To the Trustees of the

Guide Dog Foundation for the Blind, Inc.
371 E. Jericho Turnpike
Smithtown, NY 11787

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the 403(b) Thrift Plan of Guide Dog Foundation for the Blind, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2022, and the related statement of changes in net assets available for benefits for the year ended December 31, 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2022, and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such

procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2023 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of the 403(b) Thrift Plan of Guide Dog Foundation for the Blind, Inc. (the "Plan") is presented to assist in understanding the Plan's financial statements and supplemental information. These financial statements, supplemental information, and notes are representations of the Guide Dog Foundation for the Blind, Inc.'s (the "Employer" or "Plan Sponsor") management, who is responsible for the integrity and objectivity of the financial statements. These accounting policies conform to accounting principles generally accepted in the United States of America ("U.S. GAAP") and have been consistently applied in the preparation of the financial statements and supplemental schedule.

Basis of Accounting: The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with U.S. GAAP.

Investment Valuation and Income Recognition: Investments in pooled separate accounts are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income on investments is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. During the year ended December 31, 2023, the Plan's net appreciation in fair value of investments was \$3,017,989.

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Payment of Benefits: Benefits are recorded when paid to the Plan's participants.

Events Occurring After Report Date: The Plan Sponsor has evaluated events and transactions that occurred between January 1, 2024 and September 17, 2024, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. See Note 9.

NOTE 2 - DESCRIPTION OF THE PLAN

The following brief description of the Plan provides for general information. Participants should refer to the Plan document, which is available from the plan administrator, for a more complete description of the Plan's provisions.

GUIDE DOG FOUNDATION FOR THE BLIND, INC.
PLAN SPONSOR EIN: 11-1687477

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023**

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

General: On July 1, 1998, the Plan Sponsor adopted its 403(b) thrift plan under section 403(b) of the Internal Revenue Code. The Plan was restated effective March 31, 2020. The Plan is a participant-directed defined contribution plan covering all eligible employees of the Plan Sponsor. Employees are eligible to become participants the next day following their hire date and can start contributing the first day of each pay period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions: Each year, participants may contribute to the Plan a percentage of eligible compensation (defined in the plan document as taxable earnings plus elective deferrals) or in specific dollar amounts. Participants may also contribute amounts distributed from other qualified plans. In addition, the Plan offers catch-up contributions to those participants who have completed 15 years of service with the Plan Sponsor or have attained age 50 by December 31. If a participant qualifies for both, the additional deferrals are first applied to the 15-year catch-up and then to the age 50 catch-up.

During the year ended December 31, 2023, the Plan provided for discretionary employer base contributions of 5% of eligible participants' taxable earnings as well as employer discretionary matching contributions, which equal the lesser of 100% of each participant's elective deferral contribution or 4% of the participant's total compensation. Participants do not need to contribute to receive the employer base contribution. Employer discretionary matching contributions are approved by the Board of Directors of the Plan Sponsor. In order to participate in the employer base and matching contributions, an employee must be at least 21 years of age and have completed one year of service with at least 1,000 hours, but must be employed on the last day of the Plan year in order to be eligible for the employer matching contributions. Contributions are subject to certain Internal Revenue Service ("IRS") limitations.

Participant Accounts: The Plan is a defined contribution plan under which a separate individual account is established for each participant. Participants direct the investment of their contributions and their share of Employer contributions into various investment options as offered by the Plan. Each participant's account is credited with each participant's contribution and earnings, and an allocation of any Employer contributions and administrative expenses. As a participant-directed plan, each participant's investment choices determine their share of earnings or losses.

Vesting: Participants are always 100% vested in their contributions plus actual earnings thereon. Vesting of employer contributions is based on a three-year vesting schedule.

Forfeited Accounts: When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account represents a forfeiture. Forfeitures in each Plan year are used to reduce future Employer contributions. For the year ended December 31, 2023, there were new forfeitures of \$3,955, in which all were applied in 2023. The forfeiture balance for both the years ended December 31, 2023 and 2022 was \$0.

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

Investment Options: Upon enrollment in the Plan, participants may direct Mutual of America Life Insurance Company (the "Custodian") to invest contributions in various investment options managed by the Custodian, its affiliates, and other large investment management companies.

Participants may change their investment options, transfer part or all of past investments to other funds, and change their deferral rates at any time.

Collateral Loans: The Custodian offers collateral loans to participants. Such loans are made outside of Plan assets and do not reduce the participants' account balances since they are made directly with the Custodian. The loans are secured by the balances in the participants' accounts, and bear interest at rates ranging between 4.60% and 5.85%. Collateral loans amounted to \$20,348 and \$67,201 at December 31, 2023 and 2022, respectively. The collateral amount of the loans is included in investments in interest accumulation account in the accompanying statements of net assets available for benefits.

