INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of the
Renkim Corporation Profit Sharing/401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the financial statements of Renkim Corporation Profit Sharing/401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefit as December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section

- The amounts and disclosures in the accompanying 2023 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Renkim Corporation Profit Sharing/401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Renkim Corporation Profit Sharing/401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Renkim Corporation Profit Sharing/401(k) Plan 's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Renkim Corporation Profit Sharing/401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental schedule, as identified in the table of contents, as of December 31, 2023, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of Renkim Corporation Profit Sharing/401(k) Plan as of December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 29, 2023 indicated that (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedule that agreed to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

RENKIM CORPORATION
PROFIT SHARING/401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN

The following description of the Renkim Corporation (Company) Profit Sharing/401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution profit sharing plan incorporating Internal Revenue Code Section 401(k) features covering all eligible employees of the Company who have one year or more of service and are age twenty-one or older. Plan entry dates occur quarterly on the first day of the first, fourth, seventh and tenth months of the Plan year. The Plan instituted automatic enrollment provisions for any newly eligible participants effective January 1, 2020. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

2. Contributions

Participants may elect to make tax deferred cash contributions or Roth contributions not to exceed the annual maximum deferral allowed by the Internal Revenue Code (IRC). If no election is made, an automatic 3% deferral will be contributed on their behalf to the Plan. The Company contributes the participant elected salary reductions. In addition, the Company may, at its discretion, contribute additional amounts as a match or profit sharing contribution determined by its Board of Directors. This additional contribution is allocated to each eligible employee in proportion to that employee's compensation. As of December 31, 2023, the Company elected not to make a profit sharing contribution. The elected deferrals and Company contributions are subject to certain limitations including deferral percentage tests as determined under the IRC.

3. Participant Accounts

Each participant's account is credited with (a) the individual's contributions, (b) the various Company contributions, (c) account earnings and (d) an allocation of forfeitures of terminated participants' non-vested accounts when applicable. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

4. Vesting

All voluntary contributions to the Plan by participants and discretionary matching contributions by the Company are fully vested when made. Discretionary profit sharing contributions made by the Company vest based upon the number of years of service the participants have with the Company, with 20 percent of the contributions vesting each year beginning with the completion of the second year of service.

5. Notes Receivable from Participants

A participant may borrow from the Plan an amount not less than \$1,000, but not more than 50 percent of his/her vested account balance. In no event can the participant borrow more than \$50,000 or have more than two loans outstanding at a time. Participant loans are for a period not exceeding five years. The notes are measured at their unpaid principal balance plus any accrued interest.

PROFIT SHARING/401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE A – DESCRIPTION OF PLAN (Continued)

6. Payment of Benefits

In the case of normal retirement, retirement due to permanent disability, or termination of employment, a participant may elect to receive the value of his/her accumulated plan benefits, in accordance with the provisions of the Plan. In the event that a participant dies before retirement, the beneficiary will receive the value of the participant's accumulated plan benefits in a lump-sum distribution. In-service distributions are permitted at attainment of age 59 ½ and for qualified hardships.

7. Forfeitures

Forfeitures of terminated participants' non-vested accounts will be used to reduce employer contributions or investment advisory or other expenses to the Plan. There were no forfeitures applied to reduce employer contributions for the year ended December 31, 2023.

8. Administration

The Plan is administered by an administrative committee consisting of certain employees of the Company. All assets in the Plan are held in trust by the custodian, Fidelity Management Trust Company. The custodian maintains separate accounts for each individual participant. Each participant is allowed self-direction of the assets held in his/her individual account. The custodian offers various investment options, which include debt, equity and fixed rate funds.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Investment Valuation

The Plan's investments are stated at fair value. See Note E for fair value considerations.

2. Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

3. Payment of Benefits

Benefits are recorded when paid.

4. Subsequent Events

The Plan has evaluated events and transactions for potential recognition or disclosure through October 4, 2024, which is the same date the financial statements were available to be issued.

