maximize the use of observable inputs when measuring fair value. U.S. GAAP describes three levels of inputs that may be used to measure fair value:

Level 1 – Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

Level 2 – Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and

Level 3 – Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available. The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified within Level 1 of the valuation hierarchy.

Common Collective Trust – A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at NAV of the units of the collective trust. NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require a one-year notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 3—Information prepared and certified by the Trustee (unaudited)

Plan management has elected the methods of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The Trustee, a qualified institution, has certified to the completeness and accuracy of the following data included in the accompanying financial statements.

- Investments, at fair value and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2023 and 2022.
- Net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2023.
- Schedule of Assets (Held at End of Year) – Form 5500, Schedule H, Part IV, Line 4i as of December 31, 2023.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4—Fair value measurements

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2023 and 2022:

As of December 31, 2023			
	Level 1	Level 2	Level 3
Mutual funds	\$ 6,082,970	\$ -	\$ -
Common collective trust			
measured at NAV*			
			198,872
			\$ 6,281,842
As of December 31, 2022			
	Level 1	Level 2	Level 3
Mutual funds	\$ 4,317,158	\$ -	\$ -
Common collective trust			
measured at NAV*			
			37,578
			\$ 4,354,736

* In accordance with Accounting Standards Codification Subtopic 820-10, certain investments that are measured at fair value using NAV per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 4—Fair value measurements (continued)

The following table summarizes certain information about investments measured at fair value based on NAV per share, which is not readily determinable, as of December 31, 2023 and 2022:

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
2023				
Common collective trust	\$ 198,872	N/A	Daily	12 months
2022				
Common collective trust	\$ 37,578	N/A	Daily	12 months

Note 5—Plan transfers

During 2023 assets were transferred into the Plan from the Advanced Elements, Inc. 401(k) Plan as a result of the acquisition of Advanced Elements, Inc. by the Plan sponsor. During the year ended December 31, 2023, assets totaling \$1,832,529 were transferred to the Plan from Advanced Elements, Inc. 401(k) Plan.

Note 6—Party-in-interest transactions

Matrix Trust Company is the Trustee of the Plan; therefore, transactions with the Trustee qualify as parties-in-interest transactions as defined by ERISA. IFP Advisors, Inc. serves as a registered investment advisor and transactions qualify as party-in-interest transactions. Cherry Bekaert LLP is the auditor of the Plan; therefore, transactions with the auditor qualify as parties-in-interest transactions. During the year ended December 31, 2023, the Plan paid \$39,388 for custodial, Plan expenses, and asset management services. The Plan sponsor also paid certain administrative expenses of the Plan. Notes receivable from participants also qualifies as a party-in-interest transaction.

Note 7—Plan termination

The Company believes the Plan will continue without interruption but reserves the right to discontinue the Plan. In the event such discontinuance results in termination of the Plan, the Plan provides that the assets be allocated among the participants and beneficiaries in the amounts credited to each participant's respective account at the effective date of such termination. Distribution of participant account balances will occur as soon as administratively feasible upon termination of the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 8—Tax status

The Plan adopted a prototype non-standardized profit sharing with a cash or deferred arrangement plan which received a favorable opinion letter from the IRS on June 30, 2020, which stated that the prototype Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has not received a determination letter specific to the Plan itself, and the Plan has been amended since receiving the opinion letter. However, the Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to business income tax and, therefore, the Plan continues to be tax-exempt.

CONFLUENCE OUTDOOR, INC. 401(k) PLAN
NOTES TO THE FINANCIAL STATEMENTS

DECEMBER 31, 2023 AND 2022

Note 8—Tax status (continued)

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 9—Subsequent events

Effective January 1, 2024 the Plan was amended to permit safe harbor contributions.

In accordance with U.S. GAAP related to subsequent events, the Plan has evaluated all events subsequent through July 30, 2024, the date these financial statements were available to be issued.