In-Service Withdrawals: Withdrawals of balances on employee deferral amounts only are permitted for participants who have reached age 59½. Participants may withdraw amounts allocated to their Employer contributions and employee deferral amounts when requesting a hardship withdrawal. Required minimum distributions are effective when a participant reached age 70½ during 2019. If a participant reached age 70½ during 2020, required minimum distribution comes into effect when a participant reaches age 72. The Plan allows for other forms of in-service withdrawals under limited circumstances which are outlined in the Plan document.

Payment of Benefits: Participants receive the full amount in their accounts when their employment terminates due to death, disability, or normal retirement. Terminations due to any other reasons only entitle the participants to receive the vested percentage of their account balances. Under the terms of the Plan, participants are eligible for normal retirement upon reaching age 65. Participants can elect to receive retirement benefits through lump-sum distributions or installment payments. In addition, the Plan will make a mandatory distribution of a participant's vested account balance following severance from employment if the amount is less than or equal to \$5,000.

Administrative Expenses: Certain administrative functions are performed by employees of the Plan Sponsor for which they are compensated by the Plan Sponsor. In addition, the Plan Sponsor pays certain other Plan-related expenditures. Certain investment-related Plan expenses, like fees paid to those who administer and manage the funds, are paid from the assets of the funds, and therefore reduce the overall return offered by the funds.

Plan Amendments: The Plan Sponsor has the right under the Plan to amend the Plan at any time.

**NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED DECEMBER 31, 2023**

NOTE 2 - DESCRIPTION OF THE PLAN (continued)

The Plan was last amended effective April 1, 2023 to include a Roth contribution option for participants of the Plan. Under this amendment, a participant who has elected to make salary reduction contributions may designate all or part of those contributions as Roth contributions by completing a form provided by the Employer. The account balances attributable to designated Roth contributions shall be disregarded for purposes of determining the available loan amount and for purposes of securing a loan.

Plan Termination: Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed pursuant to the Plan document.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN

All investment information disclosed in the accompanying financial statements, including investments held at December 31, 2023 and 2022, and ERISA-required supplemental schedule, including net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by the Custodian.

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting standards establish a framework for measuring fair value, providing a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the value hierarchy are described below:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the Level 2 input must be observable for substantially the full term of the asset and liability.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used for the general accounts at December 31, 2023 and 2022.

Pooled Separate Accounts: Consist solely of investments in mutual funds and are valued at the net asset value ("NAV") at which the mutual fund shares are actively traded. The NAV is determined by the Custodian of the fund and is based upon the fair value of the underlying assets held by the fund.

The method described above may produce fair value calculations that may not be indicative of net realizable values or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair values of certain financial instruments could result in different fair value measurements at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023 and 2022:

Assets at Fair Value as of December 31, 2023				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts.....	\$ 19,385,029	\$ -	\$ -	\$ 19,385,029
Total investments at fair value	<u>\$ 19,385,029</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,385,029</u>

Assets at Fair Value as of December 31, 2022

NOTE 5 - INVESTMENT IN INTEREST ACCUMULATION ACCOUNT

The Plan has investments in an interest accumulation account ("general account") with the Custodian amounting to \$2,549,199 and \$3,335,093 at December 31, 2023 and 2022, respectively. The Custodian maintains the contributions in a general account. The account is credited with interest at a rate determined by the Custodian.

The Custodian reserves the right to change the interest at their discretion. The credited interest was at 1.60% for the 2023 Plan year.

The general account is comparable to a cash equivalent and therefore is not subject to the leveling requirements of the Financial Accounting Standards Board's Accounting Standards Codification 820, *Fair Value Measurement*, for the following reasons:

- There are no front- or back-end charges, so investments in the general account are completely liquid;
- The interest rate credited to investment in the general account is a current rate, and is not dependent upon the length of time the assets are invested with the Custodian;
- Requests for withdrawals can be made at any time and are processed on the day that they are received; they are not dependent on the Plan having to liquidate securities in order to generate a payment; and
- The value shown on the Plan fund report is the redeemable value of the fund; there are no deferred sales charges, load assessments, or interest rate adjustments that would affect the value as a result of a withdrawal request.

For the reasons noted above, investments in the general account are liquid and not subject to any form of interest rate adjustment, "haircut," or loading charge. The general account is comparable to a cash equivalent and, therefore, is exempt from classification within the fair value hierarchy.

NOTE 6 - INCOME TAX STATUS

The Plan Sponsor elected to adopt the Custodian's non-standardized prototype plan. The plan administrator and Custodian believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

U.S. GAAP requires the Plan Sponsor to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Department of Labor and IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

NOTE 6 - INCOME TAX STATUS (continued)

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the accompanying statements of net assets available for benefits.

NOTE 8 - TRANSACTIONS WITH PARTY-IN-INTEREST

At December 31, 2023 and 2022, certain Plan investments were managed by the Custodian and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments.

NOTE 9 - SUBSEQUENT EVENT

Effective December 1, 2024, the Plan Sponsor elected to change the Plan Custodian from Mutual of America to Fidelity Management Trust Company.