NOTE C – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE D – ADMINISTRATIVE AND INVESTMENT EXPENSES

Certain administrative functions are performed by officers or employees of the Company. No officer or employee received compensation from the Plan. Certain other Plan administrative expenses are paid directly by the Company. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE E – FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The following tables present fair value measurement information for certain financial instruments. The carrying values of receivables, cash and cash equivalents, and accrued income included in the statement of net assets available for benefits approximated fair value at December 31, 2023 and 2022 and are not included in the following table.

Fair Value Measurements at Reporting Date Using:

	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2023	
Mutual Funds	<u>\$ 6,975,085</u>
December 31, 2022	
Mutual Funds	<u>\$ 6,652,885</u>

NOTE E – FAIR VALUE MEASUREMENTS (Continued)

Financial Accounting Standards Board (FASB), Accounting Standards Codification (ASC) 820, “*Fair Value Measurements and Disclosures*”, sets forth a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan used appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Level 3 inputs are used only when Level 1 or Level 2 inputs were not available. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2023 and 2022.

Level 1-Fair Value Measurements

The fair values of mutual funds (registered investment companies) are based on quoted net asset values of the shares held by the Plan at year-end.

NOTE F – INFORMATION PREPARED AND CERTIFIED BY THE CUSTODIAN

All investment information, related investment income and other amounts disclosed in the accompanying financial statements and supplemental schedule including cash, notes receivable from participants and investments held at December 31, 2023 and 2022, and net appreciation (depreciation) in fair value of investments, interest and dividends for the year ended December 31, 2023, were obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company (a qualified institution), the custodian, in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to extend the audit to any statements or information related to assets held for investment of the plan which are covered by such certification.

NOTE G – RELATED PARTY AND PARTY- IN- INTEREST TRANSACTIONS

Plan assets at December 31, 2023 and 2022 are investments under the custody of Fidelity Management Trust Company (Fidelity). Fidelity is the custodian of the Plan and therefore, these transactions qualify as transactions with a party-in-interest. During 2023 Fidelity refunded \$2,058 to the Plan related to 12b-1 fee charges. In addition, during 2023 the Company paid approximately \$19,461 to Fidelity Investment Institutional Management Company. Certain other Plan administrative expenses are also paid directly by the Company.

NOTES TO FINANCIAL STATEMENTS

NOTE G – RELATED PARTY AND PARTY- IN- INTEREST TRANSACTIONS (Continued)

LPL Financial, LLC (LPL) provides the Plan investment advisory services pursuant to a Plan Services Agreement (PSA) and, therefore these transactions qualify as party-in-interest transactions. During 2023 fees paid by the Plan to LPL totaled \$14,136.

NOTE H – TAX STATUS

During 2018 the Plan adopted a volume submitter plan sponsored by FMR, LLC (Fidelity Management & Research, LLC). which obtained its latest opinion letter on June 30, 2020, in which the Internal Revenue Service stated that the form of the volume submitter plan, as then designed was acceptable under the applicable section of the Internal Revenue Code. Plan management believes the Plan is in operational compliance with the applicable requirements of the Internal Revenue Code. Therefore, plan management believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE I – PLAN AMENDMENTS

The Plan had no significant amendments other than those that may be discussed elsewhere in the accompanying financial statements during the periods ended December 31, 2023 or December 31, 2022.

NOTE J – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

NOTE J – RISKS AND UNCERTAINTIES (Continued)

Investments are selected and managed individually by the participating members of the Plan. The benefits a participant receives at retirement or on termination under this defined contribution plan are not predetermined. Income distribution or benefits are based on the assets within the participant's individual plan account at the time they retire. Under this Plan, the employee determines which investments his/her contributions, along with the contributions of the Company, are invested in from a selection of investment options available within the Plan. This allows the individual to create a portfolio suited to his/her own investment goals and tolerance for risk. The amount of money an employee has in their individual account within the Plan at retirement is based on the amount of contributions made over the years and the earnings those investments have made.

The Plan's net assets include investments which at times may be holders of some of the following instruments: asset backed securities, collateralized mortgage obligations and commercial mortgage backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.
